So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics™ is the book you've been looking for. This mom-to-mom guide will equip you

to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, "Mess with our kids and we will demolish your arguments"?

Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect. [A Big Bright Feelings Book](#) Zondervan Academic From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach, Ravi Shastri has an incomparable perspective when it comes

to the game of cricket. In Stargazing: The Players in My Life, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or that bruising bowler who went on to become a best friend? What was the most important lesson the legendary Clive Llyod taught him? How does Shastri set aside his

personal bond with Virat Kohli in his role as coach? Full of never-before-revealed anecdotes, Stargazing, co-written with Ayaz Memon and featuring illustrations by Shiva Rao, offers a glimpse into how champions from across the globe have inspired one of the world's greatest ODI players and Team India's most successful Test cricket coach. *Moving from*

We all have doubts that

challenge our faith. We wonder whether the Bible still matters, or whether God is truly as loving and personal as we hope. In his first ever devotional, *The Logic of God*, apologist Ravi Zacharias offers 52 readings that explain how and why Christianity, the Bible, and God are still relevant, vital, and life-changing for us today. To all our dilemmas Ravi says, "I am convinced that Jesus Christ

alone uniquely answers the deepest questions of our hearts and minds." With a remarkable grasp of biblical facts and a deep understanding of the questions that trouble our hearts, Ravi tackles the most difficult topics with ease and understanding . But *The Logic of God* is more than intellectual; it is also personal, offering thoughtful wisdom on: when Jesus draws especially

near you. the deep ray of hope found in God's Word. how God transforms disappointments. why prayer matters. how genuine peace is possible. making sense of suffering. Ravi makes profound biblical truth easy to understand. And if your life is busy, this book is designed for you! It addresses 52 topics that you can read over the course of one year or slowly digest at your own pace.

Each entry includes a Scripture, questions for reflection, and some practical application steps. When you're struggling with questions and doubts, confused, curious, or just want a clearer way to express your faith The Logic of God has answers that satisfy the heart and the mind. *Jesus Among Other Gods* The End of Reason A Response to the New Atheists Break free from the

weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder--to experience God's amazing promise of childlike joy. *The Grand Weaver* Multnomah Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century,

wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character,

Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe? Recapture the Wonder Zondervan  
A ministry resource for motivating all Christians to become thoughtful apologists of their faith  
Although apologetics is as crucial today as it has ever been, the classical model for defending the faith often seems irrelevant to the 21st

century where people listen with their eyes and think with their emotions. Is Your Church Ready? Presents a team of highly qualified Christian thinkers—including Ravi Zacharias, John Guest, Jay Budziszewski, Judy Salisbury, Dean Halverson, and Peter Grant—who build a case for the place of apologetics in the local church, home, and school. Using personal examples and illustrations

<p>they address:          • How to answer objections to Christianity • How to equip children in the home and prepare youth to remain committed to Christ after they leave for college • How to reach international students and the foreign-born Included are discussion questions and a “Church Leaders Resource Guide” to the best books, articles, organizations, and websites on the subject.  <b>Stargazing</b></p>	<p>Zondervan          Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Of the most common approaches to apologetics, which is most effective? The goal of apologetics is to persuasively defend

Christianity against charges of falsehood, inconsistency, or credulity. It's an intellectual discipline that serves to bolster the faith of Christian believers and to aid the task of evangelism, but are some methods more effective than others? Five Views on Apologetics examines the "how-to" of apologetics, putting five prominent techniques under the microscope: Classical - represented

by William Lane Craig

Evidential - represented by Gary Habermas

Cumulative Case - represented by Paul D. Feinberg

Presuppositional - represented by John M. Frame

Reformed Epistemology - represented by Kelly James Clark

Offering a forum for presentation, critique, and defense, this book allows the contributors for the different viewpoints to respond to the

others. Your own informed conclusions can then guide you as you meet the questions of a needy world with the claims of the gospel. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different

positions on a specific issue and form their own, educated opinion. *52 Christian Essentials for the Heart and Mind* MennoMedia, Inc. How to talk about Jesus in a way that connects with modern culture. As followers of Jesus, we know that the good news is deeply attractive. But we often fear that to those on the outside, it comes across as irrelevant or even repellent. Sometimes

the Christian worldview feels so out of step with everything else going on that we don't know how to share our faith. However, author Daniel Strange wants to show you that the connections are there—in fact, the longings that our culture cannot help but express are the very ones that Jesus fulfils. Building on the work of theologian J.H. Bavinck, Dan reveals five recurring themes that

our culture can't stop talking about, or, as he puts it, the "five permanent 'itches' that in our work, rest, and play, we have to vigorously scratch." From TV to books to social media, these are the questions we can't stop asking and the tensions we can't stop wrestling with—and Jesus speaks powerfully into each one. This book will help you to spot these connections in our culture, excite you about how

Jesus makes sense of humankind's deepest questions and longings, apply them to your own life first and then equip you to speak of him to others in a way that is truly magnetic. "Dan Strange has written another terrific, down-to-earth book to help believers engage in fruitful conversations with friends about faith." Dr. Timothy Keller, who has also written the foreword to

this book. *The End of Reason* Multnomah The real face of atheism -- whether disguised in Eastern mysticism or American cynicism -- is despair. A witty and thought-provoking comparison of atheistic and Christian beliefs. Body Politics Zondervan In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to

be true. In the name of “tolerance,” our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. Jesus Among Other Gods provides the answers to the most fundamental claims about Christianity,

such as: Aren’t all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and

passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. “In Jesus Among Other Gods, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today’s leading apologists for the Christian

faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition." — David Aikman, author of Great Souls The Real Face of Atheism Zondervan Binding and loosing, baptism, eucharist, multiplicity of gifts, and open meeting; these five New Testament practices were central in the life of the early Christian

community. Some of them are still echoed in the practice of the church today. But the full social, ethical, and communal meaning of the original practices has often been covered by centuries of ritual and interpretation. John Howard Yoder, in his inimitably direct and discerning style, uncovers the original meaning of the five practices and shows why the recovery of these

practices is so important for the social, economic, and political witness of the church today. **Cold-Case Christianity** Baker Books The End of ReasonA Response to the New AtheistsZonde rvan **The Effective Executive** Vida Pub The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect

storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In *Why Jesus?*, Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series *Out On a Limb*, author James Redfield (*The Celestine Prophecy*), Rhonda Byrne (*The Secret*), Dan Brown (*The Da Vinci*

*Code*), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover

our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity. *Why Atheists Need God to*
