Love is me, and love is
you. You see, when you
smile I smile too. When
you're around, the skies

are blue. It's like being
happy . . . times two!
Monica Sheehan's
delightful follow-up to Be
Happy! reminds readers
about the surprisingly
simple acts that
demonstrate love: giving
a hug, sharing your toys,
being a good friend, and
much more. This vibrant,
uplifting title all about
love makes a perfect gift
for Valentine's Day or any
time of the year!

Stower

The day it rained hearts,
Cornelia Augusta
gathered up an armful
and began to make
Valentines for all her
special friends. Four-color
illustrations. 15,000print.
The Snow Globe Family
Two Lions
The city of Ludlow is
gripped by the hottest July
on record. The asphalt is
melting, the birds are

dying, petty crime is on the rise, and someone in Hannah Wagner's peaceful suburban community is killing girls. For Hannah, the summer is a complicated one. Her best friend Lillian died six months ago, and Hannah just wants her life to go back to normal. But how can things be normal when Lillian's ghost is haunting her bedroom, pushing her to investigate the mysterious string of murders? Hannah's just trying to understand why her friend self-destructed, and where she fits now

that Lillian isn't there to save her a place among the social elite. And she must stop thinking about Finny Boone, the big, enigmatic delinquent whose main hobbies seem to include petty larceny and surprising acts of kindness. With the entire city in a panic, Hannah soon finds herself drawn into a world of ghost girls and horrifying secrets. She realises that only by confronting the Valentine Killer will she be able to move on with her life - and it's up to her to put together the pieces before

he strikes again.

Day It Rained Hearts

Blue Sky at Night Pub

Simple but powerful, *Journal Buddies* is no ordinary journal. It is an invitation to experience a journaling adventure and to expand creativity and express feelings. It is an opportunity to strengthen self-esteem, build healthy relationships and create a positive outlook on life. It is a unique journal created with the help of

important people in life, such as friends, parents, teachers, family members, etc.

Marylou and Herbie, two garden slugs, write love poems in slime to one

another but have trouble actually meeting.

Little Critter: Happy Valentine's Day, Little Critter! Simon and Schuster

In ancient Rome there lived a humble man named Valentine. He was a physician, but he was also a Christian priest whose life and freedom were in constant danger in a city of people who believed in many gods, not just one. One day a jailer from the emperor's prison appeared at Valentine's door with his small child, a girl who was

blind. Knowing the difficulty of curing blindness, Valentine vowed to do his best, and over the weeks of treatment and prayer the three became fast friends. Here, accompanied by Sabuda's full-color mosaics evoking the time period in which the story takes place, is the story of a man whose goodness and faith brought about a miracle, and whose name lives on in one of our most celebrated holidays. Reinforced binding.

From epic sieges and

dramatic battles to thrilling jousts and lavish banquets, take a look at the exciting world of castles and knights.

Packed with facts and dramatic, atmospheric photographs, this book is great for homework and projects or just for fun.

Journal Buddies Taschen
Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have

the time and resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions.

Cochrane Reviews respond to this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library (www.thecochranelibrary.com). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the

preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. It is hoped therefore that this book will be invaluable to all

those who want to understand the role of systematic reviews, critically appraise published reviews or perform reviews themselves.

Slugs in Love Scholastic Paperbacks

A collection of ideas for activities to use in conjunction with over 90 children's books.

More Than Letters, Standards Edition

Firsthand Books

For decades early childhood educators in high-quality programs have understood that the

transition into reading and writing occurs naturally when young children are surrounded by opportunities to interact with print in ways that are meaningful to them. The original edition of *More Than Letters*, first published in 2001, showed teachers how to intentionally help children develop literacy skills through hands-on, play-based activities. Like the original edition, the *Standards Edition* is based on theory and research. It contains new chapters that specifically focus on

developing the skills needed to decode literature and informational text. Expanded chapters include activities that target specific concepts included in national literacy standards.

A Letter from Your Teacher

HarperCollins
One day it rains hearts, and Cornelia Augusta catches them. Each heart is special in its own way, and Cornelia Augusta knows exactly who to send them to.

The Little Book Of Valentine's Day:

(Children's Book about Valentine's Day, How to Give and Receive Love, How to Celebrate Ages 3 10, Preschool, Kinde
Heinemann Educational Books

A clever picture book about the fun of making new friends and building unlikely relationships—and playing in the snow! From the bestselling author of *Nugget and Fang*. Beaver is good at making just about everything...but not friends. One winter day, Beaver sees some snowflakes in the sky and

gets a great idea: he'll make a friend. Yes! A snowman will be a great friend! Raccoon passes by as Beaver sets to work and offers a helping hand. The two work side by side to give their snowman everything a friend needs. But when the snowman proves to be a little cold, Beaver discovers that he may have unknowingly "made" another buddy instead. Perfect for snuggling together for a read-aloud, this sweet snowy friendship story from Tammi Sauer and Alison Friend will warm

the hearts of young readers.
