An intriguing, uncensored, inside view of the not-so-friendly skies through the eyes of former flight attendant, Margo Anderson. If you are a frequent flier, or if you plan to fly in the near future, fasten your seat belt for a turbulent read! After five years of flying with a commuter airline based at Atlanta's Hartsfield-Jackson International Airport, Anderson draws on her personal experiences and conversations, painting a portrayal of life as a flight attendant--grueling twelve hour days, complaining and unfriendly passengers, and unexpected, almost unbelievable situations, especially in the days and weeks following 9/11. Anderson navigates the complex world of flight crews with clarity, insight, wittiness, and her own special brand of humor. Readers are given a view of flying they may never have seen before, through the lens of the workhorse of the airline industry, regarded by many as the "puddle-jumpers," the commuter airlines.

One of the benefits of social media is getting to meet the parents of special needs children and adults. I have grown to know and truly admire these brave people. Our solitary journeys have taken many different roads, yet we've all connected on sites like Facebook, Twitter, and other forums. The support we give each other is a lifeline-an opportunity to not only share the joys our sons and daughters bring into our lives, but also the chance to rant about the frequent injustices we meet head on. I am honoured to have 'met' so many fantastic Warrior Mums from around the world, so honoured that I decided to feature some of their stories in a blog series, which I have now reproduced in this book. These mums will inspire you, just like they have me, these brave women who share their stories from childhood to motherhood and reveal far more than they normally would, in the hope their stories will help others.

A collection of never-before-seen pieces from one of Britain's most respected, admired and controversial commentators. Drawing on his vast experience as an inner-city doctor, Theodore Dalrymple, sometimes described as 'the Orwell of our times', examines the state of the NHS, the education system, British crime and criminal justice and, of course, politics. Eagerly awaited by his many fans, his stories dissect modern Britain in the way only Theodore Dalrymple can.

The Singing Cowboys is a nostalgic, back-in-the-saddle examination of the musical B-Western films of the 1930s, 1940s, and 1950s and the singing cowboys that made them so popular. The author, David Rothel, spent a fondly remembered portion of his youth sitting in the Lincoln Theatre in Elyria, Ohio, where the singing cowboys-Gene Autry, Roy Rogers, Tex Ritter, and all the rest-played out their adventures and yodeled their songs on the silver screen. Thousands, perhaps millions, of youngsters from that era shared this common experience during their formative years. First published in 1978, The Singing Cowboys has been out of print for many years. Now, Riverwood Press in association with The Lone Pine Museum of Western Film History has republished the book in an updated, expanded, and repackaged edition. We hope you enjoy!

In 1987, Berlin as a whole became a laboratory for architecture. A wide range of notable buildings with a unique density was created in the East and the West in connection with the city's 750th anniversary. While the buildings were vilified at the time, they now appear as important witnesses to a postmodern era of building, which called the traditional architecture of the modern living environment into question. Today, the buildings have disappeared, been modified, or are threatened with demolition. For the first time, the exhibition and publication examine the significance of the architectural visions developed in East and West Berlin in the final decade before the fall of the Berlin Wall.

Documenting Danny Marianino's days as a metalhead from childhood into adulthood, Don't Ever Punch a Rockstar somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar combine elements of Get in The Van, Emails from and Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow &

author of *FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking* "With Don't Ever Punch a Rock Star author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of *Spinner* "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard your grill. Way to K.O. rock star attitudes Danny Boy!" - John Joseph author of *The Evolution of a Cro-Magnon and Meat is For Pussies*

#1 New York Times bestseller "Essential reading for anyone interested in understanding and treating traumatic stress and the scope of its impact on society." —Alexander McFarlane, Director of the Centre for Traumatic Stress Studies A pioneering researcher transforms our understanding of trauma and offers a bold new paradigm for healing in this New York Times bestseller *Trauma is a fact of life*. Veterans and their families deal with the painful aftermath of combat; one in five Americans has been molested; one in four grew up with alcoholics; one in three couples have engaged in physical violence. Dr. Bessel van der Kolk, one of the world's foremost experts on trauma, has spent over three decades working with survivors. In *The Body Keeps the Score*, he uses recent scientific advances to show how trauma literally reshapes both body and brain, compromising sufferers' capacities for pleasure, engagement, self-control, and trust. He explores innovative treatments—from neurofeedback and meditation to sports, drama, and yoga—that offer new paths to recovery by activating the brain's natural neuroplasticity. Based on Dr. van der Kolk's own research and that of other leading specialists, *The Body Keeps the Score* exposes the tremendous power of our relationships both to hurt and to heal—and offers new hope for reclaiming lives.

In his life and in his music, Cole Porter was the top—the pinnacle of wit and sophistication. From the 1910s through the '50s, from Yale pep rallies through the Broadway triumphs of *Anything Goes* and *Kiss Me, Kate*, he delighted audiences with a glittering torrent of song: "I Get a Kick Out of You," "Night and Day," "Love for Sale," and "Just One of Those Things." The bright surface of these gems—their catchy melodies and ingenious lyrics—made them instant pop hits. Their more subtle qualities and their musical and emotional depth have made them lasting standards, among the greatest glories of the American songbook. In *Cole Porter*, William McBrien has thoroughly captured the creator of these songs, whose life was one not only of wealth and privilege but also of tragedy, secrecy, and courage. A prodigal young man, Porter found his aesthetic and emotional anchor in a long, loving, if sexless marriage, while continuing to maintain many discreet affairs with men. In 1937, at the height of his success, he suffered a near-fatal riding accident; his last eighteen years were marked by pain, drugs, and repeated operations on his legs, years of physical agony but unstinting artistic achievement. Here is the book that Porter's fans have long hoped for—a life that informs the great music and lyrics though illuminating glimpses of the hidden, complicated, private man.

*Anything Goes*: the enchanting story of a vaudeville troupe that makes its way to Western mining towns, from renowned master of the Western novel, Richard S. Wheeler. The cowboys, gold miners, outlaws, gunmen, prostitutes, and marshals who populate the Wild West never see much big-city entertainment. Most towns are too wild and rowdy for entertainers to enter, let alone perform in. All that is about to change. August Beausoleil and his colleague, Charles Pomerantz, have taken the Beausoleil Brothers Follies to the remote mining towns of Montana, far from the powerful impresarios who own the talent and control the theaters on the big vaudeville circuits. Their cast includes a collection of has-beens and second-tier performers: Mary Mabel Markey, the shopworn singer now a little out of breath; Wayne Windsor, "The Profile," who favors his audiences with just one side of his face while needling them with acerbic dialogue; Harry the Juggler, who went from tossing teacups to tossing scimitars; Mrs. McGivers and her capuchin monkey band; and the Wildroot Sisters, born to show business and managed by a stage mother who drives August mad. Though the towns are starved for entertainment, the Follies struggles to fill seats as the show grinds from town to town. Just when the company is desperate for fresh talent, a mysterious young woman astonishes everyone with her exquisite voice. The Wild West will never be the same. They've seen comics, gorgeous singers, and scimitar-tossing jugglers. Now if the troupers can only make it back East . . . alive!
