## **KRISTA DARIO**

---

Ellen DeGeneres little  
bee books  
"I didn't decide to  
become anorexic. It  
snuck up on me  
disguised as a healthy  
diet, a professional  
attitude. Although

there was a certain  
glamour to anorexics, I  
didn't want to be one. I  
just wanted to excel in  
dieting. And weighing  
in at 80 pounds on 300  
calories a day, I was  
the best little dieter  
there ever was." In  
scalding prose, Portia  
de Rossi reveals the  
pain and illness that

haunted her for decades. She alternately starved herself and binged, putting her life in danger and lying to herself and everyone around her about the depth of her illness.

From her lowest point, Portia began the painful climb back to health and happiness, ultimately falling head over heels in love with Ellen DeGeneres. In this remarkable and landmark book, she tells a story that inspires hope and nourishes the spirit.

- How her conservative father turned his back on her when he learned she was gay. - The personal tragedy that became her greatest inspiration. - Her secret life in the gay her scene during her stand-up days. - The women Ellen has loved, including her very public relationship and very painful breakup with actress Anne Hache. - How she pulled her life together after the cancellation of Ellen. - The new romantic interests in

her life. - Ellen

currently stars in The Ellen DeGeneres Show

one of the hottest TV talk shows ever to hit the air. It is the winner of an Emmy Award in 2004 for Outstanding Talk Show. In its first year, the show earned 12 Daytime Emmy nominations, more than any other talk show in the history of the Emmys. - The Ellen DeGeneres Show was the highest-rated freshman talk show of the 2003-2004 season.

- The Ellen DeGeneres Show ranked at the top of critics' IIGTS, with People, Entertainment Weekly, The New York Times, USA Today and TV Guide, all citing it as one of the best new programs. - The author has been an entertainment journalist for more than twenty years and has

written several celebrity biographies and series companions, including the bestselling *The Boy Who Would Be King*. *Ellen DeGeneres Biography: What Does it Take For a Gay to Succeed in the Entertainment Industry?* Purple Toad Publishing

In 1997 Ellen DeGeneres made television history when she came out to the American public on her nationally syndicated sitcom. In spite of the controversy stirred by this personal revelation, Ellen DeGeneres has gone on to become one of the most popular personalities in Hollywood. With her own highly rated daily talk show, a lucrative ad campaign with American Express, and

a successful turn as Oscar host to her credit, she has become one of America's leading female comedians and won her place a household name. High profile romances with actresses Anne Heche and fiancé Portia de Rossi, have also made her an unassuming champion for gay and lesbian rights. Ellen Degeneres' monumental success, however, belies a painful childhood and uncertain career beginnings. This comprehensive and intriguing biography explores the life events that shaped the hilarious public figure we know today. Complete with a chronology of significant events, illustrations, and a bibliography of print

and electronic resources, this detailed biography is ideal for general readers looking to learn more about their favorite star or for those seeking information on groundbreaking members of the gay and lesbian community.

I Love Ellen DeGeneres

Simon and Schuster

With the holiday period approaching, many gays and lesbians will be dreading the thought of another hostile family Christmas. What better contribution to conciliation could be made than this helpful book by Betty DeGeneres, the world-famous mother of TV and film actress Ellen DeGeneres. Packed with helpful advice from a mother who understands what it

means to help and support a gay child, this is an ideal book for anyone coming to terms with having a gay son or lesbian daughter or for anyone in conflict with family and friends over their sexuality.

*Ellen DeGeneres Up*

*Close Createspace*

Independent Publishing Platform

A beautifully written and evocative memoir of pain and redemption, of hurt and healing, from an actress whose private life and personal choices have made her a household name. "My life is a life movies are made of," wrote Anne Heche in the proposal for her memoir. Yet what is truly surprising about Heche is that the most publicized event of her past -- her romance with Ellen

DeGeneres -- is only one development in a fascinating and difficult life that has included more than its share of heartache and tragedy. Heche's memoir reveals the woman behind the headlines, one who has conquered overwhelming odds. Far from a celebrity memoir, this is an empowering and thought-provoking book guaranteed to surprise and inspire.

