THE SUNDAY TIMES BESTSELLER SHORTLISTED FOR SPORTS AUTOBIOGRAPHY OF THE YEAR AT THE 2020 TELEGRAPH SPORTS BOOK AWARDS. BEN STOKES: WINNER OF THE 2019 BBC SPORTS PERSONALITY OF THE YEAR AWARD 'He is the Special One, and I intend to call him that for the rest of his career' Sir Ian Botham, Daily Telegraph 'There are not enough superlatives to describe Ben Stokes' Nasser Hussain, Daily Mail 'The undisputed hero of English cricket' The Times Early evening on Sunday 14th July 2019. Lord's Cricket Ground in London. Something unprecedented had just happened: England had won the Cricket World Cup for the very first time since the tournament's inception in 1975. At the epicentre of England's historic triumph was Ben Stokes, the talismanic all-rounder with an insatiable appetite for The Big Occasion. He contributed a critical 84 runs off 98 balls when England batted, a seemingly nerveless innings of discipline and maturity. Thrillingly, it

was enough to tie the scores at 241 runs each, so the match reverted to a Super Over - just six balls for each side to bat in the ultimate in sporting sudden-death. Stokes and Jos Buttler saw England to 15 runs off their over. When it was finally confirmed that Martin Guptill had been run out off the very last ball of New Zealand's Super Over with the scores level once again, England had astonishingly won on the boundary count-back, and the nation could finally breathe again. Early evening on Sunday 25th August 2019. A sun-drenched Headingley in Leeds. Having been bowled out for just 67 earlier in the Third Test, England were facing the prospect of failing to regain the Ashes. In their second innings England were still 73 runs short of victory with a solitary wicket remaining. Australia were near certainties to retain the Ashes there and then. Cue one of the most amazing innings ever witnessed as Ben Stokes thrashed the Australian bowlers to all corners of the ground, in the process scoring 135 not out, driving England to a barely-believable one-wicket victory, and keeping the series very much alive. The nation took another breath. On Fire is Ben Stokes' brand new book, and in it he tells the story of England's electrifying first ever Cricket World Cup triumph, as well as this summer's momentous Ashes Test series. It is the

ultimate insider's account of the most nerve-shredding but riveting three-and-a-half months in English cricket history.

Shaka Rising Macmillan Publishers Aus.

What if you discovered that you come from an ancient family of Shadow Chasers, with a duty to protect others from an evil Army of Shadows. Nom is an outsider at school. When she and Zithembe become friends, life still seems - well - a little ordinary. But when an army of monsters threatens their world, it's all up to the two of them and the start of a journey into the dreamworld on a quest that will change their lives. Powers of the Knife is the first book in the Shadow Chasers trilogy. It's an African fantasy adventure, one part family saga, one part hero's quest.

How to use Strategic Learning to rapidly respond to change and gain a sustainable advantage over your competitors What's even harder than creating a breakthrough strategy? Making it stick. As companies are fighting to survive in a tough economy, this new book by Willie Pietersen demonstrates the power of the Strategic Learning process, a four-step dynamic cycle guaranteed

to create and sustain winning performance. Adopted by a wide range of corporations and not-for-profit organizations, the Strategic Learning process builds on eight years of practicing, adapting and honing the original concepts Pietersen first introduced in Reinventing Strategy to explain how organizations can generate superior insights about their customers and competitors, craft a Winning Proposition, focus on a vital few key priorities, create buy-in throughout the organization and achieve success – again and again. Teaches organizations to make smarter decisions that help them win customers and earn superior profits Explains how to instill a culture of openness, learning, and courage that can face and respond to the constantly changing business environment Is a tool that can benefit leaders at all levels, in organizations both large and small, global and domestic, for-profit and not-for-profit Author Willie Pietersen, a former president of Tropicana and Seagram USA, is a professor of management at Columbia Business School, and the author of Reinventing Strategy, from Wiley Strategic Learning shows you how your business or nonprofit organization can develop better, more effective strategies for long-term competitive advantage. *Power Play* [Headline Home](#)

Former One Direction band member Zayn Malik is releasing his first autobiography, which will include personal photographs and drawings, presenting his own story so that fans "can judge me on my own terms, not on what the press or anyone else says."

