BPSC Previous Year Solved Question Papers in Hindi & English (2002-2019) from the house of RS Aggarwal Archers & Elevators Publishing House The protagonist of this book represents such a section of youths in Indian society, who is loyal

towards family values and holds high virtues in all situations, keeping his aspirations aside, and is ready to give everything for his nation and family. In this book, you will meet a youth who is hiding his identity under constant life-threatening pressure. A youth who is fighting for his self-esteem at every step, with the regular insults and profanity thrown at him, this youth sometimes becomes speechless

and sometimes angry. His conscience, which is constantly stopping him from walking on to the wrong path and finally, how he escapes from all this, you will experience when you indulge yourself in his story! Love and emotions, the needed support when one works in a broken administration, while every day at work facing egoistic and corrupt bosses. The higher values

of love, sacrifice, and morality meet responsibility and how he moves forward with all this has been mentioned with complete ease in this book. A youth who is on a journey to fulfill a dream is tough: his way ahead is full of fog and unexpected twists and turns. He completes his journey by showing extreme valour, strength, wisdom, skill, and knowledge to win the so-

called required battle in the end. With constant inquiries at all levels of administration and his efforts to expose the corrupt system and in this process, receiving constant threats by higher officials and pressure from the system under which he is working and, in the end, walking out in a triumph. This is the overall picture of the story in this book. The story of such a youth who fulfilled all his

responsibilities by separating his love life and professional life and at times sacrificing his love, to work for the betterment of the district, to bring about a positive change, and make changes in the way of good governance, happily gave up his personal wishes and ambitions. Welcome him, a 25-year-old officer, who, with his efforts, exposed and eventually suspended a

corrupt officer who had 25 years of experience. The one who successfully helped 30,000 beneficiaries to get their rights as a citizen of this nation, the one who exposed the biggest scam of a total of 550 panchayats in the district of Mainpuri and brought impetus to the radical growth and development of the villages in this area. In short, this book is written for love, responsibility, dreams, and

duty; all woven into one incredibly true story, which discovers the secret of a hidden hero who is within all of us. We welcome you into this world full of adventure and agony, sacrifice, and honest, diligent work for the greater good of the nation and society.

Environmental Education Prabhat Prakashan On 15 August 2014, in his maiden Independence Day address to the country, Prime Minister Narendra Modi did the unthinkable by declaring a firm resolve to eradicate the practice of open defecation from India in just five years. Launched to implement this vision, the Swachh Bharat Mission (SBM) had a challenging job on hand but has proved to be one of the major successes of the government. Over the past six years, almost 10 crore toilets were built under SBM-Grameen, and rural sanitation coverage rose from 39 per cent in 2014 to 100 per cent by the end of 2019. The Missions mass outreach effort mobilized over 60 crore people to change their behaviour,

and India declared itself Open Defecation Free on 2 October 2019, Mahatma Gandhis 150th birth anniversary. The Swachh Bharat Revolution looks at how India led the largest jan andolan (peoples movement) in the world to make the impossible possible with the Missions success resting on four key pillars: Political Leadership, Public Financing, Partnerships

and Peoples Participation. With a Foreword by Prime Minister Narendra Modi and essays by Arun Jaitley, Henrietta H. Fore, Amitabh Kant, Ratan Tata, Sadhguru, Amitabh Bachchan, Akshay Kumar and many others, this book, edited by Parameswaran Iyer, provides wide-ranging perspectives on the programme and celebrates a historic national achievement. **Stardom in Contemporar**

Prabhat Prakashan Columnist, author and political commentator, Aakar Patel has long been a close observer of the political scenario. In Price of the Modi Years, he seeks to explain the data and facts on India's performance under Narendra Modi. Modi's predecessor, Manmohan Singh, had once said that Modi would be a disaster as prime minister. This

book shows how. It concedes Modi's popularity; this is an accounting of the damage he has wrought. It is the history of India since 2014, assessing the damage across the polity from the economy, national security, federalism, foreign relations, legislations and the judiciary to media and civil society. Our memories are not long, news cycles are transient

and incidents are forgotten or misclassified as being only episodic, unless documented, unified and placed together as a record. And, therefore, this book-a history of these present times. (Free Sample)

Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India's increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also

through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making

produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global

economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book that creates opportunities for examining stardom in

other industries and provides fruitful cross-cultural perspectives on star identities today. "Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of

not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema's filmi firmament today,

focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today's Hindi film industry, while shining fresh light on contemporary India and the world we live in."  In an Indian household; the cleaning up of the house is the first step towards the celebration of an approaching festival. Not only it is hygienic but the symbolic significance of the festival is enhanced many times by this act of cleaning. It symbolizes purity of mind and clarity of

thoughts before one goes to pray and celebrate an event of importance. These acts lead us to the attainment of the ultimate elation; where the body is in the pink of health and the mind is in the depths of joy. Such insight and farsightedness in thought and actions have been the hallmark of the Indian history. These actions are nothing but the manifestations of our rich cultural heritage. A

festival is a symbol of a prosperous society and a rich culture; it signifies growth and development. Therefore; any development; any growth is no less than a festival and the primary step to a celebration; which starts with cleanliness. For India; 'Swachh Bharat Abhiyan' is nothing but the first step towards celebrating development and prosperity. Certainly this book will
