Describes how the

secret wisdom tradition
known as the cabala
can provide guidelines
for reaching the
universe of light that
practitioners believe
exists beyond the
everyday world.

The Kabbalah

Unveiled The Power of Kabbalah This Book Contains the Secrets of the Universe and the Meaning of Our Lives "A masterpiece. The rich tradition of the Kabbalah comes to life in a language that is accessible even to those unfamiliar with this ancient and classic tradition." —Caroline Myss, Ph.D., New York Times bestselling author of *Anatomy of the Spirit* Mystics are adventurers of the spirit who dare to push beyond the boundaries of orthodox tradition to pursue a common goal—the direct experience of God. *Kabbalah: Key to Your Inner Power* explores the once-secret Jewish mystical tradition known as Kabbalah. With intriguing new perspectives, it shows how we can use

Kabbalah's extraordinary revelations about the creation of the universe, our relationship to God and our purpose in life to unlock our own spiritual power. It brings to life the path of the Jewish mystics—their joys and ecstasies, their sacred visions, and their practical techniques for experiencing the sacred in everyday life. Includes 36 illustrations, 19 charts and diagrams, pronunciation guide." *El poder de la Kabbalah / The Power of Kabbalah* Llewellyn Worldwide The world is full of sex manuals instructing the reader on the ins and outs of great sex, but these tend to focus on only one aspect; the physical mechanics.

According to Kabbalah, the key to fulfilling sex lies in self-awareness, not simply technique. The Kabbalah Book of Sex is a ground-breaking guide by acclaimed author and teacher Yehuda Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit. Through the ancient wisdom revealed here, the floodgates of passion and desire will open wide. Your sex will become the truly sacred connection it was always meant to be.

The Way

ReadHowYouWant.com
Based on the belief that Kabbalah should be lived, not merely

studied, Living Kabbalah draws on Yehuda Berg's popular workshops and courses to introduce the Transformation Formula: a four-step system readers can use to realize their potential for greatness through the ancient wisdom of Kabbalah. Interlaced with an engaging blend of inspiration and motivation, Living Kabbalah teaches readers to become more proactive and take charge of life with journals, self-assessments, and meditations. Readers learn to overcome negative thoughts and patterns, live with abundance, and ultimately create the reality of their dreams. Living Kabbalah is a system for success that can be utilized by

anyone wanting to live with greater intensity and awareness.

The Dreams Book

Kabbalah Learning Center

Kabbalah For Dummies presents a balanced perspective of Kabbalah as an “umbrella” for a complex assemblage of mystical Jewish teachings and codification techniques. Kabbalah For Dummies also shows how Kabbalah simultaneously presents an approach to the study of text, the performance of ritual and the experience of worship, as well as how the reader can apply its teaching to everyday life.

The Essential Zohar

Simon and Schuster
Inspiring, mystical, and often surprising

Chassidic tales combine with teachings and favorite Jewish recipes to nourish body and soul. Stories and food have always been central to Jewish life, and in this book, they are uniquely tied together. Thirty-nine Chassidic tales, revolving around food and eating and accompanied by spiritual teachings, delve into the mysteries of the Kabbalah, the joy of the Chassidim, and the power of religious faith and acts of kindness (mitzvot). Sixty-three recipes highlight Kosher cooking and the special foods traditionally prepared for Shabbat and the major Jewish holidays, including such favorites as knishes, latkes, gefilte fish, brisket, kugel, bagels,

and challah bread. Many of the recipes are suitable for children to learn to cook.

The Power of Kabbalah This Book Contains the Secrets of the Universe and the Meaning of Our Lives Mobius

The Power of Protection Kabbalah Learning Center
“Magic culture is certainly fascinating. But what is it? What, in fact, are magic writings, magic artifacts?” Originally published in Hebrew in 2010, *Jewish Magic Before the Rise of Kabbalah* is a comprehensive study of early Jewish magic focusing on three major topics: Jewish magic inventiveness, the conflict with the culture it reflects, and

the scientific study of both. The first part of the book analyzes the essence of magic in general and Jewish magic in particular. The book begins with theories addressing the relationship of magic and religion in fields like comparative study of religion, sociology of religion, history, and cultural anthropology, and considers the implications of the paradigm shift in the interdisciplinary understanding of magic for the study of Jewish magic. The second part of the book focuses on Jewish magic culture in late antiquity and in the early Islamic period. This section highlights the artifacts left behind by the magic practitioners—amulets, bowls, precious stones, and human skulls—as

well as manuals that include hundreds of recipes. Jewish Magic before the Rise of Kabbalah also reports on the culture that is reflected in the magic evidence from the perspective of external non-magic contemporary Jewish sources. Issues of magic and religion, magical mysticism, and magic and social power are dealt with in length in this thorough investigation. Scholars interested in early Jewish history and comparative religions will find great value in this text.

