Pratchett delivers a brilliant parody of religion in this early (the 13th) standalone. In the land of Omnia, the great god Om is worshiped and all who don't are subject to the Qquisition - a satire of the political/theological Inquisition. *Small Gods* (Discworld, #13) by Terry Pratchett *Small Gods* is the thirteenth of Terry Pratchett's Discworld novels, published in 1992. It tells the origin of the god Om, and his relations with his prophet, the reformer Brutha. In the process, it satirises religious

institutions, people, and practices, and the role of religion in political life. *Small Gods* - Wikipedia *Small Gods: Discworld #13* (Unabridged) audiobook, by Terry Pratchett...
