BENITEZ EDDIE

The Biblical Perspective Harvest House Publishers
 Morality. Relativity. Right and Wrong. These are the complicated issues we face today. Everyone has an opinion, but who has the answer? Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd.
The Bible on Marriage, Divorce and Remarriage Harvest House Publishers
 Many believers accept traditional Christian sexual morality but have very little idea why it matters for the Christian life. In *Faithful*, author Beth Felker Jones sketches a theology of sexuality that demonstrates sex is not about legalistic morals with no basis in reality but rather about the God who is faithful to us. In Hosea 2:19-20 God says to Israel, "I will take you for my wife forever; I will take you for my wife in righteousness and in justice, in steadfast love, and in mercy. I will take you for my wife in faithfulness; and you shall know the Lord." This short book explores the goodness of sexuality as created and redeemed, and it suggests ways to navigate the difficulties of living in a world in which sexuality, like everything else, suffers the effects of the fall. As part of Zondervan's Ordinary Theology series, *Faithful* takes a deeper look at a subject Christians talk about often but not always thoughtfully. This short, insightful reflection explores the deeper significance of the body and sexuality.
Divorce & Remarriage Divorce and Remarriage Four Christian Views
 We believe our conclusions are of vital concern to the individual Christian, the church and the whole of Society. May God give all of us the grace to know his will and live by it. Divorce and remarriage in the Church have been subjects of debate and controversy for centuries, and the issue is of ever-increasing importance today. With conflicting messages coming from different branches of the Church, many Christians are confused to what the Bible really teaches. William Heth and Gordan Wenham explore the different schools of interpretation and present a fresh consideration of the various statements of Jesus and Paul, drawing on linguistic and contemporary cultural evidence. They closely criticize the view that allows remarriage after divorce on the grounds of immorality, widely held by evangelicals today. Instead the authors turn to the early Church, which permitted divorce but not remarriage. Written with clarity and careful consideration, *Jesus and Divorce* provides an important contribution to the ongoing debate on divorce. It offers a positive way forward, as the authors encourage us to apply the Bibles teachings to our lives and the lives of those around us.

Healing the Wounds of Divorce Crossway

Will God allow me to divorce my abusive husband? Would it be a sin if I remarried? Divorce and remarriage are major pastoral issues facing every church. Yet when we turn to Scripture for guidance, we often hear conflicting messages about its teachings. David Instone-Brewer shows how, when properly understood, the New Testament provides faithful, realistic and wise guidance for the church today.

The Great Evangelical Disaster Tate Publishing

On the sixth day of creation, God formed Adam from the dust of the earth. God then formed Eve from Adam's side. From this day forward man was to leave his father and mother and cleave to his wife. The two are joined together by God in a permanent one-flesh relationship. After man fell, the sins of adultery, fornication, polygamy, and divorce altered God's intention for marriage. This was true of those both outside and inside God's covenant community. By the time the Lord Jesus Christ came in the flesh, the traditions of Judaism had either changed or nullified God's command for marriage. The Lord Jesus Christ came and stated God's original intent for marriage: 1. Permanence. The husband and wife are one flesh. They are permanently joined in a covenant relationship for life. No person has the legal or moral authority to end what God has joined together. No sin or legal document can dissolve the one-flesh bond. 2. Forgiveness. This is Christ's emphasis in dealing with sin. When one spouse fails, the love of Christ compels the other to forgive. Hardness of heart is the cause of unforgiveness and results in divorce. Because of the biblical teachings of Jesus and Paul, the early church held to the permanence of marriage. Over the centuries, Christ's commands on the permanence of marriage have been either changed or nullified. They have been replaced with the traditions of men. In theory, Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them. In practice, many evangelical Christians are divorcing and remarrying for almost any reason. The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce. The Word of God has not changed. "What God has joined together, let no man separate" (Mark 10:9).