[Captain Cool](#) Random House India

'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne This is cricket icon, Sachin Tendulkar's life story in his own words - his journey from a small boy with dreams to becoming a cricket god. His amazing story has now been turned into a major film, A Billion Dreams, in which he stars. The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Crossing the Boundary Pan Macmillan

He was the greatest batsman of his generation and, as captain, possessed the sharpest tactical mind in the game. Bursting onto the scene in 2004 with a Test century on debut, Michael Clarke was Australian cricket's golden boy. And the batting prodigy they nicknamed 'Pup' certainly fulfilled his destiny in a stellar 11-year international career of 115 Tests, 8643 runs and 28 centuries. Clarke's rollercoaster four-year reign as Test captain was marked as much by bravery as brilliance - a 5-0 whitewash of England in 2013-14, the 2015 World Cup triumph, and a ten-hour unbeaten 161, batting with a broken shoulder to lead Australia back to the #1 world ranking in 2014. Yet Michael Clarke also sparked fiercer debate than any other Australian sports star. For a decade his personal life, career fortunes and controversies - real or imagined - were splashed across front pages and scrutinised. Was he simply a hard-working, western suburbs kid living every Aussie boy's dream? Or a 21st century cricketer mired in all the trappings of celebrity? In the echo chamber of social media, the truth about Michael Clarke was warped, then lost. Clarke's enigma deepened but he kept his mouth shut and his dignity intact, knowing the chance to tell his extraordinary story would finally come. And now it has. My Story is the real Michael Clarke, standing up and speaking out for the first time. Bucking the conventions of traditional biography to go hard at the big issues, Clarke speaks fearlessly and poignantly about the scandals, rumours and explosive moments of his life; revealing the amazing truths, private pain and personal triumphs

that no one realised. It's the incredible story of a remarkable Australian you never really knew. Until now.

From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach, Ravi Shastri has an incomparable perspective when it comes to the game of cricket. In Stargazing: The Players in My Life, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or that bruising bowler who went on to become a best friend? What was the most important lesson the legendary Clive Llyod taught him? How does Shastri set aside his personal bond with Virat Kohli in his role as coach? Full of never-before-revealed anecdotes, Stargazing, co-written with Ayaz Memon and featuring illustrations by Shiva Rao, offers a glimpse into how champions from across the globe have inspired one of the world's greatest ODI players and Team India's most successful Test cricket coach.

A startling and powerful journey to the very core of India's illegal bookmaking industry that exposes the scale of corruption and the match-fixing that now runs rife throughout world cricket. For several years Ed Hawkins made friends with India's illegal bookmakers - men who boast turnover of hundreds of millions of dollars per cricket match - as well as the corruption officers of the International Cricket Council who are trying to shut them down. It's a shady world and rumours abound. But then Hawkins receives a message that changes everything and he decides it is time to expose the truth behind match-fixing. Bookie Gambler Fixer Spy is a story featuring politicians, governing bodies, illegal bookmakers and powerless players - as well as corruption, intimidation and even suicide. It is a story that touches all cricket-playing nations around the world. It is a story that every cricket fan must read. You might never again watch a cricket match without suspicion...

A charismatic young warrior prince emerges from exile to usurp the old order and forge a new, mighty Zulu kingdom.

Oor 'n motorfiets, 'n zombieflik Penguin Random House South Africa

Matthew Hayden was one of the most commanding batsmen the game has ever seen - and one of its great enigmas. A religious man and a ruthless on-field sledger. A brutal enforcer, and a soft-hearted family man. Australian record-holder for highest score in Tests and One Day Internationals, who was at times troubled by self-doubt and doubters. In Standing My Ground Hayden confronts these contradictions head-on. He talks frankly about the forces that shaped his journey from fringe international to a giant of the game, and takes us on a privileged tour inside the sporting machine that dominated all comers in a golden age of Australian cricket. This isn't a predictable ball-by-ball account of a stellar career. Instead, Hayden delivers a characteristically direct assessment of the matches and the people that mattered most. He opens up on umpires, the media, superstitions, teammates and opponents with disarming honesty and humour. The country boy from Kingaroy rose to greatness in the cricket world. Here is the superstar batsman, the surfer, fisherman and chef in a book as bold and powerful as the man himself.

[Alastair Cook Memoir](#) AOSIS

Jonathan Trott was England's rock during one of the most successful periods in the team's history - he scored a century on debut to clinch the Ashes in 2009, and cemented his position as their pivotal batsman up to and beyond the team's ascendancy to the number 1 ranked test team in 2011. Yet shortly after reaching those heights, he started to crumble, and famously left the 2012-13 Ashes tour of Australia suffering from a stress related illness. His story is the story of Team England - it encompasses the life-cycle of a team that started out united by ambition, went on to achieve some of the greatest days in the team's history but then, bodies and minds broken, fell apart amid acrimony. Having seen all of this from the inside, Jonathan's autobiography takes readers to the heart of the England dressing room, and to the heart of what it is to be a professional sportsman. Not only does it provide a unique perspective on a remarkably successful period in English cricket and its subsequent reversal, it also offers a fascinating insight into the rewards and risks faced as a sportsman carrying the hope and expectation of a team and a nation. And it's a salutary tale of the dangers pressure can bring in any walk of life, and the perils of piling

unrealistic expectations on yourself.