Each card features a key passage selected from the book, followed by a thought-provoking question or exercise, making the cards highly interactive tools for spiritual growth and transformation.

Kabbalah Made Easy

BEYOND BOOKS HUB

The ancient Jewish spiritual tradition of Kabbalah is shown to be far more than an otherworldly, occult way of knowledge -- it

is a direct, often revolutionary response to the tyranny of earthly potentates and kings.

Kabbalah on Love
Kabbalah Learning Center

A translation of the Kabbalah for the layperson includes a compact presentation of each primary text and features a practical analysis and vital historical information that offer insight into the various aspects of Jewish mysticism.

The Power of Kabbalah Kabbalah Learning Center

The most ancient sciences in the world are Alchemy and Kabbalah, which constitute the practical, spiritual knowledge hidden in the depths of every great religion and

mystical tradition. Modern scientists are only recently discovering what these ancient teachings have always known: that we are a part of a multidimensional universe, and that our consciousness, our awareness, can expand to perceive matter and energy that are invisible to the flesh. Just as physics and chemistry illuminate our understanding of the physical world, Alchemy and Kabbalah constitute a scientific method to awaken the consciousness and fully develop the human being, opening the doors to vast worlds that are hidden from the physical senses. This awakening or alchemical birth requires a precise scientific method, for everything that exists

depends upon causes and conditions. Hidden in centuries of mystical texts and obscure drawings are the specific instructions that lead towards the opening of their inner senses and the entrance into a higher life. The Philosopher's Stone, the secret of transmuting lead into gold, and many other sacred mysteries long restricted to initiates who had proven their trustworthiness were publicly revealed for the first time by the author Samael Aun Weor. These mystical sciences are hidden in the twenty-two primary Tarot cards, whose origins and precise meanings have never before now been publicly revealed. Now, see for yourself how these ancient traditions are all truly

one science. Discover the keys to unlock the mysteries hidden in scriptures, mystical texts, and enigmatic images, and most importantly the mysteries hidden within us.

The Power of Kabbalah
Wiley

This is the first translation with commentary of selections from The Zohar, the major text of the Kabbalah, the Jewish mystical tradition. This work was written in 13th-century Spain by Moses de Leon, a Spanish scholar.

A Practical System for Making the Power Work for You

ReadHowYouWant.com
A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the

renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Aboulker-Muscat In *Kabbalah and the Power of Dreaming* Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to

teach readers how to harness the intuitive power of their dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping--we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and transformative images that generate the

pathways to self-realization.

Kabbalah, Magic, and the Great Work of Self-transformation

Kabbalah Publishing
Inexplicable changes in luck, rapid recovery from illness, chaos turned to peace — Yehuda Berg shows how anything is possible when readers learn the Kabbalah's miraculous secrets. Drawing on his 13 years of teaching this ancient form of spiritual technology to thousands of students, Berg reveals an extremely practical, step-by-step system for helping readers create extraordinary events and astonishing miracles in their daily lives. A number of helpful exercises are included.

The Power of Kabbalah Harmony

Explains the basic teachings of the kabbalah, using examples taken from the lives of teenagers and the author, and gives exercises at the ends of the chapters to help readers think about what they have read.

Technology for the Soul TM (Large Print 16pt) Kabbalah

Learning Center
Explores three important books of the Zohar; Siphra Dtzenioutha: The Book Of Concealed Mystery; Greater Holy Assembly; and, Lesser Holy Assembly. Together, these three books examine the development of the creative deity and of creation itself.

This Book Contains the Secrets of the Universe and the Meaning of Our

Lives Kabbalah Learning Center
Based on a popular series of talks given by renowned Kabbalist Yehuda Berg, Kabbalah on Love offers a simple yet profound message: love is not something that is learned or acquired, but an essence within, waiting to be revealed. Buried by layers of ego, fear, shame, doubt, low self-esteem, and other limitations, love can only be activated by sharing and serving unconditionally. Only then will the layers fall away and the essence of love reveal itself. Berg makes the distinction between love and need — which is a selfish product of ego — and reminds readers that only after connecting with the love within, and learning to love

themselves, can they truly love someone else. This charming book, published just in time for Valentine's Day, is also a thoughtful gift for any day of the year.
