SIMS MCDANIEL

The Hungry Brain Clever Fox Publishing
 “Hunger is the loudest voice in my head. I’m hungry most of the time.” William Leith began the eighties slim; by the end of that decade he had packed on an uncomfortable amount of weight. In the early nineties, he was slim again, but his weight began to creep up once more. On January 20th, 2003, he woke up on the fattest day of his life. That same day he left London for New York to interview controversial diet guru Dr. Robert Atkins. But what was meant to be a routine journalistic assignment set Leith on an intensely personal and illuminating journey into the mysteries of hunger and addiction. From his many years as a

journalist, Leith knows that being fat is something people find more difficult to talk about than nearly anything else. But in *The Hungry Years* he does precisely that. Leith uses his own pathological relationship with food as a starting point and reveals himself, driven to the kitchen first thing in the morning to inhale slice after slice of buttered toast, wracked by a physical and emotional need that only food can satisfy. He travels through fast food-scented airports and coffee shops as he explores the all-encompassing power of advertising and the unattainable notions of physical perfection that feed the multibillion dollar diet industry. Fat has been called a feminist issue: William Leith’s unblinking look at the physical consequences and psychological pain of being an overweight man charts fascinating new territory for everyone who has ever had a craving or counted a

calorie. *The Hungry Years* is a story of food, fat, and addiction that is both funny and heartwrenching. I was sitting in a café on the corner of 3rd Avenue and 24th Street in Manhattan, holding a menu. I was overweight. In fact, I was fat. Like millions of other people, I had entered into a pathological relationship with food, and with my own body. For years I had desperately wanted to write about why this had happened — not just to me, but to all those other people as well. I knew it had a lot to do with food. But I also knew it was connected to all sorts of outside forces. If I could understand what had happened to me, I could tell people what had happened to them, too. Right there and then, I decided that I would do everything to discover why I had got fat. I would look at every angle. And then I would lose weight, and report back from the slim world. —Excerpt from *The Hungry*

Years

Death by Toilet Paper Astra Publishing House

It's been five years since the Mason family vacationed at the lakeside cottage in northeastern Vermont, close to where prize-winning novelist Samuel Mason grew up. The summers that Sam, his wife, Mena, and their twins Franny and Finn spent at Lake Gormlaith were noisy, chaotic, and nearly perfect. But since Franny's death, the Masons have been flailing, one step away from falling apart. Lake Gormlaith is Sam's last, best hope of rescuing his son from a destructive path and salvaging what's left of his family. As Sam struggles with grief, writer's block, and a looming deadline, Mena tries to repair the marital bond she once thought was unbreakable. But even in this secluded place, the unexpected--in the form of an over-zealous fan, a surprising friendship, and a second chance--can change everything. From the acclaimed author of *Two Rivers* comes a compelling and beautifully told story of hope, family, and above all, hunger--for food, sex, love and success--and for a way back to wholeness when a part of oneself has been lost forever. Praise For T. Greenwood's *Two Rivers* "A dark and lovely elegy, filled with heartbreak that turns itself into hope and forgiveness. I felt so moved by this luminous novel." --Luanne Rice, New York Times bestselling author "T. Greenwood's writing shimmers and sings. . ." --Marisa de los Santos, New York Times bestselling author of *Belong to Me* and *Love Walked In* "A memorable, powerful work." --Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Greenwood is a writer of subtle strength, evoking small-town life beautifully while spreading out the map of Harper's life, finding light in the darkest of stories." --Publishers Weekly "A sensitive and suspenseful portrayal of family and the ties that bind." --Lee Martin, author of *The Bright Forever* and *River of Heaven* "A haunting story. . .Ripe with surprising twists and heartbreakingly real characters. . .remarkable and complex." --Michelle Richmond, New York Times bestselling author of *The Year of Fog* and *No One You Know* "A complex tale of guilt, remorse, revenge, and forgiveness. . . Convincing. . . Interesting. . ." --Library Journal "Two Rivers is the story that people want to read: the one they have never read before." --Howard Frank Moshier, author of *Walking to Gatlinburg*
Time to Pee! Board Book UNM Press
Hunger is the number-one health problem in the world. In this informative volume, readers will learn the causes of hunger,

who is affected and where, what solutions are available, and how changes can be made to combat this pernicious problem. "Look to the Past" boxes highlight key events and people throughout the history of hunger. "Science Solutions" boxes offer thought-provoking options about how science might provide life-changing answers to some of the most difficult problems faced in feeding the hungry. "Countdown!" boxes provide statistics that put the need for fast, effective, and lasting solutions to hunger in perspective.

Annual Report Random House Books for Young Readers
The bliss of colonial rule transformed a once prosperous Bengal into a state of pauperization. Recurrent Famine became a unique characteristic under the good governance of British rule. From 1765 to 1947 the country had witnessed numerous famines which perished more than 60 million Indians. among these Bengal witnessed three deadly famines which perished around 17 million people. Who was responsible for this destitution? Who was to blame? It was not an act of God, it was Imperial Holocaust or British Colonial Holocaust.

