Part two of the epic three-part conclusion to the Ruthless People and Children of Vice series... Do you understand why I asked you last time, how well do you think you knew the Callahans? Because I knew you don't know them. Not in the way I knew them. But don't worry. I'll reintroduce you to them. The real them. I will show you what they are all really, truly, capable of, because I am no longer in the shadows. I am here. In my kingdom, at last. Verity and the Forbidden Suitors NYLA

I'm too dark for her light. I am who I am, and I won't apologize for it. I don't know how to be... Normal. I have my reasons. I've been through hell. I've touched the flames themselves and I've danced with the devil. Intimately. Damnation torched my soul until it was black. Then I see her. I'm enthralled, but I can't speak to her. She's too pure. Too fragile. Too innocent. She doesn't need to see my torched soul. She doesn't need to taste my damnation. I watch what I can't have. I swear I'll protect her. Even if she doesn't know I'm there. I get more... Enthralled. She loves books. I wonder if I could love them too. She loves wine. I imagine us sharing a glass. Imagination. What a tease. Enthralled. Entranced. Obsessed. She feels me there. Sees me out of the corner of her eye. I'm the reason the hair on the back of her neck is standing up. But I stay in the shadows where I belong. Until I can't. Until the day I see her cry. Those tears feel like open wounds. I want to heal them. But all she does is run. So I follow. Enthralled. Entranced. Obsessed. RUTHLESS. I won't stop until she no longer has a reason to cry. Even if it means I have to ride through the fires of hell one more time.

Little girl, you are not worthy of my hate. Ruined my family? Don't make me laugh. Hundreds have tried before you and failed. Hundreds will try after you and fail again, because no matter what, we are strong. You preach about being ruthless or vicious—I am those words personified. The only bowing will be from you to me. Prepare yourself, Mrs. Callahan. The real Mrs. Callahan is coming.

The African Bible is the record of the Abyssinian prophets who came to Africa from Jerusalem in around 600 BC. The Sabaeans (Nephites) and the Agazians (Lamanites) will become the ancestors of the African people. The prophecies of the African Bible have been entirely fulfilled upon Africans, Jews and Gentiles. The Agazians or black Africans were prophesied to dwindle in unbelief as was apparent in the history of the continent. Also, black Africans were prophesied to be scourged, slaved and scattered by the Gentiles, and that was the experience of Africans. The African Bible, the Book of Mormon, was prophesied to be hidden from the African people, until God's own time, and will first be discovered by the Gentiles. Hence, the prophet Joseph Smith translated them into English from the Sabeian script and the Mormon Church had them for almost two centuries without knowing the authentic owners of the records. The records were then to be revealed to the African people by one of their descendants, and that is what I am doing now. I have convincingly proven the Book of Mormon to be the record of the African ancestors and is therefore an African Bible. Hence, Africans are the remnants of the house of Israel and descendants of Manasseh.
