The Bible and the Jews Vintage Canada
NEW YORK TIMES BESTSELLER • Wonderfully tender and hilariously funny, *Eligible* tackles gender, class, courtship, and family as Curtis Sittenfeld reaffirms herself as one of the most dazzling authors writing today. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE TIMES (UK) This version of the Bennet family—and Mr. Darcy—is one that you have and haven't met before: Liz is a magazine writer in her late thirties who, like her yoga instructor older sister, Jane, lives in New York City. When their father has a health scare, they return to their childhood home in Cincinnati to help—and discover that the

sprawling Tudor they grew up in is crumbling and the family is in disarray. Youngest sisters Kitty and Lydia are too busy with their CrossFit workouts and Paleo diets to get jobs. Mary, the middle sister, is earning her third online master's degree and barely leaves her room, except for those mysterious Tuesday-night outings she won't discuss. And Mrs. Bennet has one thing on her mind: how to marry off her daughters, especially as Jane's fortieth birthday fast approaches. Enter Chip Bingley, a handsome new-in-town doctor who recently appeared on the juggernaut reality TV dating show *Eligible*. At a Fourth of July barbecue, Chip takes an immediate interest in Jane, but Chip's friend neurosurgeon Fitzwilliam Darcy reveals himself to Liz to be much less charming. . . . And yet, first impressions can be deceiving. Praise for *Eligible* "Even the most ardent Austenite will soon find herself seduced."—O: The Oprah Magazine "Blissful . . .

Sittenfeld modernizes the classic in such a stylish, witty way you'd guess even Jane Austen would be pleased."—People (book of the week) "[A] sparkling, fresh contemporary retelling."—Entertainment Weekly "[Sittenfeld] is the ideal modern-day reinterpreter. Her special skill lies not just in her clear, clean writing, but in her general amusement about the world, her arch, pithy, dropped-mike observations about behavior, character and motivation. She can spot hypocrisy, cant, self-contradiction and absurdity ten miles away. She's the one you want to leave the party with, so she can explain what really happened. . . . Not since *Clueless*, which transported Emma to Beverly Hills, has Austen been so delightfully interpreted. . . . Sittenfeld writes so well—her sentences are so good and her story so satisfying. . . . As a reader, let me just say: Three cheers for Curtis Sittenfeld and her astute, sharp and ebullient anthropological interest in the human condition."—Sarah Lyall, *The New York Times Book Review* "A clever, uproarious evolution of Austen's story."—*The Denver Post* "If there exists a more perfect pairing than Curtis Sittenfeld and Jane Austen, we dare you to find it. . . . Sittenfeld makes an already irresistible story even more beguiling and charming."—Elle "A playful, wickedly smart retelling of Jane Austen's *Pride and Prejudice*."—*BuzzFeed* "Sittenfeld is an obvious choice to re-create Jane Austen's comedy of manners. [She] is a master at dissecting social norms to reveal the truths of human nature underneath."—*The Millions* "A hugely entertaining and surprisingly unpredictable book, bursting with wit and charm."—*The Irish Times* "An unputdownable retelling of the beloved classic."—*PopSugar* University of Chicago Press

In this groundbreaking biography, David Maraniss captures all of football great Vince Lombardi: the myth, the man, his game, and his God. More than any other sports figure, Vince Lombardi transformed football into a metaphor of the American experience. The son of an Italian immigrant butcher, Lombardi toiled for twenty frustrating years as a high school coach and then as an assistant at Fordham, West Point, and the New York Giants before his big break came at age forty-six with the chance to coach a struggling team in snowbound Wisconsin. His leadership of the Green Bay Packers to five world championships in nine seasons is the most storied period in NFL history. Lombardi became a living legend, a symbol to many of leadership, discipline, perseverance, and teamwork, and to others of an obsession with winning. In *When Pride Still Mattered*, Pulitzer Prize-winning author David Maraniss captures the myth and the man, football, God, and country in a thrilling biography destined to become an American classic.

The Lost Sex Scenes of Jane Austen St. Martin's Griffin

Middle schooler Ariel Goldberg must find her own voice and define her own beliefs after her big sister elopes with a young man from India following the Supreme Court decision that strikes down laws banning interracial marriage.

