In his 1954 book "The Practice of Management", Peter Drucker coined the term "management by objectives" or MBO. MBO compares the performance of employees to the typical standards required for that position. The belief behind MBO is that if employees help determine the standards, they will have more incentive to fulfill them. The Impact

of Peter Drucker on Management Theory - Tallyfy Management by objectives, also known as management by results, was first popularized by Peter Drucker in his 1954 book The Practice of Management. Management by objectives is the process of defining specific objectives within an organization that management can convey to organization members, then deciding how to achieve each objective in sequence. This process allows managers to take work that needs to be done one step at a time to allow for a calm, yet productive work environment. This process Management by objectives - Wikipedia Peter Drucker. Routledge, Jul 26, 2012 - Business & Economics - 368 pages. 3 Reviews.
