Imagine a world without colour. Deep in the heart of Rainbow Dreamland Rainforest, Mr. Biggy Tree, the king of the forest, used his magic to remove all colour from across Rainbow Dreamland. So, it's up to the Rainbow Dreamgirls — Mia, Kayla, Isabel and Siera — to use their own special talents and magical Rainbow powers to understand why, spread the joy of colour, save the day and restore colour to the world. Diehard fans will love the almost two-hour "Building the Dream"

documentary, which goes into loving detail about how the film got to be made. But it's the shorter segments that really capture the viewer's attention. The two auditions included in the set are a contrast in style. Pop singer Beyonce Knowles sells herself in full hair, makeup and costume; that she is a tad pitchy at times is almost beside the point. Tony Award winner Anika Noni Rose's audition is a tour de force; singing strong and with conviction and passion, Rose is fully in character regardless of the fact that she isn't dressed for the role. Oddly enough, the audition tape of Jennifer Hudson, who won an Academy Award for her breakthrough role as Effie, is nowhere to be seen. Sure, we all know what a powerhouse she is today. But it would've been nice to see what the filmmakers saw in her back then, when her competition included her American Idol castmate (and that

season's winner) Fantasia Barrino. Hudson's performance of "Effie, Sing My Song"--Which was not seen in the theatrical release--is included in this set, as are 12 extended musical numbers. Another nice touch is the inclusion of a dance rehearsal choreographed by Fatima Robinson (who has worked with the Backstreet Boys, Mary J. Blige, and Michael Jackson). Watching the rudimentary piece (with stand-ins subbing for the stars) come together gives the viewer appreciation for the intricate work that goes into each 3-minute musical number in the 130-minute film. Also included are a sequence of enhanced storyboards, a look at how the film's editor went about editing the picture, and a look at how the costumes played a part in the film.

More than 40 years ago, three girls from the Detroit projects made the world 'Stop!' and take notice of their fresh harmonies and classy style. Cultivated by the Motown star machine, Mary Wilson, Diana Ross, and Florence Ballard popped onto the charts with hits like "Baby Love" and "Where Did Our Love Go" and made the Supremes not only a household name, but rock and roll legends. The story of their journey to fame is one that fairy tales

are made of—complete with battles, tragedies, and triumphs. It's a story that only one of the founders of this talented trio is able or willing to share with the world. In *Dreamgirls & Supreme Faith: My Life as a Supreme*, Supremes' co-founder Mary Wilson boldly brings to life all the intimate details of the group's struggle to top the charts. This is the first book to tell the complete story of Mary's courageous life from childhood through the height of the Supremes, to the turn of the century. This beautiful paperback edition combines the best-selling *Dreamgirls* with the sequel, *Supreme Faith: Someday We'll Be Together*, for the first time in one volume. The new afterword brings Mary's intriguing story up to date with details on . . . The tragic car accident that claimed her son's life · The death of her mother, Johnnie Mae, and her dear friend, Mary Wells · Becoming a grandmother · Making her peace with Berry Gordy and Diana Ross · Being inducted into the Rock and Roll Hall of Fame and receiving a star on the Hollywood Walk of Fame The Supremes wonderful music isn't the only thing to remain in the public's mind. Diana Ross' push for dominance in the trio has become legendary. Mary Wilson speaks candidly about Ross' tactics to latch onto Berry Gordy, and force her will on the group's activities. For example, while on the early tours, Diana would threaten to call Gordy from the road if the men on the bus didn't behave to her approval. She also openly pushed for Flo's removal from the group. Wilson also openly shares her thoughts on . . . The group's never-ending b

In the months before she died, Florence Ballard, the spunky teenager who founded the most successful female vocal group in history--the Supremes--told her own side of the story. Recorded

on tape, Flo shed light on all areas of her life, including the surprising identity of the man by whom she was raped prior to her entering the music business, the details of her love-hate relationship with Motown Records czar Berry Gordy, her drinking problem and pleas for help, a never-ending desire to be the Supremes' lead singer, and her attempts to get her life back on track after being brutally expelled from the group. This is a tumultuous and heartbreaking story of a world-famous performer whose life ended at the age of 32 as a lonely mother of three who had only recently recovered from years of poverty and despair.

