The Church, in its present state, will not survive much longer. We are in need of a radical change! In *Delivered from Evil*, his third book in a series on spiritual warfare, Rick Joyner demonstrates how this change will include dismantling the strongholds of fear, confusion and human idealism. He directs Christians to the greatest weapons in their spiritual arsenal: love, humility and restoration. *Delivered From Evil* heralds the new breed of leadership who will embody these qualities, teaches the biblical meaning of true apostolic calling, and shows how the last day Church will draw people back to the heart of God.

[The Prophetic History](#) *The Final Quest*

Rick Joyner brilliantly relays a panoramic vision of the ultimate

battle between the forces of good and evil, taking place just beyond the veil of this world. Guided by Wisdom, Joyner embarks on a journey from the battlefield where the hordes of Hell wreak havoc, to the Mountain of the Lord and eventually through the ranks of Heaven itself. In the mid-1990s, Rick Joyner received a prophetic vision of the ultimate clash between the forces of good and evil. Guided by Wisdom, Joyner embarks on an incredible journey from a grim battlefield, where the hordes of hell wreak havoc, to the mountain of the Lord where he fights alongside fellow soldiers, eventually making his way through the ranks of heaven. The result of this brilliant, panoramic vision is the bestselling book *The Final Quest*. When first published it quickly topped the bestseller charts, selling more than one million copies and becoming an instant classic. His follow-up book, *The Call*, continues the larger-than-life saga, challenging readers to live out the truth they discover along the way. Packed with spiritual insights, *The Vision* now brings both classics together in a single book. Joyner's experience offers both encouragement and a warning to the faithful followers of Jesus. We must remain sober about our enemy and do everything we can to help prepare our brothers and sisters. And we must always remember we serve a loving God who gave Himself for us and is calling us to do the same.

*An Urgent Wake-Up Call* Thomas Nelson

The ministry of the apostle is the linchpin ministry of the church, and without it the church cannot become what it is called to be. While the world and much of the church has focused on scandals and problems in the church, that which is now being called 'The New Apostolic Reformation' emerged and quickly became, not

only the fastest growing part of the church, but the fastest growing religious movement of any kind on the earth. For this reason the subject addressed by this book is one of the most important for our times.

*The Call* continues the message introduced in *The Final Quest* that challenged Christians around the world to begin living the truth which they have been entrusted with. *The Call* is a call to life, a call to love in the unprecedented glory of the Son of God, a call to sacrifice, and to do all things for the sake of the gospel. The darkness will soon be over, and the day of our Lord will dawn. Now is the time for us to take a stand against the great darkness of our time for the sake of the Light who is greater and is surely coming, for it is written: "And it shall be in the last days," God says, "that I will pour forth of My Spirit upon all mankind; and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams; even upon My bondslaves, both men and women, I will in those days pour forth of My Spirit and they shall prophesy" (Acts 2:17-18) The "last days" are here. These are the days of dreams, visions, and prophecy for the young and old, the sons and the daughters, the days that the great saints of old longed to see and in which we are privileged to live. "One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today.