**Lightness** Harper Collins

ABOUT THE BOOK Ellen DeGeneres is a stand-up comedian, a TV show host, an actress, and an author. She gained her celebrity status through years of stand-up comedy in the early 1980s, earning her first major breakthrough after she

was nationally recognized and named "The Funniest Person in America" after winning a competition sponsored by the cable network Showtime, according to IMDb. Her next big break in the public eye was in 1986 when "acting on a tip from Jay Leno, The Tonight Show starring Johnny Carson sent a booking agent to catch her act at the Improv in Hollywood," as Bio reports. The booking agent liked what he saw, and Ellen was invited to The Tonight Show as a result. Her popularity soared. Ellen is most famous today for her daily talk show, The Ellen DeGeneres Show, which launched in 2003. Ellen also previously starred in two TV sitcoms, Ellen, from 1994 to 1998 and The Ellen Show, from

2001 to 2002. In addition to her comedic talent, Ellen has a strong voice in the gay and lesbian community, as she is a lesbian herself. She often uses her celebrity to speak out about gay marriage rights. MEET THE AUTHOR Macie Melendez has been a professional writer since 2005 and has been published in various publications, including Home Energy and San Francisco magazine, among others. She graduated with a Bachelor of Arts in English from San Diego State University, and currently lives in San Francisco with her husband and their dog. EXCERPT FROM THE BOOK Ellen Lee DeGeneres was born on January 26, 1958, in Metairie, Louisiana, a suburb of New Orleans.

She has fond memories of the city where she spent most of her childhood, and once told New Orleans Magazine, "I rode my bike everywhere. All over the campus [of Newcomb College]. All over uptown. You know, people can grow up in New Orleans without realizing how unique a city it is. I remember thinking that it was a really neat place." Her father, Elliott DeGeneres, was an insurance salesman and her mother, Betty DeGeneres, was a real-estate agent; they divorced when she was 13 years old. It was after the divorce in 1974 that, according to People magazine, Ellen and her mother moved from New Orleans to the small town of Atlanta, Texas. Ellen's older brother, Vance,

stayed to live with their father. Ellen remembers this time finding a closeness with her mother as they dealt with the sadness or the divorce. She was also quoted in the St. James Encyclopedia of Popular Culture saying that she often used comedy to help her mom feel better. "My mother was going through some really hard times and I could see when she was really getting down, and I would start to make fun of her dancing," she said. "Then she'd start to laugh and I'd make fun of her laughing. And she'd laugh so hard she'd start to cry, and then I'd make fun of that. So I would totally bring her from where I'd seen her start going into depression to all

the way out of it." Buy a copy to keep reading!

Bluewater Productions  
Betty White, Kathy Griffin, Rosie O'Donnell, and Ellen DeGeneres are some of the most entertaining and hilarious women in modern-day comedy. The Female Force comic series offers a broad examination of strong and influential women who have shaped modern history and culture. This graphic novel features these comedy queens for the first time, together!  
**My Point...And I Do Have One** Core Library  
Ellen DeGeneres is a stand-up comedian, actor, author, and TV host whose daytime talk show won an unprecedented fifteen

Emmy Awards just in its first three seasons. She made television history in 1986 as the first female comedian to be invited by Johnny Carson to the famed "couch" after her first performance on his show, and in 1997 when she revealed her homosexuality to Oprah Winfrey on the air. This profile offers insight into Ellen DeGeneres' life and the career ups and downs that led to her success. *Ellen Degeneres: A Biography* In the Spotlight "Mom, I'm gay." With three little words, gay children can change their parents' lives forever. Yet at the same times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same

bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In *Love, Ellen*, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her

daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out Project. With a mother's love, clear minded common sense, and hard won wisdom, Betty DeGeneres offers up her own very personal memoir to help parents understand their gay children, and to help sons and daughters who have been rejected by their families feel less alone.

Bloomsbury Publishing USA  
Celebrate the amazing accomplishments of LGBTQ activist and trailblazer Ellen DeGeneres in this charming board book. In this beautifully illustrated board book series, parents can celebrate the accomplishments of LGBTQ heroes, and introduce their little ones to the trailblazers who have shaped our world. Ellen

DeGeneres, one of the most recognizable entertainers in the world, has been making people laugh for nearly 40 years. As an actress, Ellen played the first gay lead character in a prime-time show, helping to pave the way for representation for LGBTQ people. Through her sitcoms, talk show, and iconic movies (Finding Nemo and Finding Dory), Ellen has become known for her hilarious wit and gigantic heart. Her activism and visibility have been transformative, and in 2016, she received the Presidential Medal of Freedom. Ellen, among many other LGBTQ heroes, has been an incredible force, paving the way for future generations.