Oriana Fallaci Rizzoli Publications

Journalist Rebecca Traister's *New York Times* bestselling exploration of the transformative power of female anger and its ability to transcend into a political movement is "a hopeful, maddening compendium of righteous feminine anger, and the good it can do when wielded efficiently—and collectively" (*Vanity Fair*). Long before *Pantsuit Nation*, before the Women's March,

and before the #MeToo movement, women's anger was not only politically catalytic—but politically problematic. The story of female fury and its cultural significance demonstrates its crucial role in women's slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men. "Urgent, enlightened...realistic and compelling...Traister eloquently highlights the challenge of blaming not just forces and systems, but individuals" (The Washington Post). In *Good and Mad*, Traister tracks the history of female anger as political fuel—from suffragettes marching on the White House to office workers vacating their buildings after Clarence Thomas was confirmed to the Supreme Court. Traister explores women's anger at both men and other women; anger between ideological allies and foes; the varied ways anger is received based on who's expressing it; and the way women's collective fury has become transformative political fuel. She deconstructs society's (and the media's) condemnation of female emotion (especially rage) and the impact of their resulting repercussions. Highlighting a double standard perpetuated against women by all sexes, and its disastrous, stultifying effect, *Good and Mad* is "perfectly timed and inspiring" (People, Book of the Week). This "admirably rousing narrative" (The Atlantic) offers a glimpse into the galvanizing force of women's collective anger, which, when harnessed, can change history.

Journeys Across the World's Queer Frontiers Bloomsbury Publishing

A BEST BOOK OF 2018 SELECTION NPR * The Washington Post * Book Riot * Autostraddle * Psychology Today ***A BEST

FEMINIST BOOK SELECTION*** Refinery 29, Book Riot, Autostraddle, BITCH Rage Becomes Her is an "utterly eye opening" (Bustle) book that gives voice to the causes, expressions, and possibilities of female rage. As women, we've been urged for so long to bottle up our anger, letting it corrode our bodies and minds in ways we don't even realize. Yet there are so, so many legitimate reasons for us to feel angry, ranging from blatant, horrifying acts of misogyny to the subtle drip, drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society. In *Rage Becomes Her*, Soraya Chemaly argues that our anger is not only justified, it is also an active part of the solution. We are so often encouraged to resist our rage or punished for justifiably expressing it, yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them? Approached with conscious intention, anger is a vital instrument, a radar for injustice and a catalyst for change. On the flip side, the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power—one we can no longer abide. "A work of great spirit and verve" (Time), *Rage Becomes Her* is a validating, energizing read that will change the way you interact with the world around you.

The Force of Reason Random House

The Strange Death of Europe is the internationally bestselling account of a continent and a culture caught in the act of suicide, now updated with new material taking in developments since it was first published to huge acclaim. These include rapid changes in the dynamics of global politics, world leadership and terror attacks across Europe. Douglas Murray travels across Europe to

examine first-hand how mass immigration, cultivated self-distrust and delusion have contributed to a continent in the grips of its own demise. From the shores of Lampedusa to migrant camps in Greece, from Cologne to London, he looks critically at the factors that have come together to make Europeans unable to argue for themselves and incapable of resisting their alteration as a society. Murray's "tremendous and shattering" book (The Times) addresses the disappointing failures of multiculturalism, Angela Merkel's U-turn on migration, the lack of repatriation and the Western fixation on guilt, uncovering the malaise at the very heart of the European culture. His conclusion is bleak, but the predictions not irrevocable. As Murray argues, this may be our last chance to change the outcome, before it's too late.

Interviews With History and Power Multnomah

As seen on The Today Show! One of the best summer romance picks! One of Publishers Weekly Best Romance Books of 2019! A modern-day Muslim Pride and Prejudice for a new generation of love. Ayesha Shamsi has a lot going on. Her dreams of being a poet have been set aside for a teaching job so she can pay off her debts to her wealthy uncle. She lives with her boisterous Muslim family and is always being reminded that her flighty younger cousin, Hafsa, is close to rejecting her one hundredth marriage proposal. Though Ayesha is lonely, she doesn't want an arranged marriage. Then she meets Khalid, who is just as smart and handsome as he is conservative and judgmental. She is irritatingly attracted to someone who looks down on her choices and who dresses like he belongs in the seventh century. When a surprise engagement is announced between Khalid and Hafsa, Ayesha is torn between how she feels about the straightforward

Khalid and the unsettling new gossip she hears about his family. Looking into the rumors, she finds she has to deal with not only what she discovers about Khalid, but also the truth she realizes about herself.

