Turkish for Beginners: A 10-Week Self-Study Program is specifically prepared for students who are looking for a quick journey into Turkish, promising significant language skills in just 10 weeks!

Students will develop strong reading, writing, listening and understanding skills. How is this possible? The book consists of 10 units, each unit covering the most essential grammar points and language skills necessary to successfully handle basic social interactions. Each unit starts with a fun dialogue, recounting the travels of Kate and Tom in Istanbul, while they are getting acquainted with the land, culture and people of Turkey. Dialogues and vocabulary are recorded by native speakers, which is crucial for improving listening and speaking skills with correct pronunciation. Short but concise grammar explanations guide the student with enough detail about the Turkish grammar. Examples follow each grammar point to enhance learning. So there it is - learning beginner level Turkish has never been easier! Upon completion, students are expected to reach the novice-high/intermediate-mid levels of proficiency as per the ACTFL Guidelines, or high 1, low 2 as per the ILR, or B1 as per the Common European Framework of Reference (CEFR).. After you finish the book, you will be able to: handle a range of social situations from visiting a friend to dining outside read and understand basic instructions, texts and articles advance in learning the language fully! Enjoy learning this beautiful language in just 10 weeks, with its revised new edition and with accompanying FREE audio! The interior design has also been renewed to provide the students with a more pleasant studying experience! NOTE:To access the FREE audio please visit the website for Turkish for Beginners: The link is given inside the book. What are other useful learning materials? If you are looking for a more intense book that includes lengthy grammar explanations, abundant examples and countless exercises, then you can check Comprehensive Turkish for Beginners (979-8692131164). Anecdotes from Nasreddin Hodja: Reading Texts for Turkish Learners will help you develop your reading skills with fun and compelling anecdotes of Nasreddin Hodja. Practice reading and listening and test your comprehension with exercises. If you are travelling to Turkey or just studying Turkish and want to be fluent in most common social situations, Turkish Phrasebook for Travellers (979-8692914446) will be of great help. To be comfortable in intermediate to advanced

level vocabulary, you can check Turkish Learners' Dictionary: Intermediate & Advanced levels (979-8596270037). Why learn Turkish? Turkish is spoken as a first language by over 80 million people. It belongs to the Turkic language family, which includes thirty Turkic languages, making it in total of 220 million Turkish speakers worldwide! Turkish is also a favorite second language, with over 15 million speakers, and you are aspiring to be one! Turkish is a very efficient language, it is fun to learn; and it is indeed very rewarding considering the critical importance of Turkey and Turkish in the global affairs. Plus, it's an incredible tourist destination! With the experience of teaching more than 20 years, the author's other works include Hebrew and Turkish self-study books and complementary materials. They've proven successful in the market with their new editions since 2013.

Elementary Turkish is designed to provide beginning students with sufficient Turkish to meet most of their everyday needs. Once students complete the two volumes, they should be able to speak, understand, read, and write Turkish at the mid-intermediate level. The variety of Turkish presented in this textbook corresponds to standard Turkish, the official language of the Republic of Turkey and the language spoken by educated Turkish speakers. Both volumes can be used in a classroom setting or as self-study aids.

Multi Linguis offers you a frequency-thematic learner's dictionary of the Portuguese language. It includes up to 9000 essential words and phrases belonging to the levels from Beginner to Upper Intermediate II (A1 - B2.2 CEFR). The entries are divided into 150 vocabulary themes as well as 6 learning steps. They are arranged by steps and then by themes, not by the alphabet. The book is intended to help you learn this language step by step but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The Multi Linguis Project is based on the Wiktionary corpus and created by one person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in epub format. Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You can find more dictionaries in this store.

'The Delights of Learning Turkish' is a self-study course book that takes the learner from the beginner level to the intermediate level in Turkish. It is designed for English speakers, targeting adult and young adult learners; especially for those planning to settle and live in Turkey or visiting Turkey for business or pleasure. It is a comprehensive, explanatory approach to Turkish language teaching how to construct and use the language both in formal and colloquial forms with dialogues, examples, grammar points, vocabulary and exercises. It shows the grammatical structures in detail with examples, which enables the learners to make their own sentences instead of depending on off-the-shelf phrases. In the book, you can also find general information about the Turkish alphabet and Turkish language as well as notes on Turkish culture in daily life. Covering so many language points, this book is also a grammar reference that targets a wide range of audience including advanced learners. At the end of the book, you will find the keys to the exercises. There are also Turkish - English and English - Turkish glossary sections as well as Turkish proverbs and idioms added to the book with explanations.
