The Letter Keeper Thomas Nelson

Winner of the American Library Association's Asian/Pacific American Award for Literature For readers of *The Librarian Of Auschwitz*, *This Light Between Us* is a powerfully affecting story of World War II about the unlikeliest of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda In 1935, ten-year-

old Alex Maki from Bainbridge Island, Washington is disgusted when he's forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a boy. In spite of Alex's reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. But nothing can dispel the light between them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Nurses on the Medical Front Anchor

"When Maggie opened her eyes that New Year's Day some seventeen months ago, I felt like I could see again. The fog lifted off my soul, and for the first time since our son had died and she had gone to sleep—some four months, sixteen days, eighteen hours, and nineteen minutes earlier—I took a breath deep enough to fill both my lungs." Life began again for Dylan Styles when his beloved wife Maggie awoke from a coma. A coma brought on by the intense two-day labor that resulted in heartbreaking loss. In this poignant love story that is redolent with Southern atmosphere, Dylan and Maggie must come to terms with their past before they can embrace their future.

Under the Banner of Heaven Thomas Nelson

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless

came to die is the unforgettable story of Into the Wild.

Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism

takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

The Sequel to The Dead Don't Dance Thomas Nelson

In 1997, Charles Frazier's debut novel *Cold Mountain* made publishing history when it sailed to the top of The New York Times best-seller list for sixty-one weeks, won numerous literary awards, including the National Book Award, and went on to sell over three million copies. Now, the beloved American epic returns, reissued by Grove Press to coincide with the publication of Frazier's eagerly-anticipated second novel, *Thirteen Moons*. Sorely wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His trek across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. At the same time, the intrepid Ada is trying to revive her father's

derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves their stories, *Cold Mountain* asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving.

The Mountain Between Us Thomas Nelson

In the idyllic hill country of Sri Lanka, a young girl grows up with her loving family; but even in the midst of this paradise, terror lurks in the shadows. When tragedy strikes, she and her mother must seek safety by immigrating to America. There the girl reinvents herself as an American teenager to survive, with the help of her cousin; but even as she assimilates and thrives, the secrets and scars of her past follow her into adulthood. In this new country of freedom, everything she has built begins to crumble around her, and her hold on reality becomes more and more tenuous. When the past and the present collide, she sees only one terrible choice. From Nayomi Munaweera, the award-winning author of *Island of a Thousand Mirrors*, comes the confession of a woman, driven by the demons of her past to commit a single and possibly unforgivable crime. Praise for *Island of a Thousand Mirrors*: "The paradisiacal landscapes of Sri Lanka are as astonishing as the barbarity of its revolution, and Munaweera evokes the power of both in a lyrical debut novel worthy of shelving alongside her countryman Michael Ondaatje or her fellow writer of the multigenerational immigrant experience Jhumpa Lahiri." - Publishers Weekly "The beating heart of *Island of a Thousand Mirrors* is not so much its human characters but Sri Lanka itself and the vivid, occasionally incandescent, language used to describe this teardrop in the Indian Ocean." - The New York Times Book Review
