## PHOEBE AUBREE

Master Publications

The autobiography of international karate instructor, Seamus O'Dowd. The book chronicles his journey, over a period of thirty years, from complete novice to high-ranking and respected international instructor. Simple, humorous and heart-warming, the book will inspire and entertain martial artists of all levels.

Pro-Systems: The Basic Use of 5 Weapons Adam's Shotokan Karate Books

Okinawan G?j?-Ry? Karate-Jutsu Concepts & Philosophy This book is intended to help better understand the Okinawa Goju Ryu System of karate as it was originally intended by exploring the old to understand the new (???? Onkochishin).The bok is a guide towards understanding the Classical (Koryu? ??) Goju-Ryu (???) Karate Jutsu (???) (not Karate-do ???) Kata and System from the Kenshikai lineage perspective starting with the premise that the Goju-Ryu System is a Concept-Based System and furthermore is a self-defense-based system influenced in application of

concepts found in Southern Chinese Boxing (Quanfa ??) specifically by White Crane Boxing, but also includes other animal systems as incorporated into the various Katas.

**Karate Jutsu** Createspace Independent Publishing Platform

Describes the fundamental techniques and maneuvers of karate and illustrates nineteen different forms

The Art of Ju-jutsu Createspace Independent Publishing Platform

In the practice of karate, throughout the world and all levels, there is one sure constant - the Kata. These formal sequences of karate techniques form the basis of all proper practice, and their range in degree of difficulty means that they can be taught throughout a student's career. This new edition, which first appeared as two separate volumes, covers the first thirteen Shotokan Kata: Heian Shodan, Heian Nidan, Heian Sandan, Heian Yondan, Heian Godan, Tekki Shodan, Bassai-Dai, Empi, Sochin, Jion, Hangetsu and Nijushiho. Fully illustrated with photographs of each move, the accompanying text explains each sequence fully and clearly with a thorough investigation of the Kata's 'bunkai' or application. The authors concentrate not only on physical conditioning, but also on the correct mental and spiritual attitude. Complete with an exploration of the historical

background and development of the Kata, this book will prove indispensable to all students of karate.

**The Triangle of Life** Kodansha International

Gichin Funakoshi is a legendary figure and the founder of Shotokan karate, the most popular style of Japanese karate, with millions of practitioners worldwide. In *The Essence of Karate*, Funakoshi creates, in his own words, a narrative of modern karate. He explains the philosophical and spiritual underpinnings and includes memories of his own training, as well as recollections of other karate masters and the history of the martial art. He also discusses the importance of winning without fighting, and the reason why many great martial artists improve with age. The preface has been contributed by Hirokazu Kanazawa, President of the Shotokan Karate-do International Federation (and Funakoshi's disciple). He fondly writes of his memories of Gichin Funakoshi during his youth and what he learned from the master. In the afterword, the founder's great-nephew, Gisho Funakoshi, shares previously unknown personal anecdotes about his "Uncle Funakoshi."

Modern Tales of Old Valhalla Meyer & Meyer Verlag

*The Essence of Okinawan Karate-Do* presents the teachings of legendary martial arts master

Shoshin Nagamine, founder of the Matsubayashi school of Shorin-ryu karate-do. Used for generations as a practical and pictorial guide, it contains over 1,000 photographs to document eighteen classic karate kata (preset forms) and seven yakusoku kumite (prearranged partner exercises), as well as basic techniques. This book is a precise and easily accessible pictorial guide to performance and perfection of traditional karate. The only book in English with photos of one of the great prewar masters demonstrating the proper execution of Okinawan karate, *The Essence of Okinawan Karate-Do* is a bridge between karate's legendary past and the practitioners of today. This ingenious and imaginative text explains the historical landmarks in the development of style, vividly outlines its leading forms and techniques, and recalls noted Okinawan karate men of the past, including the author's teachers Ankichi Arakaki, Choki Motobu, and Chotoku Kyan.

