SIMPSON HUDSON

A Book of Poetry NYU Press

White Cargo is the forgotten story of the thousands of Britons who lived and died in bondage in Britain's American colonies. In the seventeenth and eighteenth centuries, more than 300,000 white people were shipped to America as slaves. Urchins were swept up from London's streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide "breeders" for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled away. Transported convicts were paraded for sale like livestock. Drawing on letters crying for help, diaries, and court and government archives, Don Jordan and Michael Walsh demonstrate that the brutalities usually associated with black slavery alone were perpetrated on whites throughout British rule. The trade ended with American independence, but the British still tried to sell convicts in their former colonies, which prompted one of the most audacious plots in Anglo-American history. This is a saga of exploration and cruelty spanning 170 years that has been submerged under the overwhelming memory of black slavery. White Cargo brings the brutal, uncomfortable story to the surface.

Finding Peace in the Promises of God Allen & Unwin

Pop sensation and Hollywood star Katherine Hayes has worked hard to maintain her squeaky-clean image. But with nude photos going viral on the internet, the ensuing smear campaign threatens to ruin everything. A chance meeting with a handsome college professor - who's adorably clueless about her identity - is a rare break from the stress. But when shocked recognition dawns in his eyes, her survival mechanism kicks in. She can't simply let him walk away to add grist to the rumor mill. Josh Randall has already loved and lost his soulmate. Yet when he witnesses Kate in a vulnerable moment, he can't deny the pull between them. Even though he believes down to his bones that true love doesn't come twice in a lifetime, a no-strings fling sounds like the perfect solution. But Kate never expected Josh to see the woman hiding behind the celebrity, or that the paparazzi would catch on to their sizzling passion so quickly. Making it hard to keep their tangled emotions from tearing their hearts apart when it's time to say goodbye...

What Life Has Taught Me About Love, Relationships, and Becoming Your Best Self McFarland

Sebastian Black is a self-made man whose little black book contains the names of women who have agreed to his rules: don't even deny him and don't fall in love. If they do either, they're removed from the book and payment stops.

Rock Star Duet One Night With a Billionaire

The ultimate selfie guide to capture the best version of yourself

Feel Your Way Through Grand Central Publishing

Romance and bromance collide in this refreshing fun look at what young men think about during sex and dating - revealed from a penis perspective!

A laugh-out-loud dose of male ego, manscaping misadventures, dating disasters, buddy bonding and the mishaps of maintaining a working willy. 'Wickedly irresistible. A hugely enjoyable read.' Jason Jackson's proud nine-inch manhood dishes the dirt on what it's like to be the hard-working, under-appreciated love sausage of a perpetually horny young man. This addictively large appendage will have you screaming for 'more, more, more' as he takes you beneath the bedcovers into his intimate world of pleasuring - and then into the hands and locations of the dominatrix, the porn star, the prostitute, the air hostess, the bridesmaid and the swingers group - to name but a few. And not forgetting that awkward once-off, bi-curious, same-sex encounter! Here's the wicked, naked, well-hung and very funny truth about the red-hot sexual addictions of the over-sexed, hormone-fueled young male. If you believe that men seem to only think with their (always) over-sized appendage, then these hilarious stories will help prove that it's true. Quite possibly it's the funniest, incisive and most enjoyable insider book of the year. 'OMG - I was left limp from laughing - men really DO think with their dick!' (Kylie Swipe-Right, New York)

Naked Afternoons: Createspace Independent Publishing Platform

In Cory Doctorow's wildly successful Little Brother, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Waking up in Vegas was never meant to be like this. Evelyn Thomas's plans for celebrating her twenty-first birthday in Las Vegas were big. Huge. But she sure never meant to wake up on the bathroom floor with a hangover to rival the black plague, a very attractive half-naked tattooed man in her room, and a diamond on her finger large enough to scare King Kong. Now if she could just remember how it all happened. One thing is certain, being married to one of the hottest rock stars on the planet is sure to be a wild ride--

Northern Exposure Even in Grundy, Alaska, it's unusual to find a naked guy with a bear trap clamped to his ankle on your porch. But when said guy turns into a wolf, recent southern transplant Mo Wenstein has no difficulty identifying the problem. Her surly neighbor Cooper Graham—who has been openly critical of Mo's ability to adapt to life in Alaska—has trouble of his own. Werewolf trouble. For Cooper, an Alpha in self-imposed exile from his dysfunctional pack, it's love at first sniff when it comes to Mo. But Cooper has an even more pressing concern on his mind. Several people around Grundy have been the victims of wolf attacks, and since Cooper has no memory of what he gets up to while in werewolf form, he's worried that he might be the violent canine in question. If a wolf cries wolf, it makes sense to listen, yet Mo is convinced that Cooper is not the culprit. Except if he's not responsible, then who is? And when a werewolf falls head over haunches in love with you, what are you supposed to do anyway? The rules of dating just got a whole lot more complicated. . . .

