Teaching Resources

Excel Comprehension and Written Expression Year 7 is essential for any student wishing to improve their comprehension skills. It allows students to practice skills such as finding facts, making references, isolating relevant information, understanding questions and paragraphs, and using tables of contents, indexes, maps and graphs to find information. The extracts are from a

wide variety of genres to allow students to gain confidence in reading different materials. On several occasions extracts are reused. This is done to demonstrate that different comprehension skills can be developed from the same piece of writing. Comprehension skills are interdependent. As the student's ability to comprehend increases he/she will also be expected to interpret data. This includes the interpretation of information found in charts, in tables and on maps. In this book your child will find: over 60 graded units of stimulating exercises and extracts a wide variety of questions including true or false, multiple choice, short answer and sentence completion extracts from many different literary and factual text types a lift-out

Forty Short Passages for Close Reading, Grade 6 Shell Education
A #1 New York Times Bestseller and Winner of the Caldecott Medal about the remarkable true story of the bear who inspired

Winnie-the-Pooh. In 1914, Harry Colebourn, a veterinarian on his way to tend horses in World War I, followed his heart and rescued a baby bear. He named her Winnie, after his hometown of Winnipeg, and he took the bear to war. Harry Colebourn's real-life great-granddaughter tells the true story of a remarkable friendship and an even more remarkable journey--from the fields of Canada to a convoy across the ocean to an army base in England... And finally to the London Zoo, where Winnie made another new friend: a real boy named Christopher Robin. Before Winnie-the-Pooh, there was a real bear named Winnie. And she was a girl!

Reading Comprehension Skill Builders Frank Schaffer Publications Incorporated

Welcome to the "Fact or Opinion?" workbook! Inside you'll find 68 pages of worksheets to help struggling learners develop the skills of identifying facts and opinions. All kids need to know how to identify whether what they read is a fact or someone's opinion. In this workbook, this vital skill is built incrementally. Early pages focus on thinking about how to prove a fact/opinion and also how to identify the clue words that are indicative of a fact or an opinion. Later levels introduce the concept of false facts. Our workbooks are designed for learners who are working below grade level. Each workbook develops key skills in small, incremental steps that build success for struggling learners, such as those with ASD, ADHD and similar. We understand struggling learners, so our workbooks also have large print, lots of whitespace and minimal distractions.