A Biblical Perspective on the Permanence of Marriage Harper Collins

Divorce may not be the answer to marital problems. Clinical psychologist Diane Medved offers step-by-step methods for recognizing marital troubles and how to work them out together, the truths behind the myths of divorce, and the most common reasons for divorce and what they truly mean. Fine.
A Biblical Perspective on the Permanence of Marriage St. Francis of Assisi Books

In my world of Conservative Christian policies a divorce was

unthinkable. Men and women whose training and background actively prohibited divorce and were very quick to chastise and condemn divorcees. Therefore, this work simply began as a group of self-help notes designed to help me survive the many unpleasant conversations I had with my religious friends. I fully recognize some of the concepts provided in this book may contradict certain Conservative Christian viewpoints. However, they are all 100% scriptural. This book was written to bring comfort to those who have experienced a divorce and want to remarry. To accomplish this goal I had to crack the language code. Too, many of our modern bibles have adjusted the language to promote the Conservative Christian story. I did not write this book to promote divorce. Within the pages of this writing are helpful nuggets designed to assist with conversations between husbands and wives. I've also included strategies to help maintain a healthy marital relationship. Finally, this book was designed to assist individuals with overcoming the victimization, stigmatization, isolation, embarrassment, shame, and the other sorrows based in ignorance that accompany a divorce in certain religious communities.

What Does the Bible Really Say? Wm. B. Eerdmans Publishing
 Editor H. Wayne House introduces a lively debate on varying Christian views of divorce and remarriage. Contributors include J. Carl Laney, William Heth, Thomas Edgar and Larry Richards.

Understanding the Basics Baker Books

Friends for a Season? There's something wrong with your friendship, but you can't figure out why. Is everything in your head? Unfortunately, toxic friendships happen to everyone, but we seldom identify the underlying issues while we battle confusion or the friendship breaks up. Maybe you're left bewildered in the friendship's wake, paralyzed to move forward. After wading through several difficult friendships, Mary DeMuth reveals the seven different types of toxic relationships and empowers you to identify the messiest relationships causing you the greatest anguish. Face the reality of your broken relationship, and unearth exactly what went wrong. Discover why you may attract toxic people. Heal from broken relational patterns so you can choose safer friends. Evaluate when it's time to press into a friendship or let it go. You'll gain a new relationship with Jesus as you trust him to be your confidant, healer, and life-giving friend.
The Christian Marriage & Divorce HarperCollins Publishers
 What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. *What Is Reformed Theology?* is an accessible introduction to beliefs that have been immensely influential in the evangelical

church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

One Flesh WestBow Press

A proper marriage is very wonderful and very beautiful, however, it is possible to stay married and be doing the "right thing" too long. God does not want us to be a "sacrificial victim" for the "sake of the marriage". As painful as this may sound when dealing with a marriage, divorcing or "making one into two" is necessary and needed to save and preserve life. God's priority is to save the people of the marriage, not necessarily the marriage itself. If God hates divorce, then he must have his approval on the marriage. If God hates the marriage, he must have his approval on the divorce. Divorce itself is not wrong, but when it's used for selfish pleasure, it is! The real question is, "which divorce does God hate?" To which divorce did God say, "I hate divorce"?

Divorce and Remarriage Destiny Image Publishers

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Divorce and Remarriage Zondervan

Marriage is under attack! ... of course, this might be a shock to you if you weren't living in a culture in which 40 percent of people think marriage is a useless tradition--even with all the evidence that broken families are ravaged financially, physically, and emotionally by divorce. Yet God's Word is clear that this institution, created at the beginning of time, is the foundation of a healthy family and nation. Ultimately, marriage is God's idea. So what are believers to do in an age of rapid-fire marriages, rampant divorce, and tricky remarriages--individually and as a church? Pastor Doug Batchelor tackles these sensitive issues with tact and Bible clarity in an effort to help broken marriages mend, keep strong marriages together, and enable those dealing with divorce and remarriage to keep their lives in a biblical framework. Sure, perhaps it's a little strange that a person named "Batchelor" has written a book about marriage, but if you're struggling through a troubled marriage and divorce, you don't want to skip this counsel.

Remarriage after Divorce in Today's Church InterVarsity Press

Many pastors, counselors, and theologians consider this book the most helpful on the issue of marriage and divorce.

A Biblical Point of View on Spiritual Warfare Harvest House Publishers

In this book, a serious scholar with extensive experience in ministry looks at the question of divorce and remarriage. He offers a redemptive theology that affirms the importance of marriage, the urgency of helping people survive their marital crises, and the redemptive mercies and grace of God for those who have divorced and remarried.