**Legend of the Fist** Xlibris Corporation

Ginchin Funakoshi was the founding father of the principles and techniques of karate in Japan. This is the original text of Master Funakoshi's first exposition of Okinawan karate. The text elucidates his teaching and training methods, while the photographs show Funakoshi demonstrating kata. **Basic Principles (English edition)** Karate Jutsu The Original Teachings of Gichin Funakoshi This comprehensive translation of the *Bubishi*—the ancient manual of karate—is the most complete available. Karate historian and authority Patrick McCarthy spent over ten years researching and studying the *Bubishi* and the arts associated with it. The English translation of this remarkable tome includes numerous explanations and notes. McCarthy's work also includes groundbreaking research on Okinawan and Chinese history, as well as the fighting and healing traditions that developed in those countries, making it a gold mine for researchers and practitioners alike. For the final word on the true origins and spirit of classic Okinawan martial arts, one need look no further. No other classic work has had as dramatic an impact on the shaping and development of karate as the *Bubishi*.

*Bojutsu The Matsumoto System* Lulu.com

A translation of an early book on Okinawan Karate. Reprints the Japanese book with an English translation and notes on the opposite page. Also includes a translation of The Ten Articles of Karate by Anko Itosu as well as a poem on Karate by Funakoshi Gichin.

*The Kata and Bunkai of Goju-Ryu Karate* North Atlantic Books

The father of karate-do describes his life of devotion to the practices and spirit of the ancient martial art and his contributions to its modern-day evolution

**SHOTOKAN KARATE: PRACTICAL COMBAT KARATE FOR THE STREET** Tuttle Publishing

This introduction to karate teaches both the physical training and the mental philosophy necessary for karate mastery. The book also provides the complete history of karate.

*The Enigma of Karate Kata* Createspace Independent Publishing Platform

At long last we are pleased to announce that the 3rd edition of the 1932 Motobu Choki publication, "Watashi no Karate-jutsu," is finally completed thanks only to the assistance and co-operation of many kind people. The publication is approximately 182 pages in the same size and format as our Funakoshi Gichin publication, *Tanpenshu*. Here, in this small but provocative publication, lies yet another milestone in the legacy of Karate. "Watashi no Karate-jutsu" ("My Art of Karate"), introduces comprehensive insights into a fighting tradition as known and taught by one of its early Okinawan innovators, Motobu Choki (1870-1944). One of only two books he ever published on the art it is not widely known in modern karate circles or outside the spectrum of those who research its history. Straightforward in its approach, this modest work outlines those unique methods that made Motobu Choki, pound for pound, possibly the greatest technician and karate fighter of his generation. One mistake the modern Karate-ka often makes, when trying to grasp the technical ambiguities surrounding the application of early karate practices, is to depend on contemporary assumption. This small but powerful book provides a window through which the reader is better able to perceive the cultural landscape and social mind-set of those people who shaped its practice. What could possibly improve a reader's overall understanding of the art more than walking in the footsteps of those people most responsible for pioneering it? Great people should never be forgotten, if only to remind us of the potential latent in ourselves. By studying the anthropology of this tradition it becomes evident that many of the early pioneers established a symbiosis with karate so that their lives became as much a product of the art as was the art a product of their lives. Researched and translated by Patrick & Yuriko McCarthy

**Koryu Goju Ryu Karate Jutsu** Kodansha Amer Incorporated

Karate Jutsu The Original Teachings of Gichin Funakoshi Kodansha Amer Incorporated  
*Jujutsu 1913* Random House

"*Bunkai-Jutsu*" is the analysis of the karate katas and their application in real combat. It is also the title of this pioneering book by Iain Abernethy. The fighting applications of the karate katas (forms) is one of the most fascinating and sadly misunderstood aspects of karate practice. *Bunkai-Jutsu* provides the reader with the information they need to unlock the "secrets" of kata and to begin practising karate as the complete and realistic combat art that it was intended to be! This groundbreaking and often controversial book provides a detailed analysis of the combative concepts and principles upon which the katas are based. 'Bunkai-Jutsu' is essential reading for all those who want to understand the real meaning of kata.