Stop obsessing about food and never diet again Argosy Films Pty Limited

The personal and poignant debut poetry collection from the award-winning singer, songwriter, and producer revolves around the emotions, struggles, and experiences of finding your voice and confidence as a woman. "I've realized that some feelings can't be turned into a song . . . so I've started writing poems. Just like my songs, they are personal and honest. Just like my songs, they have hooks and rhymes. Just like my songs, they talk about what it's like to be twenty-something trying to navigate a wildly beautiful and broken world." Deeply emotional and candid, *Feel Your Way Through* explores the challenges and celebrates the experiences faced by Kelsea Ballerini as she navigates the twists and turns of growing into a woman today. In this book of original poetry, Ballerini addresses themes of family, relationships, body image, self-love, sexuality, and the lessons of youth. Her poems speak to the often harsh, and sometimes beautiful, onset of womanhood. Honest, humble, and ultimately hopeful, this collection reveals a new dimension of Ballerini's artistry and talent.

The Body Project Macmillan

TLC's Counting On breakout stars Jeremy and Jinger Vuolo share their love story, a behind-the-scenes glimpse into their lives together, and the hope that drives them every day. Jinger Vuolo did not have what you'd call a typical childhood. The sixth child of Jim Bob and Michelle Duggar's nineteen, she grew up with the bright lights of television crews in her home, filming the hit TLC show *19 Kids and Counting*. Jinger has always been a fan favorite, and now she and her husband Jeremy are the breakout stars of the show's sequel, *Counting On*. In *The Hope We Hold*, Jeremy and Jinger Vuolo share the highs and lows of their love story. They open up about the early days of getting to know one another, their long-distance relationship, and the many sleepless nights of their time as new parents. But throughout all their stories, just below the surface, weaving together every triumph and trial of their lives, is the silver thread of hope. Though they don't pretend to have all the answers, they can promise that there is hope in Christ for every person in every walk of life. There is an inheritance of glory, a life richer than we can imagine, if we only walk with Him.

[Do it Yourselfie Guide](#) Abrams

"A candid, behind-the-scenes look at how successful direct-to-consumer brands such as Hubble are launching their businesses on platforms like Facebook and Google."--Lisa Sherman, president and CEO, the Ad Council **LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD** - "A must-read

for anyone interested in starting a new business."--Moiz Ali, CEO, Native E-commerce startups have exploded in the marketplace, selling merchandise and services directly to consumers, often through mobile phones. They skip the middlemen, avoid the lower margins of retail channels of distribution, strike deals directly with manufacturers and suppliers, and, in doing so, save consumers money. Among the companies that are part of this e-commerce revolution are Dollar Shave Club, Casper, Quip, Peloton, and Hubble Contacts. In *Selling Naked*, Hubble Contacts co-founder and co-CEO Jesse Horwitz shows entrepreneurs and enterprise companies alike precisely how to conceive, launch, and grow an e-commerce brand by using paid marketing social media channels. Horwitz shows entrepreneurs how to test consumer interest before spending a dime by placing mock ads on Facebook and other social media. Using this method, Hubble Contacts got an astonishing two thousand signups in four days, and as a result, raised \$3.5 million in seed money. Hubble ran a second experiment to see if consumers would actually sign up for the service, which led to a second multimillion-dollar investment. Horwitz shows how startups can cut through the metrics bullshit to focus on the one metric that really matters; how to use third-party tools rather than build everything from scratch; and how to tell a great story to investors and frame your digital offering. In addition to running Hubble, Jesse Horwitz now works with established Fortune 500 enterprises to help build their e-commerce brands within the landscape of a larger retail environment. *Selling Naked* is the definitive playbook on how to start up a successful direct-to-consumer business.