Breaking Free from the Four Emotions That Control You MIRA

In the late 1980s, after a decade spent engaged in more routine interest-group politics, thousands of lesbians and gay men responded to the AIDS crisis by defiantly and dramatically taking to the streets. But by the early 1990s, the organization they founded, ACT UP, was no more—even as the AIDS epidemic raged on. Weaving together interviews with activists, extensive research, and reflections on the author's time as a member of the organization, *Moving Politics* is the first book to chronicle the rise and fall of ACT UP, highlighting a key factor in its trajectory: emotion. Surprisingly overlooked by many scholars of social movements, emotion, Gould argues, plays a fundamental role in political activism. From anger to hope, pride to shame, and solidarity to despair, feelings played a significant part in ACT UP's provocative style of protest, which included raucous demonstrations, die-ins, and other kinds of street theater. Detailing the movement's public triumphs and private setbacks, *Moving Politics* is the definitive account of ACT UP's origin, development, and decline as well as a searching look at the role of emotion in contentious politics.

A Life Of Vince Lombardi RD Bentley

Monarch butterflies abound in Canada. We marvel at their beauty and the magic of their metamorphosis. Familiar as they are to us, these tiny creatures nevertheless harbour many secrets. Perhaps the deepest mystery is the monarchs' annual migration. Each

autumn, they travel unimaginably long distances, something no other butterflies do. How do they know when to migrate? How, unguided by memory, do they navigate to their destination in the heart of the threatened Mexican jungle? Sue Halpern recounts the mesmerizing story of these mysteries, and the race to solve them. She describes the discoveries of Canadian biologist Fred Urquhart and his wife, who first encouraged amateur lepidopterists to tag butterflies. We follow her to Mexico, where she searches for butterflies. She introduces us to Don Davis, an enthusiast who has tagged an estimated 20,000 monarchs since 1985. And though terrified of flying, she takes us on a flight with University of Toronto biologist David Gibo, as they attempt to predict the flight vectors of butterflies. Astonishing, fascinating, *Four Wings and a Prayer*, like our encounters with these delicate winged creatures, is a rare gem.

Pride and Prejudice W. W. Norton & Company

In the follow up to *The Rage and the Pride*, the distinguished Italian historian describes the impact of her controversial book on her own life, detailing the personal attacks and death threats she received following its publication and offering an incisive analysis of the influence of Islam on modern-day Europe. 50,000 first printing.

Immigration, Identity, Islam Da Capo Lifelong Books

I'm on trial for my life. Falsely accused of infecting my human ex-boyfriend—and killing him to cover up the crime. Infecting a human is one of three capital offenses recognized by the *Pride*—along with murder and disclosure of our existence to a human. I'm two for three. A goner. Now we've discovered a rogue stray terrorizing the mountainside, hunting a wild teenage

tabbycat. It's up to us to find and stop him before a human discovers us. With my lover Marc's help, I think I can protect the vulnerable girl from both the ambitious rogue and the scheming of the territorial council. If I survive my own trial...

Rage Becomes Her Rizzoli International Publications

One of TIME's 100 Must-Read Books of 2020. Longlisted for the 2021 Rathbones Folio Prize. "[Mark] Gevisser is clear-eyed and wise enough to have a sharp sense of how tough the struggle has been, and how hard it will be now for those who have not succeeded in finding shelter from prejudice." --Colm Tóibín, *The Guardian* A groundbreaking look at how the issues of sexuality and gender identity divide and unite the world today More than seven years in the making, Mark Gevisser's *The Pink Line: Journeys Across the World's Queer Frontiers* is an exploration of how the conversation around sexual orientation and gender identity has come to divide—and describe—the world in an entirely new way over the first two decades of the twenty-first century. No social movement has brought change so quickly and with such dramatically mixed results. While same-sex marriage and gender transition are celebrated in some parts of the world, laws are being strengthened to criminalize homosexuality and gender nonconformity in others. As new globalized queer identities are adopted by people across the world—thanks to the digital revolution—fresh culture wars have emerged. A new *Pink Line*, Gevisser argues, has been drawn across the globe, and he takes readers to its frontiers. Between sensitive and sometimes startling profiles of the queer folk he's encountered along the *Pink Line*, Gevisser offers sharp analytical chapters exploring identity politics, religion, gender ideology, capitalism, human

