*Study Guide for Brigham/Houston's Fundamentals of Financial
Management, 14th* South Western Educational Publishing

The only text to strike a balance between solid financial theory and practical applications, Brigham/Ehrhardt's FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 15e gives you a thorough understanding of the essential concepts you need to develop and implement effective financial strategies. The book begins with a presentation of corporate finance fundamentals before progressing to discussions of specific techniques used to maximize the value of a firm. It also explores the recent financial

and economic crises and the role of finance in the business world. With its relevant and engaging presentation, numerous examples, and emphasis on Excel usage, this text serves as a complete reference tool for you in your academic or business career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Study Guide for Brigham/Houston's Fundamentals of Financial Management, Concise Edition South-Western Pub
Comprehensive text with enough background material to refresh and reinforce earlier courses in corporate finance and enough advanced material to stimulate the most advanced learner. The predominant strengths of clarity, current coverage, and friendliness to learner and instructors continues in this new

edition. Some of the areas where coverage has been expanded include corporate governance and reform, valuation, value based management, cash flow, and newly updated material on real options. The instructor's resources enable outstanding presentations and learning.

Financial Management Emea Adaptation South-Western College Roland Fox joins Brigham and Ehrhardt in the new edition of *Financial Management: Theory and Practice*, written for students in Europe, the Middle East and Africa. This text combines Brigham and Ehrhardt's balance of solid financial theory and practical applications with Fox's expert knowledge of international financial management. Maintaining all the content that makes this textbook so valuable to students from fundamental through to intermediate level and beyond, this new edition also adds in material relevant to European, Middle Eastern and African students, such as a chapter on Islamic Finance. *Financial Management: Theory and Practice* is a must for any student who wants to understand financial management concepts and their real-world application.
