The Case for Life: Equipping Christians to Engage the Culture "The real conflict over cosmology is not between religion and science-- it's between religion and materialism, between those who think that religious truth is both real and knowable and those who think that science explains everything." — Scott Klusendorf, The Case for Life: Equipping Christians to Engage the Culture. The Case for Life Quotes by Scott

As Scott Klusendorf writes in The Case for Life: Equipping Christians to Engage the Culture: The question of truth and the question of human value are driving our national debates on abortion, cloning, and embryonic stem cell research (ESCR). The debates are contentious because they involve deep worldview commitments...
