Angelfall Penguin

Picking up where the television series left off, Season six looks at who lived, who died, and what happened to Los Angeles in its wake.

Angel: The Official Collection Volume 1 Heroes & Guardian Angels Feiwel & Friends

A "gripping...sober and meticulous" (David Margolick, Wall Street Journal) biography of the infamous Nazi doctor, from a former Justice Department official tasked with uncovering his fate. Perhaps the most notorious war criminal of all time, Josef Mengele was the embodiment of bloodless efficiency and passionate devotion to a grotesque worldview. Aided by the role he has assumed in works of popular culture, Mengele has come to symbolize the Holocaust itself as well as the failure of justice that allowed countless Nazi murderers and their accomplices to escape justice. Whether as the demonic doctor who directed mass killings or the elusive fugitive who escaped capture, Mengele has loomed so large that even with conclusive proof, many refused to believe that he had died. As chief of investigative research at the Justice Department's Office of Special Investigations in the 1980s, David G. Marwell worked on the Mengele case, interviewing his victims, visiting the scenes of his crimes, and ultimately holding his bones in his hands. Drawing on his own experience as well as new scholarship and sources, Marwell examines in scrupulous detail Mengele's life and career. He chronicles Mengele's university studies, which led to two PhDs and a promising career as a scientist; his wartime service both in frontline combat and at Auschwitz, where his "selections" sent innumerable innocents to their deaths and his "scientific" pursuits—including his studies of twins and eye color—traumatized or killed countless more; and his postwar flight from Europe and refuge in South America. Mengele describes the international search for the Nazi doctor in 1985 that ended in a cemetery in Sao Paulo, Brazil, and the dogged forensic investigation that produced overwhelming evidence that Mengele had died—but failed to convince those who, arguably, most wanted him dead. This is the riveting story of science without limits, escape without freedom, and resolution without justice.

After the Fall Dark Horse Comics

Federal Agent Jubal Stone was put on a desk after the death of his

wife and the disappearance of his best friend. Given a chance to redeem his career, the former Diplomatic Security Service 'top gun' is assigned to apprehend a special target: a Fallen Angel who was imprisoned inside a meteorite that struck south-central Michigan. Paired with his former mentor and antagonist, Jubal learns the shocking truth about a top-secret agreement between the State Department and the ruler of Hell, who demands the Fallen Angel be delivered to him immediately. With his elusive prey on a killing spree, a beautiful and mysterious 'Angel expert' joins Jubal's hunt - but a rogue CIA agent is also in pursuit, and he has a very different plan for the Fallen Angel. To make matters worse, Jubal's teammates are keeping secrets from him - secrets that could get them all killed. Jubal has been ordered to capture the Fallen Angel and deliver him to a top-secret transfer station where he will be sent to another dimension to avoid war. War between the United States of America - and Hell.

Angel Spike

A #1 New York Times Bestseller! "Funny, insightful, illuminating . . ." —The Boston Globe Twelve years ago, *Midnight in the Garden of Good and Evil* exploded into a monumental success, residing a record-breaking four years on the New York Times bestseller list (longer than any work of fiction or nonfiction had before) and turning John Berendt into a household name. *The City of Falling Angels* is Berendt's first book since *Midnight*, and it immediately reminds one what all the fuss was about. Turning to the magic, mystery, and decadence of Venice, Berendt gradually reveals the truth behind a sensational fire that in 1996 destroyed the historic Fenice opera house. Encountering a rich cast of characters, Berendt tells a tale full of atmosphere and surprise as the stories build, one after the other, ultimately coming together to portray a world as finely drawn as a still-life painting.

#1 New York Times bestselling author Nora Roberts explores the wilds of the Grand Tetons—and the mysteries of love, murder, and madness—in this engrossing and passionate novel. The sole survivor of a brutal crime back East, Reece Gilmore settles in Angel's Fall, Wyoming—temporarily, at least—and takes a job at a local diner. One day, while hiking in the mountains, she peers through her binoculars and sees a couple arguing on the bank of the churning Snake River. And suddenly, the man is on top of the woman, his hands around her throat... By the time Reece reaches a gruff loner named Brody farther down the trail, the pair is gone. And when authorities comb the area where she saw the attack, they find no trace that anyone was even there. No one in Angel's Fall seems to believe Reece—except Brody, despite his seeming impatience and desire to keep her at arm's length. When a series of menacing events makes it clear that someone wants her out of the way, Reece must put her trust in Brody—and herself—to find out if there is a killer in Angel's Fall, before it's too late.