[Wian Verwey het 'n crush op my](#) Penguin UK

From English cricket's embarrassing failure at the 2015 World Cup to their heart-stopping victory four years later, Nick Hoult and Steve James vividly describe the team's dramatic journey from abject disappointment to finally lifting the trophy. Morgan's Men reveals how the team became the most aggressive limited-overs side in the world, led by their inspirational captain Eoin Morgan, whose vision and determination to succeed captured the imagination of the nation. Hoult and James follow England's journey from Bangladesh to Barbados, from Melbourne to Manchester, to present the inside story of the team's rebirth. They tell us how players dealt with the Ben Stokes court case, the sacking of Alex Hales for a drugs ban, and reveal the innovative new strategies and tactics that helped them become the best in the world, culminating in a World Cup final that was arguably the greatest one-day match of all time.

[AB de Villiers - The Autobiography](#) John Wiley & Sons

In this witty and uplifting book Mylène Desclaux speaks tenderly and honestly about turning 50 and what it means for herself and for the other women in her entourage. 'By the time we're 50, we've generally done all the important things - career, family. Now we can re-centre and discover a new energy within ourselves. It's our time to blossom - we reprogramme gently. We revitalise. We realise that we are the mistresses of our own lives... The desire to do battle disappears. We feel calm. And we know we're going to have time to make the most of it, life being very long...' With acerbic French humour she distils the essence of getting the most out of your middle age and gives advice on everything from: * Relationships * Sex * Fashion * Dating * Skincare * Friendships * Kids * Beauty In WHY FRENCH WOMEN FEEL YOUNG AT 50 you will learn how to take pleasure from the simple things in life and how to make the most of your fifties, the Parisian way.

The magical illustrations of the antics of Leopard and Lion by Tamsin Hinrichsen will keep all children entranced"--Publisher's website.

Strategic Learning Cover2Cover Books

This book disseminates original research on learning in and from practice in pre-service teacher education. Authors such as Lederman and Lederman describe the student teaching practicum (or work-integrated learning [WIL]), which is an essential component of pre-service teacher education, as the 'elephant in the room'. These authors note that 'the capstone experience in any teacher education programme is the student teaching practicum... [a]fter all, this is where the rubber hits the road'. However, many teacher educators will agree that this WIL component is sometimes very insufficient in assisting the student teacher to develop their own footing and voice as a teacher. This is the 'gap' that this research book addresses. Most of the chapters in the book report empirical data, with the exception of two chapters that can be categorized as systematic reviews. WIL is addressed from various angles in the chapters. Chapter 6 focuses on research related to what makes Finnish teacher education so effective, and in Chapter 4 researchers of the University of Johannesburg disseminate their findings on establishing a teaching school (based on Finnish insights) in Johannesburg. Chapter 3 highlights the challenges faced in open-and distance learning teacher education contexts. Several of the chapters disseminate research findings on alternative interventions to classic WIL, namely, where "safe spaces" or laboratories are created for student teachers to learn and grow professionally. These could either be simulations, such as software programmes and avatars in the intervention described in Chapter 2; student excursions, as the findings in chapters 5, 7 and 10 portray; or alternative approaches to WIL (e.g. Chapters 11 and 12). The book is devoted to scholarship in the field of pre-service teacher education. The target audience is scholars working in the fields of pre-service teacher education, work-integrated

learning, and self-directed learning. The book makes a unique contribution in terms of firstly its extensive use of Cultural-Historical Activity Theory as a research lens, and secondly in drawing on various theoretical frameworks. Both quantitative and qualitative research informed the findings of the book.

Kougom in my hare New Africa Books

Described by the media as 'the David Beckham of cricket', Kevin has become the poster boy for English cricket. But he is also in possession of a prodigious talent - fearless, bold and with unflappable nerves. His unique batting style has produced hundreds of runs and many outstanding innings, culminating in his extraordinary triumph at the 2005 Ashes. Yet with the highs, come the lows, and he gives his version of events during the 2006/07 Ashes when England were defeated by

Australia. *Crossing the Boundary* recounts Kevin's remarkable journey so far - from growing up in his native South Africa and the opposition he faced from the national cricket board; his move to England and burgeoning career at Hampshire to winning a place on the England team. It provides a rare insight into the mind of an international cricketer, on and off the pitch. Reflecting his youthful charisma and his bullish confidence, this is a sporting memoir like no other. Full of personal anecdotes and insight from numerous sporting legends such as Shane Warne, Ian Botham, and Nasser Hussain, this is the riveting story of one of the most significant cricketers of our time.

Michael Clarke John Wiley & Sons

'That day I cried like a baby not because I feared what cancer would do but because I didn't want

the disease. I wanted my life to be normal, which it could not be.' For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book *The test of my life*, he reveals how—plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—*The test of my life*—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.
