Finding Peace After a Breakup, Divorce, or Death ReadHowYouWant.com
 For decades, Louise Hay has helped people throughout the world discover and implement the full potential of their own creative powers for personal growth and self-healing. In this single volume, you will find three of her most beloved books: • You Can Heal Your Life is a true classic, with millions of copies in print worldwide. Louise's key message here is that "if we are willing to do the mental work, almost anything can be healed." She explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking . . . and improve the quality of your life. • In *Heal Your Body*, Louise describes the methods she used to cure herself of cancer, which will help you discover patterns in your own health conditions that reveal a lot about yourself. It offers positive new thought patterns to replace negative emotions, an alphabetical chart of physical ailments with their probable causes, and healing affirmations so you can eliminate old patterns. • *The Power Is Within You* expands on Louise's philosophy of "loving the self" and shows you how to overcome emotional barriers through learning to listen to your inner voice, loving the child within, and letting your true feelings surface. In these pages, Louise encourages you to think of yourself positively and be more accepting of—and grateful for—who you are. The Essential Louise Hay Collection is the perfect read for anyone seeking insights into the mind-body connection, as well as for those who want the pleasure of finally having their favorite Louise Hay books together in one convenient volume!

"Whenever there is a problem, repeat over and over: All is well. Everything is working out for my highest good. Out of this situation only good will come. I am safe." In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from *Heal Your Body*. *All Is Well* brings together Louise's proven affirmation system with Mona Lisa's knowledge of both medical science and the body's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, *All Is Well* separates the body into seven distinct groups of organs—or emotional centers—that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine, affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life.

All is Well Hay House, Inc

Louise L. Hay, bestselling author, is an internationally known leader in the self-help field. Her key message is: "If we are willing to do the mental work, almost anything can be healed." The author has a great deal of experience and firsthand information to share about healing, including how she cured herself after being diagnosed with cancer. What we think about ourselves becomes the truth for us. I believe that everyone, myself included, is responsible for everything in our lives, the best and the worst. Every thought we think is creating our future. Each one of us creates our experiences by our thoughts and our feelings. The thoughts we think and the words we speak create our experiences.

"Colors and numbers have a lot of significance for us. We each have our own personal number vibrations and personal color vibrations. Some of these numbers, such as our date of birth, are permanent. We also have temporary personal colors that change with the calendar. By consciously surrounding ourselves with our personal colors, we become more in tune with the cosmic forces. Colors and numbers are useful to our lives and attitudes. They may form a basis for our affirmations and declarations about ourselves, which is exactly the purpose of this book. May every Colors & Numbers day be a joyous one for you!" — Louise L. Hay

You Can Create An Exceptional Life Hay House, Inc

Best-selling author Louise L. Hay has spent her life teaching people that their thoughts create their lives, and she has written numerous books for adults that have helped them discover their own self-worth. Similarly, Louise has always believed that if children could learn the power of their thoughts early on, their journey through life would be happier and more rewarding, with fewer struggles along the way. In this new book, Louise teaches boys and girls about the importance of affirmations—the thoughts and words we use in our daily lives that express what we believe to be true. Within these pages, there are wonderful examples of kids turning "negative" thoughts such as worry, anger, and fear into positive words and actions that express joy, happiness, and love. There are also tips that show children how they can apply affirmations to their daily lives. Vibrant illustrations and simple text make these concepts easy to understand for even the youngest child. Parents and children will have so much fun learning about the power of positive affirmations and what a difference they can make!
