QUINTIN BRODY

A Memoir Hill and Wang

The secure world that I lived in, filled with my grandmother's love, and shared with a host of relatives, fell apart when I was ten years old. My mother, who had always cared for her family, and was the driving force in my world, decided one year, during the greatest season of the year, that she no longer wanted to farm and work in the cotton fields of Mississippi. After discussing her desires and not being able to convince my father to go North, she packed a suitcase, and a few days before my favorite season of the year, she left my father and her five children and went North in search of a better life. "The Whole of My Life, A Personal Memoir" is a book of stories; a reflection of life and its meaning. Come join me, on this personal journey.

Me Penguin

A memoir by the reputed scholar Conor Cruise O'Brien.

One Summer in My Life Little, Brown

Roger Ebert is the best-known film critic of our time. He has been reviewing films for the Chicago Sun-Times since 1967, and was the first film critic ever to win a Pulitzer Prize. He has appeared on television for four decades, including twenty-three years as cohost of Siskel & Ebert at the Movies. In 2006, complications from thyroid cancer treatment resulted in the loss of his ability to eat, drink, or speak. But with the loss of his voice, Ebert has only become a more prolific and influential writer. And now, for the first time, he tells the full, dramatic story of his life and career. Roger Ebert's journalism carried him on a path far from his nearly idyllic childhood in Urbana, Illinois. It is a journey that began as a reporter for his local daily, and took him to Chicago, where he was unexpectedly given the job of film critic for the Sun-Times, launching a lifetime's adventures. In this candid, personal history, Ebert chronicles it all: his loves, losses, and obsessions; his struggle and recovery from alcoholism; his marriage; his politics; and his spiritual beliefs. He writes about his years at the Sun-Times, his colorful newspaper friends, and his life-changing collaboration with Gene Siskel. He remembers his friendships with

Studs Terkel, Mike Royko, Oprah Winfrey, and Russ Meyer (for whom he wrote *Beyond the Valley of the Dolls* and an ill-fated *Sex Pistols* movie). He shares his insights into movie stars and directors like John Wayne, Werner Herzog, and Martin Scorsese. This is a story that only Roger Ebert could tell. Filled with the same deep insight, dry wit, and sharp observations that his readers have long cherished, this is more than a memoir—it is a singular, warm-hearted, inspiring look at life itself. "I believe that if, at the end, according to our abilities, we have done something to make others a little happier, and something to make ourselves a little happier, that is about the best we can do. To make others less happy is a crime. To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems, our health, our circumstances. We must try. I didn't always know this, and am happy I lived long enough to find it out." -from LIFE ITSELF

A Personal Memoir Cooper Square Pub

How do you chronicle a life? Manijeh Badiozamani tells of her life in a series of short stories that offer glimpses of a life lived in two cultures, rich in friends, ventures, and love. Manijeh Badiozamani grew up in Tehran, Iran before moving to the U.S. with her husband over 50 years ago. She is a keen observer of life and easily laughs at her own miscues as she deftly straddles two different cultures. From worrying about a Mafia attack outside O'Hare Airport on their arrival to organizing an office Christmas party years later, the author covers subjects like food, odd American customs, supermarket shopping, kind and generous people, and even her own premature obituary as written by a former student. "This collection of invariably amusing and often heartwarming experiences is like a treasure chest one discovers and opens, and invariably finds a rare gem here or a small trinket there. But the discoveries are always rewarding. The stories range over time and are often told with a gentle irony that will both amuse and enlighten. Each story stands alone, but together they describe a life's journey full of perception, empathy, and great humor." -Dr. Mark David Welton, Professor Emeritus, United States Military Academy at West Point.

My Lucky Life in and Out of Show Business All My Life

A Memoir The popular entertainer looks back on his extensive career,

reminiscing about productions ranging from "The Dick Van Dyke Show" to "Mary Poppins" while describing his relationships with such figures as Carl Reiner and Mary Tyler Moore.