rights, moral panics, geopolitics, and what he calls “the new transgender culture wars.” His subjects include a Ugandan refugee in flight to Canada, a trans woman fighting for custody of her child in Moscow, a lesbian couple campaigning for marriage equality in Mexico, genderqueer high schoolers coming of age in Michigan, a gay Israeli-Palestinian couple searching for common ground, and a community of kothis—“women’s hearts in men’s bodies”—who run a temple in an Indian fishing village. What results is a moving and multifaceted picture of the world today, and the queer people defining it. Eye-opening, heartfelt, expertly researched, and compellingly narrated, *The Pink Line* is a monumental—and urgent—journey of unprecedented scope into twenty-first-century identity, seen through the border posts along the world’s new LGBTQ+ frontiers.

The Story of Gay Visibility in America Rizzoli

In a pitch-perfect literary parody, Arielle Eckstut and David Auburn claim to have stumbled upon lost manuscript pages from Jane Austen’s novels, along with shocking letters to her sister and publisher. The ‘excerpts’ take readers behind closed doors to behold some very naughty goings-on among the characters of *Pride and Prejudice*, *Sense and Sensibility*, *Emma* and all of Austen’s novels. *Emma*, it is revealed, takes self-satisfaction to a whole new level; Charlotte Lucas dresses up as Lady Catherine de Bourgh to give Mr. Collins the spanking of his life; and Fanny and Edmund are not the only ones at Mansfield Park flirting with incest. Elegantly packaged and ‘authenticated’ by a so-called Austen expert, *PRIDE AND PROMISCUITY* belongs on the bookshelf of Austen fanatics and the millions who have made the films based on her works so popular. Even the most serious

literary scholar would bet his tenure at whist to get his hands on this spirited and witty gem that proves Jane is hotter than any of us ever imagined!

Europe Old and New Rizzoli Publications

A posthumous compilation of this award-winning and best-selling writer and journalist’s seminal, historic interviews. Oriana Fallaci was granted access to countless world leaders and politicians throughout her remarkable career. Considering herself a writer rather than a journalist, she was never shy about sharing her opinions of her interview subjects. Her most memorable interviews—some translated into English for the first time—appear in this collection, including those with Ariel Sharon, Yassir Arafat, the former Shah of Iran, Lech Walesa, the Dalai Lama, Robert Kennedy, and many others. Also featured is the famous 1972 interview in which she succeeded in getting Henry Kissinger to call Vietnam a “useless war” and to describe himself as “a cowboy.” To this day he calls the Fallaci interview “the most disastrous conversation I ever had with the press.”

Disability, Queerness, and Liberation Pocket Books

From a god-fearing Muslim boy enraptured with their mother, to a vocal, queer drag queen estranged from their family, this is a heart-breaking and hilarious memoir about the author’s fight to be true to herself

The Rage of Dragons Simon and Schuster

CBA BESTSELLER • Break free from the destructive power of guilt, anger, greed, and jealousy. Includes a six-week discussion guide. “Andy Stanley touches the right nerve at the right time.”—Shaunti Feldhahn, bestselling author of *For Women Only* and *For Men Only* *Divorce*. Job loss. Estrangement from family

members. Broken friendships. The difficult circumstances you are dealing with today are likely being fed by one of four emotional forces that compels you to act in undesirable ways, sometimes even against your will. Andy Stanley explores each of these destructive forces—guilt, anger, greed, and jealousy—and how they infiltrate your life and damage your relationships. He says that, left unchallenged they have the power to destroy your home, your career, and your friendships. In *Enemies of the Heart*, Andy offers practical, biblical direction to help you fight back, to take charge of those feelings that mysteriously control you, and to restore your broken relationships. Previously released as *It Came from Within*

