<p><i>Edition</i> Fleming H Revell Company While studying to be a minister, John Flynn longed to apply his training to help people in practical ways. Soon he discovered that his mission field was inside his own countrythe vast and dangerous outback, or Never Never, where life- and-death struggles were a constant reality. A man bursting with ideas and energy, John strove</p>	<p>endlessly to support isolated bushmen through innovations in radio and flight. Serving as superintenden t of the Australian Inland Mission and moderator general of the Presbyterian Church of Australia, he established desperately needed medical facilities and helped found the Flying Doctor Service. This national hero's lifelong efforts continue to touch lives</p>	<p>across Australia (1880-1951).