Songs in the Key of My Life Crown

Winner of 2005 Grammy Award for Best Instrumental Composition Winner of 2005 National Medal of Arts Since defecting from Cuba in 1980—and indeed long before that in his native land—Paquito D'Rivera has received glowing praise time and again. A best-selling artist with more than thirty solo albums to his credit, D'Rivera has performed at the White House and the Blue Note, and with orchestras, jazz ensembles, and chamber groups around the world. My Sax Life is the English-language edition of D'Rivera's memoirs, published to acclaim in 1998. Propelled by jazz-fueled high spirits, D'Rivera's story soars and spins from memory to memory in a collage of his remarkable life. D'Rivera recalls his early nightclub appearances as a child, performing with clowns and exotic dancers, as well as his search for artistic freedom in communist Cuba and his hungry explorations of world music after his defection. Opinionated but always good-humored, My Sax Life is a fascinating statement on art and the artist's life. *Aurelia, Aurélia* Createspace Independent Publishing Platform The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the

pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

A Memoir by Carla Olman Peperzak St. Martin's Press

In January 2008, movie star Patrick Swayze was given the worst news of his life. What he hoped was just a stomach ache was actually stage four pancreatic cancer, a diagnosis that is fatal within a year for 79% of the people to whom it is given. Remarkably, Patrick is not just alive a year later but continuing his treatment, and responding well. But this book isn't just the story of Patrick's fight against cancer. In the public eye from the early 1980s, this is the story of a remarkable life and career. Intended as a low budget, straight-to-video production, *Dirty Dancing* became a cult hit and remains one of the most enduring films of the 80s. *Ghost* cemented Patrick as a hugely bankable star, in a role that has had a considerable cultural impact. Most recently Patrick has returned to the public's adoring arms in TV's *The Beast*. This book will chronicle Patrick's personal life as well -- including his treatment for alcoholism following the death of his father and sister's sudden death. What has remained a constant in Patrick's life is his marriage and Patrick and Lisa's love story is inspiring, honest, heartfelt and transcends the typical celebrity marriage. This is a book that anyone who has faced cancer or a terminal illness can turn to: Lisa and Patrick have shown the world that cancer isn't just a diagnosis given to one individual, but a disease that can bring a household together or pull a family apart. Bold, honest and inspiring, Patrick Swayze's memoir is the story

of a remarkable man's life and career and of his refusal to give in.

Obsessed Harper Collins

A NEW YORK TIMES Notable Book of the Year "In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. 'I'm not going to hide behind you anymore,' she says. 'Who are you anyway? You're not me.' Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off."—Anna Quindlen, *The New York Times* Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. "It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn."—*The New York Times* Book Review NOTE: This edition does not include photographs.

Life Univ of South Carolina Press

She was the girl who seemed to have it all, and then she lost it all. Raised by wealthy French parents, she married her first love, fresh out of college in Miami Beach. She followed her handsome Jewish husband back to his native New York, where she thrived in the fashion industry, and quickly became the "it girl" of Mercedes-Benz Fashion Week. She faced her share of challenges: the tragic death of her doting father, an oppressive marriage with a husband increasingly obsessed with orthodox Judaism, and her first born diagnosed on the spectrum of autism. And then her world turned upside down. When federal agents knocked on her door one tragic day, her life changed forever. Accused of internet fraud for selling jeans online, De La Mare-Kenny found herself serving a lengthy sentence in a medium - high security federal prison. She ended up doing time that didn't seemingly fit the

crime. With no way out, she faced the heart wrenching separation from her three small children, the youngest, then just a baby and her oldest facing the debilitating regression of his mental disability. She tells the story of a mother's life-long fight and sacrifice for her children. The agony and the guilt of being ripped away from them, when they needed her the most. Her personal triumph both over the unjust system that imprisoned her and the many tragedies that marred her life. This is a must-read, riveting tale of the harsh life behind bars, where one woman who was unlikely to survive had to dig deep within herself, to find the strength to make her way back to her children. And, against all odds, used her adversities to succeed and propel herself from shackles, to living a charmed life in dreamy Monte-Carlo. -Rev. Tracy L. Clark, Motivational Speaker and Author of *GOD WHERE ARE YOU? IT'S ME.* "I call Ingrid my rags to riches story and I am not just talking wealth. When I met Ingrid, she was on the verge of losing everything. From her home, to her work to her toxic relationship. Ingrid's gift has always been her children. She will protect them at all costs. She truly loves and honors them like no other. In my humble opinion, she knows very well they saved her life on many levels! What makes a soul successful in life is realizing they need to let go of the past emotionally and, embrace the lessons. INGRID DID THIS! A hard day turned into a new beginning. A struggle turned into a gift. A spark of inspiration and creation turned into a passion. She never took no for an answer. -Dara Kaplan, Partner and Co-Founder of the Manhattan and Miami based, Wunderlich Kaplan Communications. Dara has been featured on Forbes, CNN, Fox News, NYPost, Huffington Post, Daily Mail, Inc.com, Elite Daily and more. "It has been truly an honor to watch Ingrid own her truth, rise from ashes, write her destiny, create a brand from the ground up and come to dominate the wellness space. As a branding expert, watching Ingrid so expertly build a tribe of women that have coalesced around and have continuously championed has been nothing short of brilliant and beautiful. She is a true trailblazer and cunning marketer in the digital brand building space. To know Ingrid is to know the personification of perseverance and walking in ones truth."*"Ingrid De La Mare-Kenny truly changed my life for the better. I was immediately intrigued by her charisma, warmth, unapologetic attitude. She has helped me and continues to be such a mentor to me. Not only is she one of my best friends, she