Secrets about love, life, and Hollywood from the Tony Award-winning actress from the Broadway production of Dreamgirls—in the role recently made famous by Beyoncé—timed to coincide with the thirtieth anniversary of the original Broadway show. Sheryl Lee Ralph was the original Deena Jones in Broadway's production of Dreamgirls and the show was a Broadway sensation from its inception. Now, the star of film, television, and Broadway, known for her talent and fearlessness, shows readers how to find—and own—their inner divas. Sheryl rose to international fame after her performance in Dreamgirls, winning the Tony Award for Best Actress and going on to star in movies with Denzel Washington and Robert DeNiro and capture America's heart as television's favorite mom Die in the #1-rated series Moesha . But it wasn't an easy task. From her legendary catfight with Diana Ross to her controversial exit from Moesha, Sheryl Lee Ralph is a woman who does not fade in the background—and she reveals how and why she has remained in the spotlight for decades. Sheryl is a hip, modern Miss Manners who inspires women with

her wit, strength, and call-it-like-it-is courage. Using her own experiences as a guide—and dishing the truth behind all the rumors—Sheryl reveals her rules for living. This is Divahood A-Z—from the practical to the spiritual, featuring advice on everything from relationships to fashion to success in the business world. So, the next time someone calls you a diva, you'll just smile and say "Thank you!"

Ever After remains far more than a detailed show-by-show history. With nearly one hundred first-person interviews, it is also a definitive behind-the-scenes account of how those shows were made. Singer invites the people who created the last forty years of musical theater on and off Broadway to tell their own stories. From an unparalleled look at A Chorus Line's final bow through the revolutionary evolution of Sunday in the Park with George, as recounted by Stephen Sondheim, the tragic triumph of Rent, the real people behind Disney's mega-musicals, and even an afternoon with Andrew Lloyd Webber, Ever After proceeds to a moment-by-moment account of the birth of Wicked, by composer Stephen Schwartz; the extraordinary journeys of shows like Fun Home, Dear Evan Hansen, The Band's Visit, and Hadestown, through the eyes of their respective creators; and, finally, the

miracle of Hamilton, as reconstructed by its producer Jeffrey Seller. *Ever After* celebrates new generations of musical theater artists via extended interviews with Jeanine Tesori, David Yazbek, Rachel Chavkin, Billy Porter, Laura Benanti, Audra McDonald, Julie Taymor, Adam Guettel, Ricky Ian Gordon, Jason Robert Brown, and many more. *Ever After* also closely documents the evolving contributions of women and persons of color to the past forty years of musical theater: their triumphs, their setbacks, and their centrality to musical theater's future. Through his work for the *New York Times*, the *New Yorker*, the *Huffington Post*, and *Playbill*, Singer has been a firsthand witness to the past forty years of musical theater on Broadway and off. No one is better equipped to write the history of this era. *Ever After* is the first and the last word on the subject.

*Twenty-First Century Musicals* stakes a place for the musical in today's cinematic landscape, taking a look at leading contemporary shows from their stage origins to their big-screen adaptations. Each chapter offers a new perspective on a single musical, challenging populist narratives and exploring underlying narratives and sub-texts in depth. Themes of national identity; race, class and gender; the 'voice' and 'singing live' on film; authenticity; camp sensibilities; and the celebration of failure are addressed in a series of questions including: How does the film adaptation provide a different viewing experience from the stage version? What themes are highlighted in the film adaptation? What does the new casting bring to the work? Do camera angles dictate a different reading from the stage version? What is lost/gained in the process of adaptation to film? Re-interpreting the contemporary film musical as a compelling art form, *Twenty-First Century Musicals* is a must-read for any student or scholar keen to broaden their understanding of musical performance.

