Diary of a Lost Lamb is a story of an abused child who struggles her way through life. From raising four of her first husband's children after his mother committed suicide, to cleaning up the outline of her second husband's body off the floor. Diary of a Lost Lamb is a story of struggles that are too much for any human to overcome without God. She went through thirty-two surgeries, spent three years in a wheelchair, and eight years in a chair drooling from medications. Diary of a Lost Lamb is a story of triumph in the face of terrible adversities. You will read how God healed her and she went to college. This is an inspiring story for one and all.

First published serially in the Yiddish daily newspaper di Varhayt in 1916–18, Diary of a Lonely Girl, or The Battle against Free Love is a novel of intimate feelings and scandalous behaviors, shot through with a dark humor. From the perch of a diarist writing in first person about her own love life, Miriam Karpilove's novel offers a snarky, melodramatic criticism of radical leftist immigrant youth culture in early twentieth-century New York City. Squeezed between men who use their freethinking ideals to pressure her to be sexually available and nosy landladies who require her to

maintain her respectability, the narrator expresses frustration at her vulnerable circumstances with wry irreverence. The novel boldly explores issues of consent, body autonomy, women's empowerment and disempowerment around sexuality, courtship, and politics. Karpilove immigrated to the United States from a small town near Minsk in 1905 and went on to become one of the most prolific and widely published women writers of prose in Yiddish. Kirzane's skillful translation gives English readers long-overdue access to Karpilove's original and provocative voice. [The Lost Diary of Anne Frank](#) Haymarket Books

Julia Roberts played a prostitute, famously, in Pretty Woman. So did Jodie Foster in Taxi Driver, Jane Fonda in Klute, Anna Karina in Vivre sa vie, Greta Garbo in Anna Christie, and Charlize Theron, who won an Academy Award for Monster. This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema, from the silent era to the present-day industry. From the woman with control over her own destiny to the woman who cannot get away from her pimp, Russell Campbell shows the diverse representations of prostitutes in film. Marked Women classifies fifteen recurrent character types and three common narratives,

many of them with their roots in male fantasy. The “Happy Hooker,” for example, is the liberated woman whose only goal is to give as much pleasure as she receives, while the “Avenger,” a nightmare of the male imagination, represents the threat of women taking retribution for all the oppression they have suffered at the hands of men. The “Love Story,” a common narrative, represents the prostitute as both heroine and anti-heroine, while “Condemned to Death” allows men to manifest, in imagination only, their hostility toward women by killing off the troubled prostitute in an act of cathartic violence. The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema, but the manner of representation has also been highly conflicted and fiercely contested. Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm, demonstrating how the film industry itself is split by fascinating contradictions.

[The Lost Diary of Don Juan](#) North Atlantic Books

One of thousands of children who fled strife in southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. In this memorable book, the two convey the best of African values while relating searing accounts of famine and war. There’s warmth as well, in their humorous tales of adapting to American life. For its importance as a primary source, for its inclusion of the rarely told female perspective of Sudan’s lost children, for its celebration of human resilience, this is the perfect story to inform and inspire young readers.

Sarah Morgan Dawson lived in Baton Rouge, Louisiana, at the outbreak of the American Civil War. In March 1862, she began to record her thoughts about the war in a diary-- thoughts about the loss of friends killed in battle and the occupation of her home by Federal troops. Her devotion to the South was unwavering and her emotions real and uncensored. A true classic.

[The Last Girl](#) Macmillan

The Lost Girl - Book 6: The Final Outcome... This is the final book in the emotional and gripping Lost Girl series. In this story, Bella is faced with even more challenges and once again, struggles to maintain hope for her future. She understands the Robinson's purpose for preventing her adoption to the Jacksons. But what is the reason behind Lily's behavior and why is she making everything so difficult for Bella? Is she simply a mean bully who enjoys upsetting others, or does she have an agenda in mind? Also, will Bella ever regain her friendship with Zye? Or will that relationship be lost forever? You will have to read to the end to discover the answer to all these questions as well as the final outcome. Just like the other books in the series, this one is full of emotion, drama and a little romance. It is a story of perseverance, hope, faith and of never giving up in the face of adversity. It is also a story of learning to reach for the stars to make your dreams come true. An emotional and inspiring book for girls aged 10-12 and above.