**Bubishi** Kodansha International

My book contains grammatical mistakes, and for that I am deeply sorry. This is the first book in a series, which is intended to examine the links between Shotokan Karate and the three teachings - Daoism, Confucianism and Buddhism. The book deals with Heian Shodan (aka Pinan Shodan) and the rest of Heian katas. We can learn a lot from the Chinese origins of Karate. Daoism (Taoism) in particular has been forgotten in modern times, as a tool for understanding Karate and improving it. There are very practical conclusions that we can come to, using Daoism. In order to achieve that, we must develop a deep understanding of the Heian katas using Chinese philosophy. The book explains how Yin and Yang and the Five Elements (Wuxing) theories are connected to the Heians. We especially concentrate on the Wood Element, which is the element of Heian Shodan, and has profound implications on the kata. Topics from Traditional Chinese Medicine (TCM) are brought up, including the relations between the basic katas and the organs and meridians. Then we turn to Emotional Karate, and observe the psychological benefit, that one could derive from Karate. Karate can contribute to our mental well-being. And our state of mind, as proven, affects our body - including chronic pains. After understanding the distinguishing qualities of Heian Shodan, we can understand why it is a particularly good kata for releasing a repressed anger. As for other issues: Some techniques are presented, in order to improve the kata and our benefit from it. We also learn how other katas may recuperate Heian Shodan. A mathematical formula of the five Heians is suggested, with an application to Heian Shodan's movements. Other Shotokan katas are also mentioned - as well as specific Karate moves and stances. Finally, we warn about excessiveness, and explain how to prevent it. By the way, several interesting topics are discussed: the far and the relatively modern history of Karate and of other martial arts, our Karate ancestors and even Chinese and Japanese characters and words. In conclusion, although the book deals with Chinese philosophy, it has many very applicable sides.

*The British National Bibliography* Fox Chapel Publishing

"Legend of the Fist" is a wonderful compilation of Japanese-to-English translations, surrounding rare and original works by early Okinawan Karate pioneers, carried out by Patrick and Yuriko McCarthy over the past thirty years. It is a totally unique book of knowledge filled with insightful wisdom and a plethora of vintage photos that is sure to bring you closer to understanding both the original Okinawan art and its early personalities.

**Mind Body Spirit** Lulu Press, Inc

Fitness... Mapped! This book takes you inside the world of martial arts on a fantastic journey of overall fitness. Karate is a form of self-defence technique that requires a good balance between the body and mind. The word 'karate' means playing 'empty-handed'. So apart from physical power, one needs to learn various playing tactics to have a cutting edge over the others. Through this book, one can learn the basic ways of playing karate and the rules governing it. The 'Enjoy being a Karateka' section covers a comprehensive research on Karate tactics, and it is sufficient enough to make you understand the basic moves and enjoy the game. 'Youth's choice of Karate' section provides insights about 21st-century expectations for a 360-degree makeover. Discover karate, kata, kihon, kumite, food, technology, career and much more through this book. Use the grid system where every square content has a unique message coordinating with the subject to ensure that your journey is exciting, educative and fun. You can also use the websites to expand your knowledge and motivate you towards healthy living. The book also has amazing facts, texts, images, infographics, statistics and theories, written and checked by experts. Draw the progress and achievements of karate. The topics covered in this book are Karate Fundamentals, Karate History, Fitness, Karate Organisation and Karate Ingredients.

**The Teachings of Kenshikai G?j?-Ry?** Lulu.com

The origins of Karate are shrouded in mythology and a book that tells the art's complete history is both necessary and timely. Author Simon Keegan is a 5th Dan black belt recognised by some of Japan's oldest and most venerable sanctioning bodies

*Valley of the Damned* The Wykeham Press

Articles focus on the history, training and discipline, and philosophy of the martial arts, and stress their common elements.

