Today's dynamic and uncertain environment has contributed to the changing nature of markets. In order for companies to keep up, they will need to embark on new wave marketing to ride the wave of opportunities provided by the changes in the environment, such as the digital revolution. This is critical all over the world, but none more so than in Asia. Asia is not only the world's biggest market, but also the fastest growing. It is therefore essential for marketers to understand the dynamics of Asian companies and what they have to offer to the wider world. This book analyzes competitive companies from 18 Asian countries that have successfully practiced new wave marketing and in so doing, provide

invaluable lessons that others may find useful. Comprehensive case studies are used not only to describe how some of Asia's best companies compete, but also to analyze the concepts of new wave marketing their actions are based on. This book is unique in its depth and breadth of cases, from companies in the ASEAN region to North-east Asia, including Mongolia and SAARC. The authors of this book, Professor Philip Kotler, arguably the Father of Modern Marketing, Hermawan Kartajaya from Indonesia, and Hooi Den Huan from Singapore, are all experts in their field and have previously produced other bestsellers. This book, with its focus on real life examples of competitive Asian companies in the age of digitalization, complements the principles and theoretical frameworks of new wave marketing that are detailed in its sister book, . Together, these books provide a comprehensive picture of the changing Asian marketing landscape.

Naskhah ini merupakan himpunan artikel yang menyentuh permasalahan yang melingkari hidup seharian. Ia tentang hati dan perasaan. Tentang bagaimana dengan mentaati ajaran-NYA, kita akan mencapai kebahagiaan dalam kehidupan.

Kebahagiaan itu matlamat kita. Betul? Kerana semua kita impikan bahagia dengan keluarga sebagai terasnya.

Keluarga yang padanya kita berasa tenang dan tenteram. Keluarga yang padanya kita boleh letakkan harapan untuk menjadi manusia idaman TUHAN. Bahagiannya rasa... ini kata kita. Kata-kata azimat yang kita mahu ia direalisasi dalam kehidupan sementara yang kita mahu peluk seeratnya. Kitalah yang menentukan

arah dan tujuan hidup kita. Betul? Kitalah juga yang menentukan bahagia tidaknya hidup kita. Betul? Formula Keluarga Bahagia terbentang di hadapan kita... anugerah pemberian Yang Maha Esa. Jangan berpaling dari jalan yang DIA berikan. Jalan yang kita sendiri tahu apa yang menunggu pada akhirnya... rasa bahagia. Ingatlah dengan mengingati ALLAH, hati menjadi tenteram.

Buku ini menyentuh perkaitan antara dakwah dengan ilmu retorik dalam usaha mempengaruhi khalayak sasaran melalui penulisan. Dakwah merupakan aktiviti seruan yang ditugaskan kepada kaum muslimin dengan cara-cara tertentu kepada orang lain supaya melakukan kebaikan dan menjauhi perkara yang mungkar. Oleh sebab ia bersifat seruan untuk melakukan kebaikan dan larangan melakukan kejahatan, maka isi kandungan dalam dakwah menjadi tumpuan dalam mencapai matlamat dakwah. Selain mesej dakwah, gaya penyampaian (uslub al-dakwah) merupakan elemen yang membantu mesej dakwah disampaikan

dengan lebih baik dan difahami serta mampu mempengaruhi khalayak. Memandangkan usaha menyampaikan dakwah berkait dengan tugas mengubah pendapat, tingkah laku dan keyakinan manusia, maka pelbagai gaya dan pendekatan boleh dilakukan bagi mempertingkatkan keberkesanan penyampaian mesej dakwah, iaitu menggunakan ilmu retorik yang diperkenalkan dalam buku ini dilihat dari perspektif dakwah yang tertumpu kepada kaedah untuk memanipulasi minda dan perasaan khalayaknya (uslub pembujukan dakwah) sama ada secara lembut, secara keras, secara halus, secara terus-terang, pendalilan rasional dan pendalilan emotif sesuai dengan kehendak al-Quran sebagaimana dalam Surah al-Nahl ayat 125

Sex education is rarely out of the news. Despite this, there exist surprisingly few studies of the principles, policies and practice of sex education. This book provides such an examination, focusing on the values to which children are exposed in sex education. Sex education inevitably involves the transmission of values,

regardless of whether this is intended by teachers. Throughout the book, academic and professional literature on both values and sex education is reviewed and discussed. The authors look at the implicit liberal values, which underpin programmes of sex education, and at the challenges presented by the diversity of values in contemporary society. The book also considers: * Why values are central to sex education * Children's voices and children's values * Religious and family values * Achievable aims for school sex education * How to help young people to reflect critically on the influences to which

they are exposed and on their own developing sexual values * How to build values into practical approaches to sex education at both primary and secondary levels. This timely book will help all those involved in sex education to steer a path between controversial and often opposing views and will be essential reading for students on PGCE and BEd courses. It will also be a valuable resource for teachers and professionals involved in teaching sex education such as teachers of personal and social education, form tutors, heads of year, school nurses, health workers and

academics.
