 Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic

elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

NorthStar Longman

NorthStar: Building Skills for the TOEFL(R) iBT: Advanced, by Linda Robinson Fellag (Series Editors: Frances Boyd and Carol Numrich) is published in cooperation with ETS. Pearson Longman

and ETS combine their expertise in language learning and test development to create an innovative approach to building the skills assessed in the new TOEFL(R) Internet-based test (iBT). Each text features \*Ten thematic units to develop academic skills in English while building test-taking confidence \*Integrated skill practice to develop critical thinking and communicative competence \*Authentic TOEFL(R) iBT practice sets created by ETS especially for this series \*Practical tips to sharpen test-taking strategies \*Teacher's Manuals with evaluation tools to track students' progress and actual student responses (speaking and writing) at all score levels Available in Intermediate, High Intermediate, Advanced levels. Use NorthStar: Building Skills for the TOEFL(R) iBT with the integrated skills series NorthStar to build a strong foundation for success on the TOEFL(R) iBT. (ETS, the ETS logo, and TOEFL are used registered trademarks of Educational Testing Service (ETS), used under license by Pearson Longman.)

**Reading and Writing, Advanced Writing** Allyn & Bacon Northstar, now in its third edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the strands Reading and Writing and Listening and Speaking provide a fully integrated approach for students and teachers.

**Listening and speaking. Level 1** Allyn & Bacon Explore fascinating content while building language competence and critical thinking skills. The best-selling NorthStar series offers two strands: a reading and writing strand and a listening and speaking strand. Both strands stimulate students' imagination, encourage critical thinking, and promote personal expression. *Reading and writing* Longman

Northstar, now in a new edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the two strands -- Reading and Writing and Listening and Speaking -- provide a fully integrated approach for students and teachers. What is Special about the New Edition? New Themes and Updated Content -- presented in a variety of genres and in authentic materials -- challenge and engage students intellectually. Enhanced Focus on Academic Skills, more purposeful integration of critical thinking, and an enhanced focus on academic skills such as inferencing, synthesizing, notetaking, and test taking help students develop strategies for success in the classroom and on standardized tests. A structured approach gives students opportunities for more extended and creative oral practice, for example, presentations, simulations, debates, speeches, public service announcements and more. A New Design with full color pages, more photos, illustrations, and graphic organizers fosters student engagement and makes the content come alive. MyNorthStarLab, the easy-to-use online companion of the NorthStar series, saves time and improves student results. Saves Time With automatically graded exercises for every unit of each book, instructors no longer have to create or grade homework. This gives them more time to prepare classroom lessons. Instructors can choose exercises and set due dates with just a few clicks. Homework for an entire semester can be set up in less than an hour. Improves Results Students have more opportunities to practice English in more ways -- from video exercises and audio discussion boards to vocabulary games and academic practice. These new exercises help students learn more English, more quickly. Immediate feedback on their performance allows students to come to class better prepared. If students do not pass a section of a unit test, they automatically receive new exercises targeting areas that need improvement. The MyNorthStarLab Access Code card is also available on its own, without the Student Book.

Advanced NorthStar Listening and SpeakingAdvanced

Practical training in listening and speaking for the CAE.

*El-Hi Textbooks & Serials in Print, 2003* Longman Publishing Group

The NorthStar video program includes ten engaging video segments, including segments from ABC News, featuring topics correlated to the themes in the NorthStar 4 listening and speaking, and reading and writing, student books. Each video segment is from 2 to 5 minutes long and incorporates key vocabulary from the student books. The DVD guide contains unit-by-unit video scripts, as well as vocabulary for comprehension and background notes to enhance the accessibility and enjoyment of the video material. Each of the ten video segments has an optional corresponding video activity that is designed for students to use in class before, during, and after viewing the video. The activities can be downloaded from the NorthStar companion website.