The Hungry 5 Hyperion Books for Children

The creator of *Goodnight Goon* and *The Runaway Mummy* pulls from his mad-scientist brain a kid so attracted to slime, muck, dirt, and yuck he could only be called Icky Ricky. Uh-oh! Icky Ricky is in trouble and has a lot of explaining to do. Why? Well, you see . . . He did his homework on cheese slices, but got hungry and ate them. He had his friends over for a sleepover . . . on the bedroom ceiling. Harry, Icky Ricky's favorite hot dog, just landed in his dad's toolbox. The town bully, Mean Dean, is looking to pound whoever lost his remote-controlled car. Was is Icky Ricky? Icky Ricky is up to his eyebrows in mayhem--and in ick! "Icky Ricky proves to be a satisfying new hero for readers who are ready for a more expansive view of the world than that offered by Dav Pilkey's *Captain Underpants* series. . . Readers will easily conclude that Ricky is awesome!"--BooklistOnline "Hits the gross-out sweet spot."--Kirkus "I thoroughly enjoyed these books, and I look forward to more icky adventures from young Ricky."--Nick Bruel, author of *Bad Kitty*
Toilet Kid Createspace Independent Pub
The Hungry Hills is a collection of thirty-two true stories about real hillbillies. The

tales take place in a semi-autonomous region located on either side of a dogleg of the Ozark Mountains. The natives of the region descend Tennessee and Kentucky pioneering men who were shorn of birthright and therefore forced to move westward in search of wild game and security. Some arrived in the wild upper reaches of the Ozarks just ahead of U.S. Marshals. These hillbillies are about as friendly a bunch of citizens that can be found any place. They may not pay taxes, or believe in gainful employment, but then they don't expect handouts from anybody either, especially the Government.

What would you do when you have to take sides, apportion blame? You want to cry for the innocent, but you cannot decide who is guilty. Thus Mahesh begins to recount to three strangers he meets his obsession with an ill-fated couple. Skeptical, then intrigued, Arvind bookseller, recently married, stifled by yet comfortable in a joint family, banker Ranjan surface polish, seething passions; and Dev Reddy disenchanting left-wing editor desperate for immortality will interpret Mahesh's confession according to their own insecurities and fantasies, pushing each to actions that will alter their lives and their dear ones irrevocably. Mahesh too will not be the same again. Set

in Mumbai of the 1990s, the layered tale is both a commentary on urban Indians coping with the surging tides of globalization, the weight of memory, and the universal search for self-worth and identity in sedentary societies unsettled by rapid change.

House & Garden Kensington Publishing Corp.

River of God is an introduction to world missions aimed at undergraduate students. However, the readers will soon discover that the book is rich in its content far beyond the editors' original plan. It serves as a reader for people with various levels of missiological interest and competence and deals with cutting-edge issues in missions. This book introduces a new paradigm, Kingdom Missiology, which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament. The first half of the book looks at Kingdom Missiology from the biblical, historical, and cultural dimensions. The second half of the book describes helpful strategies in the implementation of this paradigm. The importance of urban ministry is woven throughout the book. Contributors: Ashley Barker, Gina Bellofatto, Kendi Howells Douglas, Robert Douglas, Todd Johnson, Robert Kurka, Janice Lemke, Paul McAlister, Mark Moore, Doug Priest, Greg Pruet, Mike Sweeney, Bill Weber, Donovan Weber, Linda Whitmer, and Tetsunao Yamamori

The Very Hungry Parasite Genius Book Publishing

Hungry? Need lunch? Want the perfect food to impress your girlfriend? Then you need to see Matt, because Matt has an amazing talent. It's called ...

Tuckshop. Matt a.k.a. 'The Tuckshop Kid' is back! And he's smaller than ever! He's lost weight, is sort-of enjoying exercise and is going out with the perfect girl, Kayla, who loves food as much as he does. He can hardly believe his luck. But when Matt uncovers Kayla's secret, he realizes that no one is perfect and sometimes problems can take on a life of their own. From the author of the award-winning book *The Tuckshop Kid* comes the companion adventure about food, friendship and finding your way.