also has a huge community full of women who TRUST her. This industry needs her- her book is an absolute gem. Ingrid's adversity has given her depth & relatability which the reader will feel throughout the book. Anyone who reads it will be immediately inspired while feeling her warmth .- Lauryn Evarts Bosstick, Author of *The Skinny Confidential: A Babe's Sexy Sexy, Sassy Fitness and Lifestyle Guide* and Co-Host of entrepreneurial podcast, *The Skinny Confidential HIM & HER* featured in *SHAPE, Women's Health*

[A Memoir about a Mother's Loss and Grief](#) AuthorHouse

The popular singer and former UNICEF Goodwill Ambassador shares the story of his life and career, from his impoverished childhood in Harlem and Jamaica and his racial barrier-breaking career to his commitment to numerous civil causes.

[All But My Life](#) Northwestern University Press

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

[WHERE HAVE I BEEN ALL MY LIFE? - A MEMOIR](#). Corgi

From the Emmy-winning creator and writer of *All My Children* and

One Life to Live, a memoir of her trailblazing rise to the top of the television industry, including behind-the-scenes stories from some of the most beloved soaps of all time. Before there was Erica Kane, Adam Chandler, or Victoria Lord, there was Agnes Nixon, a young girl who dreamed up stories for paper dolls. Those tales she imagined--ones filled with ambitions, rivalries, and romances--would soon parallel her own path to success. In a memoir filled with as much drama as the soaps she penned, Nixon shares her journey from Nashville to New York City, as she overcomes the loss of her fiancé in World War II, a father intent on crushing her writing dreams, and the jealousy of her male colleagues on her way to becoming one of the most successful names in television. While fans will delight in Nixon's own incredible life, they will also love her behind-the-scenes insight into her most popular shows. Inside, she shares the inspiration for Erica Kane and how she cast Susan Lucci in the role; an excerpt from the never-before-seen *All My Children* story bible; entertaining anecdotes about her shows' beloved casts and special guests, including Carol Burnett, Kelly Ripa, Oprah Winfrey, and Warren Buffett; and more. *But My Life to Live* is also a portrait of a pioneer. Driven to use her ratings power for good, Nixon fought and broke network taboos by wrestling with controversial social issues ranging from women's health, interracial relationships, and the Vietnam War to drug addiction, LGBT rights, and AIDS. By infusing her characters with sensitivity, humor, and humanity, she enabled millions to examine an opposite point of view. And long before Shonda Rhimes launched a golden age of female showrunners, Agnes Nixon positioned ABC to become the media giant it is today. She is a true television legend, and her candid and inspiring glimpse behind the curtain of the television industry will charm soap fans and story lovers alike.

How I Became the Queen of Soaps When Men Ruled the Airwaves Ballantine Books

A powerful pioneer in opera and music recounts her struggles and triumphs Founder and long-time director of the Opera Company of Boston and the first woman to conduct the Metropolitan Opera, Sarah Caldwell was one of America's best known and most adventurous conductors and opera directors. Her career spanned her wildly successful and innovative productions of classical operas such as *Offenbach's Voyage to the Moon*, *Don Quixote*, and *Madama Butterfly* to projects like "Making Music Together,"

which in 1988 brought together musicians and composers from the Soviet Union and the United States. Caldwell's work earned her many honorary degrees and she received the National Medal for the Arts from President Clinton in 1997. *Challenges* is based on a series of interviews Rebecca Matlock conducted over a period of three years before Caldwell's death in 2006. This intimate memoir gives us Caldwell's perceptions in her own unique, indomitable voice.