Letter to a Child Never Born Verso Books

The specter of the apocalypse has always been a semiotic fantasy: only at the end of all things will their true meaning be revealed. Our long romance with catastrophe is inseparable from the Western hermeneutical tradition: our search for an elusive truth, one that can only be uncovered through the interminable work of interpretation. Catastrophe terrifies and tantalizes to the extent it promises an end to this task. 9/11 is this book's beginning, but not its end. Here, it seemed, was the apocalypse America had long been waiting for; until it became just another event. And, indeed, the real lesson of 9/11 may be that catastrophe is the purest form of the event. From the poetry of classical Greece to the popular culture of contemporary America, *The End of Meaning* seeks to demonstrate that catastrophe, precisely as the notion of the sui generis, has always been generic. This is not a book on the great catastrophes of the West; it offers no canon of catastrophe, no history of the catastrophic.

The End of Meaning asks, instead, what if meaning itself is a catastrophe?

Enemies of the Heart Simon and Schuster

First published in 1999, the groundbreaking *Exile and Pride* is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, *Exile and Pride* pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Exile and Pride Rowman & Littlefield Publishers

Game of Thrones meets *Gladiator* in this blockbuster debut epic fantasy about a world caught in an eternal war, and the young man who will become his people's only hope for survival. ONE OF TIME MAGAZINE'S TOP 100 FANTASY BOOKS OF ALL TIME Winner of the Reddit/Fantasy Award for Best Debut Fantasy Novel *The*

Omehi people have been fighting an unwinnable war for almost two hundred years. The lucky ones are born gifted. One in every two thousand women has the power to call down dragons. One in every hundred men is able to magically transform himself into a bigger, stronger, faster killing machine. Everyone else is fodder, destined to fight and die in the endless war. Young, gift-less Tau knows all this, but he has a plan of escape. He's going to get himself injured, get out early, and settle down to marriage, children, and land. Only, he doesn't get the chance. Those closest to him are brutally murdered, and his grief swiftly turns to anger. Fixated on revenge, Tau dedicates himself to an unthinkable path. He'll become the greatest swordsman to ever live, a man willing to die a hundred thousand times for the chance to kill the three who betrayed him. The Rage of Dragons launches a stunning and powerful debut epic fantasy series that readers are already calling "the best fantasy book in years." The BurningThe Rage of Dragons

[Life as a Unicorn: A Journey from Shame to Pride and Everything in Between](#) North Point Press

With The Rage and the Pride Oriana Fallaci breaks a ten year silence. The silence she kept until September 11's apocalypse in her Manhattan house. She breaks it with a deafening noise. In Europe this book has caused and causes a turmoil never registered in decades. Polemics, discussion, debates, hearty consents and praises, wild attacks. And a million copies sold in

Italy where it still is at the bestsellers' top. Hundreds of thousands in France, in Germany, in Spain: the other countries where it has become the Number one Bestseller. Around a dozen translations will soon appear. With her well-known courage Oriana Fallaci faces the themes unchained by the Islamic terrorism: the contrast and, in her opinion, incompatibility between the Islamic world and the Western world; the global reality of the Jihad and the lack of response, the lenience of the West. With her brutal sincerity she hurls pitiless accusations, vehement invectives, and denounces the uncomfortable truths that all of us know but never dare to express. With her rigorous logic, lucidity of mind, she defends our culture and blames what she calls our blindness, our deafness, our masochism, the conformism and the arrogance of the Politically Correct. With the poetry of a prophet like a modern Cassandra she says it in the form of a letter addressed to all of us. The text is enriched by a dramatic preface in which Oriana Fallaci reveals how The Rage and the Pride was born, grew up, and detachedly calls it "my small book." In addition, a preface in which she tells significant episodes of her extraordinary life and explains her unreachable isolation, her demanding and inflexible choices. Because of this too, what she calls "my small book" is in reality a great book. A precious book, a book that shakes our conscience. It is also the portrait of a soul. Her soul. No doubt it will remain as a thorn pierced inside our brains and our hearts.