Marriage Crossway

In this popular bestselling book (with more than 500,000 copies sold), Gary Thomas uncovers how your marriage can become a doorway to a closer walk with God and each other. Happy is good. But holy is better. Your marriage is more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. What if God's primary intent for your marriage isn't to make you happy . . . but holy? Sacred Marriage doesn't just offer techniques to make a marriage happier. It does contain practical tools, but what married Christians most need is help in becoming holier husbands and wives. Sacred Marriage offers that help with insights from Scripture, church history, time tested wisdom from Christian classics, and examples from today's marriages. Sacred Marriage reveals how marriage trains us to love God and others well, how it exposes sin and makes us more aware of God's presence, how good marriages foster good prayer, how married sex feeds the spiritual life, and more. The revised edition of Sacred Marriage takes into account the ways men's and women's roles have expanded since the book was first written. It has been streamlined to be a faster read without losing the depth that so many readers have valued. Sacred Marriage uncovers the mystery of God's overarching purpose. This book may very well alter profoundly the contours of your marriage. It will most certainly change you. Because whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God, and to a spiritual integrity that, like salt, seasons the world around you with the savor of Christ. Also available: Sacred Marriage gift edition, small group video study and study guide, Spanish edition, and more.

The Case Against Divorce Wipf and Stock Publishers

Something Has to Change... You can't put it into words, but something is happening to you. Your stomach churns, your heart aches, and the tension in your marriage is making you feel weary and a little crazy. The constant criticism, disrespect, cruelty, deceit, and gross indifference are eroding your confidence and breaking your spirit. For any woman caught in an emotionally destructive marriage, Leslie Vernick offers a personalized path forward. Based on decades of counseling experience, her intensely practical, biblical advice will show you how to establish boundaries and break free from emotional abuse. Learn to: · identify damaging behaviors · gain the skills to respond wisely · promote healthy change · stay safe · understand when, why, and even how to leave · recognize that God sees and hates what is happening to you Trying harder to be a perfect fantasy wife won't help fix what's wrong your marriage. Discover instead how you can initiate effective changes to stop the cycle of destruction and restore hope for the future. "Women in an emotionally abusive marriage do not need another book on how to have a good marriage; those books rub salt in raw wounds. No, they desperately need this book so that they can diagnose just how

bad their marriage is and then, with Leslie's clear expertise, develop a plan that will either begin to turn their marriage around...or give them a wise route of escape." —Dee Brestin, author of *Idol Lies* and *The Friendships of Women*

Marriage, Divorce, and Remarriage in the Bible Jesse Press, LLC

In the last few decades, homosexuality has moved from the margins of society to the mainstream. In response to this cultural shift, Christian apologist and radio host Kerby Anderson sorts through myths to deliver the facts on homosexuality and the social impact it has had on families, the church, schools, and traditional marriage. With a balance of God's truth found in the Bible and a desire to reach out to homosexuals, he answers key questions about homosexuality, including: What percentage of the population is homosexual? Is homosexuality the worst of all sins? Did Jesus remove God's condemnation of homosexuality? Is there a connection between gay teens and suicide? What are the causes of homosexuality? Anderson also looks at the spiritual aspects of homosexuality and offers practical suggestions for Christians seeking to reach out to gay and lesbian friends and loved ones. This book is an essential resource for anyone seeking to better understand the roots, goals, and implications of homosexuality and the pro-gay movement.

Not Under Bondage StI Distribution North Amer

This book, written by a survivor of domestic abuse, explains the dilemmas of abuse victims, carefully examines the Scripture and scholarly research, and shows how the Bible sets victims of abuse free from bondage and guilt. Key concepts are: The Bible distinguishes between "treacherous divorce" and "disciplinary divorce", prohibiting the former and permitting the latter in serious cases of abuse, adultery or desertion. If the offending partner was sexually immoral, or abused, deserted, or unjustly dismissed the other, and has been judged to be "as an unbeliever," the Bible allows the non-offending, mistreated partner to remarry.

A Theology of Sex Harvest House Publishers

Despite a strong belief in the institution and sacredness of marriage, studies show that Christian spouses experience divorce at least as much as the secular population. But whatever the reasons for a divorce--beyond the divorce itself--many Christians want to know: does the Bible support remarriage? The fact is that no consensus exists among evangelicals on their views of remarriage, leaving many Christians confused. This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce: Remarriage is not acceptable after divorce - defended by Gordon J. Wenham Remarriage is acceptable only after adultery or desertion - defended by William A. Heth Remarriage is acceptable for a variety of reasons - defended by Craig S. Keener Each of the three contributors offers his point of view succinctly and with biblical support, and each interacts with the others to help readers come to their own conclusions. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.