The 1929 silent film, DIARY OF A LOST GIRL, is based on a best-selling book first published in Germany in 1905. Though little known today, the book was a sensation at the beginning of the 20th century. Was it, as many believed, the real-life diary of a young woman forced by circumstance into a life of prostitution? Or a sensational and clever fake, one of the first novels of its kind? This controversial book is a work of literary sophistication and unusual historical significance. And today, copies of it are sought after by fans of the film and its legendary star, Louise Brooks. This new illustrated edition of the original English language translation brings this important work back into print after more than a century. It includes an introduction by Thomas Gladysz, Director of the Louise Brooks Society, detailing the book’s remarkable history. This special "Louise Brooks Edition" also includes many rare vintage images. More info at [www.pandorasbox.com/diary.html](http://www.pandorasbox.com/diary.html)

WINNER OF THE NOBEL PEACE PRIZE • In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia’s brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia’s story—as a witness to the Islamic State’s brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

**I Want to Live** Penguin

First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. “I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness.” So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother’s boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie’s journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl’s life, recounted in diary pages and illustrations, with full narrative sequences in comics form. The Diary of a Teenage Girl offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book’s critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the author’s childhood, including some of her own diary entries. “Phoebe Gloeckner... is creating some of the edgiest work about young women’s lives in any medium.”—The New York Times “One

of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America.”—Salon “It’s the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that’s been only fitfully carried after Salinger.”—Nerve.com

**Where Lost Girls Go** Univ of California Press

"Louise Brooks (1906-1985), one of the most famous actresses of the silent era, was renowned as much for her rebellion against Hollywood as for her performances in such classics as Pandora's Box and Diary of a Lost Girl. Collected here are eight autobiographical essays by Brooks, vividly describing her childhood in Kansas, her early career as a Denishawn dancer and Ziegfeld Follies "Glorified Girl," and her friendships with Martha Graham, Charles Chaplin, W. C. Fields, Humphrey Bogart and others."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

[The Lost Diary of M Crown](#)

In March 1941, Jimmy Stewart, America's boy next door and recent Academy Award winner, left fame and fortune behind and joined the United States Army Air Corps to fulfill his family mission and serve his country. He rose from private to colonel and participated in 20 often-brutal World War II combat missions over Germany and France. In mere months the war took away his boyish looks as he faced near-death experiences and the loss of men under his command. The war finally won, he returned home with millions of other veterans to face an uncertain future, suffering what we now know as PTSD. Younger stars like Gregory Peck were now getting roles that might have been Stewart's, and he didn't know if he would ever work in Hollywood again. Then came It's a Wonderful Life. For the next half century, Stewart refused to discuss his combat experiences and took the story of his service to the grave. Mission presents the first in-depth look at Stewart's life as a Squadron Commander in the skies over Germany, and, his return to Hollywood the changed man who embarked on production of America's most beloved holiday classic. Author Robert Matzen sifted through thousands of Air Force combat reports and the Stewart personnel files; interviewed surviving aviators who flew with Stewart; visited the James Stewart Papers at Brigham Young University; flew in the cockpits of the B-17 Flying Fortress and B-24 Liberator; and walked the earth of air bases in England used by Stewart in his combat missions of 1943-45. What emerges in Mission is the story of a Jimmy Stewart you never knew until now, a story more fantastic than any he brought to the screen.

**The Lost Girl - Book 6** Rahel Thorsten

Revealing the roots of Johnnie Wise's family tree, the author takes readers to Nigeria where a beautiful sixteen-year-old girl, preparing to marry a much older man, escapes with her young lover on the night before the arranged marriage is to take place on a Dutch slave ship bound for America where she becomes Josephine Baptiste.

Kim faces many changes her senior year in high school, including Nat's hasty wedding, childbirth, and ultimate decision about the baby, the first holidays without her mother, new problems for cousin Maya, and a significant surprise from her past.

[The Lost Diary of Venice](#) Crown

A young working girl comes of age in the American West in this “fast and interesting” historical novel for fans of the Dear America and American Girl series (School Library Journal) In 1926, droves of Americans traveled by train across the United States to visit the West. They ate at Harvey Houses, where thousands of well-trained waitresses provided first-class service. The Waitresses: The Journal of a Harvey Girl tells the first-person story of one spunky girl, Kitty Evans, as she faces the often funny and painful experiences she and fellow waitresses Cordelia and Emmy endure. As Kitty writes about her escapades, a loveable teenager emerges; she embraces adventure, independence, her position as a Harvey Girl, and a freelance writing career. In this fast-paced novel, best-selling author Carolyn Meyer, who has visited and researched several Harvey Hotels, brings together an unforgettable heroine with the universal themes of friendship, identity, and young love.
