A Novel Campfire

A powerful true story about a Muslim doctor's service to small-town America and the hope of overcoming our country's climate of hostility and fear. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In 2013, Ayaz Virji left a comfortable job at an East Coast hospital and moved to a town of 1,400 in Minnesota, feeling called to address the shortage of doctors in rural America. But in 2016, this decision was tested when the reliably blue, working-class county swung for Donald Trump. Virji watched in horror as his children faced anti-Muslim remarks at school and some of his most loyal patients began questioning whether he belonged in the community. Virji wanted out. But in 2017, just as he was lining up a job in Dubai, a local pastor invited him

to speak at her church and address misconceptions about what Muslims practice and believe. That invitation has grown into a well-attended lecture series that has changed hearts and minds across the state, while giving Virji a new vocation that he never would have expected. In *Love Thy Neighbor*, Virji relates this story in a gripping, unforgettable narrative that shows the human consequences of our toxic politics, the power of faith and personal conviction, and the potential for a renewal of understanding in America's heartland.

DC Comics Ultimate Character Guide New Edition Dark Horse Comics

“‘Utthisht Bharat,’ he said, and in that magical moment I felt that the river, the trees, and the sky...were saying, ‘Utthisht Bharat.’ I got up, never to look back or have doubts again.” Just as the Bharata of yore responded to the Lord’s call to rise up from dejection, to fulfill his glorious destiny, this modern day Bharat too rises up from the pits of despair and defeat, to set out steadily on his appointed path of duty. Bharat, an IITian,

with a management degree from IIM, had a ‘successful’ innings in the corporate world, with overseas postings too. Having acquired a substantial bank balance, he has the urge to set up a business in rural India, which will bring greater profits to the farmers. Predictably, he is ruthlessly pushed out, and systematically ruined by the vested interests that feel threatened. Deep in despair, he gets help from a most unexpected quarter, a poor tribal snake charmer, known as Nagbaba... A gripping tale of how he comes out from the mires of debt and ruin, to rise up again, wiser but undeterred from his chosen path... A story of modern India, the two Indias of the cities and the villages... the urban, educated, elite youth with modern knowledge from science and technology, and the illiterate people of the forests, who have the wealth of wisdom passed down from centuries... the development of cities, which takes place at the cost of the proliferation of slums... the two different cultures that coexist in mutual wariness and mistrust...
