Administrative Behavior book by Herbert A. Simon
 Administrative Behavior Herbert A Simon
 Administrative Behavior: a Study of Decision-Making Processes in Administrative Organization is a book written by Herbert A. Simon (1916–2001). It asserts that "decision-making is the heart of administration, and that the vocabulary of administrative theory must be derived from the logic and psychology of human choice", and it attempts to describe administrative organizations "in a way that ...

 In Herbert A. Simon " In his influential book Administrative Behavior (1947), Simon sought to replace the highly simplified classical approach to economic modeling—based on a concept of the single decision-making, profit-maximizing entrepreneur—with an approach that recognized multiple factors that contribute to decision making. According to Simon, this theoretical framework provides a ...