**The Secret Art of Pressure Point Fighting** Kodansha International

Valley of the Damned Epic Martial Arts/Allegorical Life Poem Close ranks and join in Battle Royal far beyond all human sensibilities with Valley of the Damned as the tenacious tome engages the worldwide Forces of Evil for all of humanities sake! Valley is an action-adventure martial-arts story and is designed as an interactive karate kata, a mirror, a Zen meditative rock garden, a mandala, a guide to the classical Underworld, a strategic soul-map and life-labyrinth in which to see yourself and the "musing's upon" humanity of the great and awesome "Celestial Powers That Be." Pilgrim, if you're going to ride with those three killer-phantoms, best saddle up and strap in, because they are looking for you! Poem Info: For millennia, Epic poems have been some of the world's most powerful sources of inspiration, capturing the high essence of gods, heroes, romances, glories, tragedies and monsters. From Homer's *Odyssey* to The *Aeneid*, Arthur and Beowulf, and from Gilgamesh to The Mahbhhrata and The Divine Comedy, these larger than life tales transcend time, revealing to humanity our innermost secrets, dreams and nightmares. Conveying a deep sense of the mystical, Epics carry with them a sweeping sense of life in the fullest measure, as men and women of renown stand tall against the backdrop of history and destiny, our present and future being firmly rooted in the past . . . Valhalla! Norse gods, spirits of war, shades, swordketeering pallorous ghost traces, soulpires, jowling grunting pigmen and slaving wolveweres, spectres, wraiths, banshees and other mind-lacerating night-haunting creatures of untold dread all come together in this Epic action-packed, martial arts adventure never before heard of tale on earth The Valley of the Damned! In this, the "Forgotten tale that no one knows, except those who enter therein," all are invited to venture into the exotic, serrating, unseen Netherworld of the dead, where fragmented remnants of driven spirits contend with each other for power and control over kingdoms, unspeakable legions of fallen shades, and the most prized possession of all the immortal human soul! Ride now with three killer-phantoms on their quest to pursue the vainglorious sneering karate movie superstar Mark Theman for his soul the despised arrogant human whom all spirits desire to capture for their own sinister purposes! Trail the perpetual teenage Valkyrie Kari, mass-battle artist, known for her mesmerizing psychotically poetic-sword skills and who will confront "any and all never odd or even" risks to win. Shadowing her is the jackal-like Angel-Heart, amoral sword-slinging duelist who always dogs her, never missing an opportunity to exploit and track with Dark Storm, merciless bounty huntress who will stop at nothing in order to seize the power that Theman possesses his soul's living human aura! Based upon the works of cinematic masters such as Japanese director Akira Kurosawa (*The Seven Samurai*, 1954) and Italian director Sergio Leone (*The Good, the Bad and the Ugly*, 1966), Valley is constructed as a movie. Words, sentences and stanzas function as camera shots for full lucid visual impact, pulling readers in and out of their own self-made focal mindset realizations of delight or horror that can only but belong to their own innermost soul-searching intertwined personal Netherworlds! From the mortal aspect, what is covered in the Epic is a survey of the modern American martial arts scene. A study of souls in action, readers may recognize that Valley is a social commentary, allowing insight into the deadly, bizarre, icy undercurrents and riptides of the unseen "Martial Art Deadlands" the Field of Mar that many trod today, as must the bloody countless who are yet to come. Rich in visual and audio description and replete with scores of villainous and heroic spirits, Valley is an outrageous tale of valor and woe, bravery and cowardice of damnation and redemption played out on an immense spiritual killing field where spectral phantoms are tried and tested in the fires of their (and our) own passions. In Valley readers will: Enter the grotesque Market of the Soul where long-lost warriors screech and claw in vain to recapture their former glory! Sit with the great Warlords of all climes, times and dimensions and listen to Motion-Effectrix Artifex St. Kari of the Blade, Val-kid extrasordinaire spin inspirangular tales of gallantry as Evil lurks about waiting to devour the unwary and then follow her into glaringly-beyond hellishly lunacidal pitched battle Join with Mark Theman, the ruthless, scheming martial arts film star as he desperately attempts to retrieve his long-lost soul before it is hurled headlong into the deepest Abyss of Hell! Ensnare doomed pitiful souls with the implacable bounty hunting phasma-revenant Dark Storm in her bid for supreme power over millions and the coveted throne of Asgard! Follow the hell-hound packin' cold mercenary Angel-Heart as he, like a goodly razor-sharp Ginsu kitchen knife scrupulously cutting away as seen on eleven o'clock at night TV, slices and dices the damned on his way up to become the top blade in the grisly Mortuus! Valley is laced with

myth/hist notes from the world over. (S)wordplay and inter-twistorted tales chorridor and pierce the Epic. Elusive mind-resonances, shadowy mental focal lengths, pale thought-illusions, intangible swirling emotion-pools, insubstantial spring-loaded will-traps, grasplless snaring barbed-wired

realizations, sharp-cornered soul-fading mirages and spiritually bleak sucking quicksands nigh unto dimensions invisibled labrinth readers down into the inner sanctums of her lores; devilering them up to the uncanny, disturbing veiled Nether and the grim, macabre obliquitious secrets she brings

to dark! Valley culminates in a superlative modern legend that will stir the imaginations of those hearts who desire a bold, soul-searching undertaking into the rhapsodic core of their own Heavenly stratums or the dankest helks of their own stark raving mad personal Hells! Good Luck Hunting!