[A Posthumous Memoir](#) Atria Books

One half of the Righteous Brothers describes his life, from entering amateur singing contests, his R&B influences, to pioneering the "blue-eyed soul" group whose "You've Lost That Lovin' Feelin'" was named as the most-played song of the twentieth century. 40,000 first printing.

[My Life with The Doors](#) Post Hill Press

When Susan Lucci and *All My Children* were introduced to the world in 1970, American television changed forever. Susan's character, the beautiful, spirited, and mercurial Erica Kane, was an original--the first vixen viewers loved to hate. But while millions have enjoyed getting to know Erica's many sides, the woman who played her has remained a mystery. In her long-awaited memoir, this very private actress, wife, mother, daughter, grandmother, sister, friend, and entrepreneur pulls back the curtain to reveal her story. As charming, down-to-earth, and compelling as the woman whose story it tells, *All My Life* shines a spotlight on one of our most popular stars and reminds us of the power of dreams and how we can find the courage and tenacity to make them come true. This edition contains a new chapter about the landmark final season of *All My Children*.

[Fighting for My Life](#) Grand Central Publishing

A New Yorker writer revisits the seminal book of her youth--*Middlemarch*--and fashions a singular, involving story of how a passionate attachment to a great work of literature can shape our lives and help us to read our own histories. Rebecca Mead was a young woman in an English coastal town when she first read George Eliot's *Middlemarch*, regarded by many as the greatest English novel. After gaining admission to Oxford, and moving to the United States to become a journalist, through several love affairs, then marriage and family, Mead read and reread *Middlemarch*. The novel, which Virginia Woolf famously described as "one of the few English novels written for grown-up people,"

offered Mead something that modern life and literature did not. In this wise and revealing work of biography, reporting, and memoir, Rebecca Mead leads us into the life that the book made for her, as well as the many lives the novel has led since it was written. Employing a structure that deftly mirrors that of the novel, *My Life in Middlemarch* takes the themes of Eliot's masterpiece--the complexity of love, the meaning of marriage, the foundations of morality, and the drama of aspiration and failure--and brings them into our world. Offering both a fascinating reading of Eliot's biography and an exploration of the way aspects of Mead's life uncannily echo that of Eliot herself, *My Life in Middlemarch* is for every ardent lover of literature who cares about why we read books, and how they read us.

The Men in My Life Random House

"The best book yet about The Doors." --Booklist Now available as an ebook for the first time...the inside story of the Doors, by cofounder and keyboard player Ray Manzarek. Includes 16 pages of photos. "A refreshingly candid read...a Doors bio worth opening." --Entertainment Weekly No other band has ever sounded quite like the Doors, and no other frontman has ever transfixed an audience quite the way Jim Morrison did. Ray Manzarek, the band's co-founder and keyboard player, was there from the very start--and until the sad dissolution--of the Doors. In this heartfelt and colorfully detailed memoir, complete with 16 pages of photographs, he brings us an insider's view of the brief, brilliant history...from the beginning to the end. "An engaging

read." --Washington Post Book World

My Sax Life Penguin

An all-access, firsthand account of the life and music of one of history's most beloved bands--from an original mastering engineer at Abbey Road Geoff Emerick became an assistant engineer at the legendary Abbey Road Studios in 1962 at age fifteen, and was present as a new band called the Beatles recorded their first songs. He later worked with the Beatles as they recorded their singles "She Loves You" and "I Want to Hold Your Hand," the songs that would propel them to international superstardom. In 1964 he would witness the transformation of this young and playful group from Liverpool into professional, polished musicians as they put to tape classic songs such as "Eight Days A Week" and "I Feel Fine." Then, in 1966, at age nineteen, Geoff Emerick became the Beatles' chief engineer, the man responsible for their distinctive sound as they recorded the classic album *Revolver*, in which they pioneered innovative recording techniques that changed the course of rock history. Emerick would also engineer the monumental Sgt. Pepper and Abbey Road albums, considered by many the greatest rock recordings of all time. In *Here, There and Everywhere* he reveals the creative process of the band in the studio, and describes how he achieved the sounds on their most famous songs. Emerick also brings to light the personal dynamics of the band, from the relentless (and increasingly mean-spirited) competition between Lennon and McCartney to the infighting and frustration that

eventually brought a bitter end to the greatest rock band the world has ever known.

A Memoir Simon and Schuster

A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act "normal," the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths.