Toilet: How It Works iUniverse

The zombies are here. An accidental outbreak of a mutated virus unleashes hundreds of the undead on the sleepy town of Flat Rock, Nevada. Now, Sheriff Penny Miller must use her wits, grit, and damn near all of her ammunition to endure the arrival of zombies. Sheriff Miller quickly finds herself leading a vicious biker named Scratch, her ex-

husband Terrill Lee, and a unit of incompetent National Guardsmen to safety. At their heels is Colonel Sanchez, the wicked Army commander who is pursuing Miller to gain the special powers the virus has given her. With a gang of murderous bikers on their tail and surrounded by slobbering hordes, Sheriff Miller must do what she does best: Aim for the brain! "THE HUNGRY is a zombie thriller loaded with sex and smarts. A real nail-biter that brings a new weapon to bear in apocalyptic fiction: Hope. Highly recommended." —Jonathan Maberry, NYT Times bestselling author of *Dust & Decay* and *Dead of Night* "If you're craving an apocalyptic horror novel that's not just wall-to-wall action but balls-to-the-wall intense, Steven W. Booth and Harry Shannon have cooked up a real treat for you. I would say *The Hungry* will leave you totally satisfied, but that's not true: Readers will be howling for more more MORE just like the hordes of insatiable zombies rampaging through this book." —Steve Hockensmith, author of *Pride and Prejudice and Zombies: Dawn of the Dreadfuls* "You don't know what gut-churning page-flipping horror really is until you read this one. *The Hungry* combines the storytelling power of the big commercial thriller with many new twists on standard zombie fiction. A real winner." —Ed Gorman, author of *The Dark Fantastic* and *Cage of Night* "From the opening line, I loved it. I loved how complete it felt. It had so many great elements working for it - the small town setting; the two powerful main characters, as different as they could be, nearly every word between them charged with sexual tension; the satisfying stalemate as neither one gets exactly what they want, but rather what they need. A great story, and for a zombie fan like me, it pressed all the right buttons." —From the Introduction by Joe McKinney, author of *Dead City* and *Flesh Eaters*

I Want to Eat Your Poo Random House Books for Young Readers

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Rocket and Groot: Stranded on Planet Strip Mall! Simon and Schuster

Fans of Louis Sachar will welcome the adventures of a contest-crazed seventh grader who uses his wits and way with words in hopes of winning a big cash prize to help his family avoid eviction. Benjamin is about to lose a whole lot more than good toilet paper. If he doesn't make tons of money fast by selling candy bars and winning contests—like the Royal-T Bathroom Tissue slogan contest—his family will get kicked out of their

apartment. Even with his flair for clever slogans, will Benjamin be able to win a cash prize large enough to keep a promise he made to his dad before he died? Or will he lose everything that matters to him? Praise for *Death by Toilet Paper* "Readers can't help but enjoy this heartening book about hanging in there."—Kirkus Reviews "Ben is a character kids will root for."—Publisher's Weekly "Would make a fine classroom readaloud."—The Bulletin **I Want To Eat Your Poo** Firefly Books You loved the popular picture book, and now it's your turn to bring it to life! *I Want to Eat Your Poo*, the tale of a talking toilet and the not-quite-potty-trained Timmy, is now a coloring book! Join in the fun! Little Timmy doesn't go potty in the toilet, and he has no plans to start. A hungry toilet in his home reaches out to Timmy to explain that toilets depend on poo to survive, and that it's wrong to throw it away. Will Timmy conquer his fear to save a toilet's life? Find out inside!

Reading for the food -- Rome -- Fooding the Bible -- The debate over dinner -- Mimesis, metaphor, embodiment.

The Hungry Woman Victoria University Press

Imagine infants free from painful diaper rash, new parenthood without thousands of dollars wasted in diapering costs, toilet training that is natural and noncoercive, and, most important, happier babies and parents As Christine Gross-Loh reveals in her progressive, enlightening book, all this is possible and more. Infants are born with the ability to communicate their need to "go," just as they communicate hunger or sleepiness. Gross-Loh, a mother of two children who were diaper-free at eighteen and fifteen months, uses the tenets of "elimination communication," or EC, to teach parents how to identify and respond to their baby or toddler's natural cues. Unlike the all-or-nothing approach of some parenting books, *The Diaper-Free Baby* addresses three categories of parents: full-time, part-time, and occasional EC'ers. Parents can practice EC as much or as little as fits their family and lifestyle. A support group within a book, *The Diaper-Free Baby* also includes inspiring testimonials throughout every chapter. Parents who have successfully practiced EC identify common struggles, share experiences and problem-solving tips, and provide encouragement for those new to the technique. Their motivational stories together with Gross-Loh's practical advice will appeal to all parents interested in a fresh alternative to traditional toilet training.

The Angkor Abduction Macmillan

Tyler and Tilly are toilets at school who make mischief one night when they sneak out of the bathroom in search of a bite to eat.

Hungry Ghosts Princeton University Press
After battling deadly space piranhas in Sector 7 of the Cosmos, Rocket and Groot crash-land on a planet made up of strip

malls, maniacal robots bent on customer service, and killer toilets - yes, killer toilets! Told through the eyes of Rocket, the Adventures of Rocket and Groot will feature simple black-and-white drawing throughout, as Rocket uses a space stylus to express his adventures, visually, while

Veronica, their space recording companion, lays out the adventure in text! Granted, the drawings are done by a space Raccoon with a bad attitude, but what would happen if he gave Groot a shot to draw an adventure they had been on? what would we get? We'll find out in the final chapter!