Booklist Editors' Choice! Called One of the Best Mystery Books by NPR, *Washington Post*, *Crime Reads*, *Library Journal*, *South Florida Sun-Sentinel*, and *Dublin City Library*! "With this tip of the hat to Stephen King's *Misery*, *Dream Girl* is funny and

suspenseful, with a dread-worthy final twist." —People "My dream novel. I devoured this in three days. The sharpest, clearest-eyed take on our #MeToo reckoning yet. Plus: enthralling." —Megan Abbott, Edgar Award-winning author of *Dare Me* and *The Fever*

Following up on her acclaimed and wildly successful New York Times bestseller *Lady in the Lake*, Laura Lippman returns with a dark, complex tale of psychological suspense with echoes of *Misery* involving a novelist, incapacitated by injury, who is plagued by mysterious phone calls. Aubrey, the title character of Gerry Andersen's most successful novel, *Dream Girl*, is so captivating that Gerry's readers insist she's real. Gerry knows she exists only in his imagination. So how can Aubrey be calling Gerry, bed-bound since a freak fall? A virtual prisoner in his penthouse, Gerry is dependent on two women he barely knows: his incurious young assistant, and a dull, slow-witted night nurse. Could the cryptic caller be one of his three ex-wives playing a vindictive trick after all these years? Or is she Margot, an ex-girlfriend who keeps trying to insinuate her way back into Gerry's life? And why does no one believe that the call even happened? Isolated from the world, drowsy from medication, Gerry slips between reality and dreamlike memories: his faithless father, his devoted mother; the women who loved him, the women he loved. Now here is Aubrey, threatening to visit him, suggesting that Gerry owes her something. Is the threat real or a sign of dementia? Which scenario would he prefer? Gerry has never been so alone, so confused – and so terrified. And then he wakes up to another nightmare—a woman's dead body next to his bed—and the terrifying uncertainty of whether he is responsible.

(Vocal Selections). Based upon the show business aspirations and successes of R&B acts such as the Supremes, James Brown and others, *Dreamgirls* follows the story of a young female singing trio from Chicago called "The Dreams." The production first hit Broadway in 1981, and was adapted for the screen in 2006, and then returned to the stage in 2009. Our songbook features selections from this most recent revival, including two NEW songs, never before published: "What Love Can Do" and "Listen,"

plus: And I Am Telling You I'm Not Going \* Dreamgirls \* Hard to Say Goodbye, My Love \* I Am Changing \* One Night Only \* When I First Saw You (You Are My Dream) \* and more. The book contains snazzy revival artwork, and all songs are in standard piano/vocal format with the melody in the piano part.

A comprehensive collection of photographs, interviews, and profiles of the most influential Black actresses who have worked in film, television, and theater. From the author of *Supreme Models* comes the first-ever art book dedicated to celebrating Black actresses and exploring their experiences in acting. Through stunning photographs, personal interviews, short biographies, and career milestones, *Supreme Actresses* chronicles the most influential Black actresses who have worked

in film, television, and theater. From Hattie McDaniel, the first actress of color to win an Academy Award for Best Supporting Actress in 1939, to Dorothy Dandridge, the first actress of color to be nominated for Best Actress at the Academy Awards in 1954. And from Ethel Waters, the first African American actress to be featured on an American sitcom in 1950, to Cicely Tyson, the first African American star of a TV drama in 1963. The performances by these talented actresses are ingrained into our memories. We experienced laughter, love, and loss with these women. But how did they begin their acting careers? Who were the first Black actresses who paved the way? What are their defining moments? What effects did racial prejudice have on their careers? *Supreme Actresses* remembers and celebrates the groundbreaking women who have been influencing culture for decades, reshaping the very standards of beauty in modern society.