Based on the column of the same name that appeared in *The Toast*, *Hey Ladies!* is a laugh-out-loud read that follows a fictitious group of eight 20-and-30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and, of course, the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the book are stand-ins for annoying friends that we all have. There's Nicole, who's always broke and tries to pay for things in Forever21 gift cards. There's Katie, the self-important budding journalist, who thinks a retweet and a byline are the same thing. And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, *Hey Ladies!* will have you cringing and laughing as you recognize your own friends, and even yourself.

Kardashian Dynasty Createspace Independent Publishing Platform

A delicious enemies-to-lovers rock romance with a steamy twist.

One Night With a Billionaire Penguin

THE ONLY OFFICIAL KHLOÉ KARDASHIAN BOOK Book jacket folds out to a full-size poster! "There is no such thing as perfect. Nobody attains perfection. But if you keep trying, you grow and evolve, and to me that's the point: To be a better person today than I was yesterday; to become the best possible version of myself." —KHLOÉ KARDASHIAN Khloé Kardashian shares her secrets for finding strength of body, mind, and heart with revelatory stories of her own struggles with weight, relationships, and her self-image. In a culture that worships skinny, Kardashian writes with passion about the power of strength: a strong body lays the foundation for a strong mind, which leads to strength of heart, character, and ultimately spirit. Filled with practical advice, recipes, and compelling personal anecdotes, *Strong Looks Better Naked* is an inspiring meditation on how to create strength, confidence, and true beauty in every facet of your life.

[The Ultimate Selfie Guide to Capture the Best Version of Yourself](#) Simon and Schuster

Saddle up for a wildly fun ride with the Wilde sisters! Kylie Wilde is the youngest sister--and the most civilized. Her older sisters might be happy dressing in trousers and posing as men, but Kylie has grown her hair long and wears skirts every chance she gets. It's a risk--they are homesteading using the special exemptions they earned serving in the Civil War as "boys"--but Kylie plans to make the most of the years before she can sell her property and return to the luxuries of life back East. Local land agent Aaron Masterson is fascinated with Kylie from the moment her long hair falls from her cap. But now that he knows her secret, can he in good conscience defraud the U.S. government? And when someone tries to force Kylie off her land, does he have any hope of convincing her that marrying him and settling on the frontier is the better option for her future? "Another great laugh-out-loud historical romance with memorable characters who have charm, style, grace, and a bit of mischief." --RT Book Reviews on *In Too Deep* "Connealy's style is fast-paced and spritely and sure to keep drawing fans." --Publishers Weekly "With her trademark humor, Connealy weaves a delightful tale that is sure to please her fans and win new readers." --Library Journal on *Over the Edge*

Rusty Nailed Harper Collins

Would you live a lie to hold onto the one you love? Dean and Jason are best friends, like brothers since boyhood, now architecture students and college roommates. They've always had each other's back, but when one walks in on the other with another man, everything changes. How do you explain to your best friend that he's the one you've always wanted, that until now your life has been a lie? Desperation and shame are two dirty words that run through Jason's veins. He carries the scars from a wayward priest who stole his innocence and left him shattered. Meanwhile for years he's watched Dean pursuing woman after woman, as his own heart slowly breaks. When their world blows apart, they learn the powerful bond between them has more fire than either understood. Can two broken souls find the light in their darkness and come together to make a whole, or will sins of the past be forever unforgiven?

A Memoir Pan Macmillan

In this sequel to *Wallbanger*, fan favorites Caroline Reynolds and Simon Parker negotiate the roller coaster of their new relationship while house-sitting in Sausalito. Playing house was never so much fun—or so confusing. With her boss on an extended honeymoon, Caroline's working crazy-long hours to keep the interior design company running—especially since she's also the lead designer for the renovation of a gorgeous old hotel. And with Simon, her hotshot photographer boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into "absence makes the heart grow fonder" mode. No complaints about the great reunion sex, though! Then a trip back east to his childhood home has Simon questioning his nomadic lifestyle. He decides to be home more. A lot more. And he wants Caroline home more, too. Though their friends' romantic lives provide plenty of welcome distraction, eventually Caroline and Simon have to sort out their relationship. Sure, more togetherness is a good thing—but does less traveling and working have to mean the other extreme? Apple pie and picket fences? With this second book in the *Cocktail* series, USA TODAY bestselling author Alice Clayton delivers another delicious, frothy confection of a book, shaking up her characters, stirring in laugh-out-loud humor,

and serving sizzling romance straight up!