Spike: Shadow Puppets Archipelago

Angels walk among us, but so do other unearthly beings in this brand new series by #1 New York Times bestselling author Laurell K. Hamilton. Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he's a cop who is still working on the side of angels. But where there are angels, there are also demons. There's no question that there's evil at work when he's called in to examine the murder scene of a college student—but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel

is forced to confront his own very personal demons, and the past he never truly left behind. The first in a new series from the author of the Anita Blake and Merry Gentry series.

BOOM! Studios, along with visionary writer and director Joss Whedon (Buffy the Vampire Slayer, Marvel's The Avengers), presents an all-new re-telling of the pop culture phenomenon Angel! Angel walks the line between two worlds; a vampire cursed with a soul, he's spent centuries battling back the forces that would destroy humanity, in an attempt to redeem himself for the crimes committed by the monster he was when he was first turned. But now, on the trail of the most recent demonic uprising, he realizes that the redemption he seeks can only come with a price. Torn between his self-sworn mission to protect humanity and his desire to rid himself of his curse, he stumbles across the legend of a demon, a trickster who claims they can cure vampirism and restore his humanity for a small cost: a sacrifice...a Slayer. Written by Bryan Hill (Detective Comics, Hulu's Titans) with art from Gleb Melnikov. Discover a brand new, modern take on one of the best and broodiest vampires in pop culture, perfect for fans and new readers alike!

THE FALL is an experimental graphic novel about Satan's fall from power by author and artist Q. But this reinvention of the classic mythological tale of war in heaven is told from one of the Devil's minions' perspective. This illustrated Q&A with a fallen angel ~ where the author Q interviews a fallen angel A ~ tells the strikingly remorseless story of Archangel Lucifer's struggle for power and fall from heaven after his failed rebellion against the Almighty. It is a story about the struggle for power unlike any other, and yet it feels so familiar that it cannot help but be seen as the story of each and every one of us. And though you would expect a sympathetic telling of Satan's story from one of his fallen angels, it will surprise and succeed by being a stark and unforgiving tragedy of mythic proportions that spares no one, least of all Satan. "The Fall is an elegant and thought provoking meditation on power, love and fear." ~ NYC painter Charles

Schick.

In this "raucous, moving, and necessary" story by a Pulitzer Prize finalist (San Francisco Chronicle), the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. "All we do, mija, is love. Love is the answer. Nothing stops it. Not borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime

country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, *The House of Broken Angels* is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . . Rambunctious . . . Highly entertaining." -- New York Times Book Review "Intimate and touching . . . the stuff of legend." -- San Francisco Chronicle "An immensely charming and moving tale." -- Boston Globe National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus, St. Louis Post-Dispatch, Literary Hub

[Holy Bible \(NIV\)](#) Angel (IDW Paperback)

Follow the Angels, Follow the Doves is an origin story in the true American tradition. Before Bass Reeves could stake his claim as the most successful nineteenth-century American lawman, arresting more outlaws than any other deputy during his thirty-two-year career as a deputy U.S. marshal in some of the most dangerous regions of the Wild West, he was a slave. After a childhood picking cotton, he became an expert marksman under his master's tutelage, winning shooting contests throughout the region. His skill had serious implications, however, as the Civil War broke out. Reeves was given to his master's mercurial, sadistic, Moby-Dick-quoting son in the hopes that Reeves would keep him safe in battle. The ensuing humiliation, love, heroics, war, mind games, and fear solidified Reeves's determination to gain his freedom and drew him one step further on his fated path to an illustrious career. Follow the Angels, Follow the Doves is an important historical work that places Reeves in the pantheon of American heroes and a thrilling historical novel that narrates a great man's exploits amid the near-mythic world of the nineteenth-century frontier.