NorthStar Listening and SpeakingAdvancedPrentice Hall

*Advanced Listening and Speaking* Cambridge University Press

A four-level skills series for adults and young adults Learners can develop the skills they need to use English confidently wherever they are - at home, at work, travelling, studying or just in social situations with English-speaking friends. This edition comes without answers.

**Reading and writing, advanced** Barrons Educational Services Explore fascinating content while building language competence and critical thinking skills. The best-selling NorthStar series offers two strands: a reading and writing strand and a listening and speaking strand. Both strands stimulate students' imagination, encourage critical thinking, and promote personal expression.

*NorthStar* Oxford University Press, USA

Raise the Issues helps advanced students develop critical thinking skills as they gain insight into American Attitudes and values. It combines original broadcasts from NPR® with authentic articles from publications such as The New York Times, The Atlantic Monthly, and the International Herald-Tribune to present differing viewpoints on contemporary topics. Each of the ten units provides stimulating content that integrates listening, reading, speaking, and writing. As students clarify, interpret, and evaluate ideas from the material, they improve their command of sophisticated vocabulary and complex structures. The third edition features five new units on topical issues such as international adoptions, immigration, alternative energy, and the place of sports in higher education. See also: Face the Issues, Third Edition Consider the Issues, Third Edition

*Advanced : Focus on Listening and Speaking* Allyn & Bacon

NorthStar, now in its third edition, motivates students to achieve in their academic as well as their personal language goals providing a fully-integrated approach in five levels with two complementary strands: Reading and Writing and Listening and Speaking.

#### **NorthStar** Allyn & Bacon

Northstar, now in its third edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the strands Reading and Writing and Listening and Speaking provide a fully integrated approach for students and teachers.

#### **Listening and Speaking** Prentice Hall

NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series. Components: Print or eText Student Book with MyEnglishLab — Building on the success of previous editions, NorthStar continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of print and online content. eText with MyEnglishLab — Offering maximum flexibility for different learning styles and needs, a digital version of the Student Book can be used on iPad and Android devices. MyEnglishLab: NorthStar — Students use MyEnglishLab to access additional

practice online, view videos, listen to audio selections, and receive instant feedback on their work. Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook. Teacher Resource eText — Each strand of NorthStar has an accompanying Teacher Resource eText with the following: digital Student Book, downloadable achievement tests, classroom audio, lesson planners, video activities, videoscripts, teacher's manuals, answer keys, and a downloadable placement test. Accessible through MyEnglishLab: NorthStar. Classroom Audio CD — Listening and Speaking audio contains the recordings and activities as well as audio for the achievement tests. The Reading and Writing strand contains the readings on audio.

#### *NorthStar Advanced Student Book Listening/Speaking Middle East Edition for Pack* Pearson Education ESL

In this book, the students explore content while building language competence and critical thinking skills. 'NorthStar' offers two strands - a reading and writing strand and a listening and speaking strand. Both strands stimulate students' imagination, encourage critical thinking, and promote personal expression.

#### *An Integrated Approach to Critical Thinking (Student Book and Classroom Audio CD)* Allyn & Bacon

Advanced Level NorthStar is an innovative five-level, integrated-skills series for learners of English as a Second Language or English as a Foreign Language. The series is divided into two strands: listening/speaking and reading/writing. There are four books in each strand, taking students from Basic to Advanced. The two books at each level explore different aspects of the same contemporary themes such as the effect of food on mood, experimental punishments for juvenile offenders, the role of cars in modern life, privacy in the workplace, and alternative medicine. The parallel books in each strand are linked by grammar and vocabulary as well, providing the opportunity to recycle and reinforce the language while the content remains fresh and exciting.

#### *NorthStar Advanced Teacher's Manual Reading/Writing Middle East Edition* Pearson Education ESL

With NorthStar, Second Edition (Series Editors: Frances Boyd and Carol Numrich), students explore fascinating content while building language competence and critical thinking skills. The best-selling NorthStar series, now in its Second Edition, offers two strands: a reading and writing strand and a listening and speaking strand. Both strands stimulate students' imagination, encourage critical thinking, and promote personal expression.
