Daybreak Woman
Texas Christian
University Press
What happens when
good animals stand by
and do nothing? Evil
flourishes. All is
content and peaceful
at Daybreak Farm until
a small group of goats
arrive. The newcomers,
whilst outwardly urging
tolerance and respect,
use a strict
interpretation of their
religious beliefs to
control the other
groups of animals and

run the farm for their
personal benefit. By
claiming that any
animal speaking
against them is
clovenophobic they are
able to shrug off any
criticism and continue
with their reign of
indoctrination, thereby
discouraging
individuality and
brushing aside any
animal that dares to
stand in their way. By
brainwashing the
young animals on the
farm they are able to
assemble a group of
supporters who will
follow them without
question. Two

chickens, Croaker and Scarlett, supported by a number of sheep, seek to expose the actions of the goats in an attempt to restore tolerance, respect, equality and diversity to the farm. But can they succeed when no animal is prepared to listen?

Essays on the Literature of the Beat

Generation Penguin
Triumph or disaster? An epic of medical heroism or evidence of Allied indifference to the fate of Europe's Jews? This narrative investigates the emergency relief operation following the British liberation of Belsen.

Dolphins at Daybreak Xlibris Corporation
Twelve years after the Change, Penelope Sheehan needs help

from shapeshifter Tru to help her use magic to brighten the Dark Age in the third novel in the series following *Nightfall* and *Midnight*. Original.

Daybreak Shae Ford
Read about the importance of cotton in America's history and learn about the lives of people who picked it and worked with it.

An Anglo-Dakota Life Random House Books for Young Readers

A new edition of this important work of Nietzsche's 'mature' philosophy.

Daybreak Multnomah Poetry. The title poem in William Fuller's DAYBREAK begins with something abstract. "At daybreak one saw receptacles from the day before and in those receptacles lay strings of

associations." From such associations "eyes emanating soft red light" emerge. Practical considerations follow--including the tax consequences of such associations--without weighing down the free flight of metaphor as a vehicle for "transparent uninterrupted thought." Definite pronouns without antecedents take on a physical presence too, as real as the history of ideas. Each poem in this collection builds a memory palace for how to forget.

Texas announces it will
leave the United States
and form a new
country. Families,
friends, and
professionals across
the United States see
old loyalties broken
and new loyalties
forged in the fires of
personal ambition and
necessity. Unknown,
average young people
find themselves on the
tip of the spear of the
upstart Texas Defense
Force, formed to
protect the new
country. In a night that
will forever change his
destiny, going-nowhere

sales clerk Michael Minze discovers he has a talent for killing, and bright but underachieving student Ann Militzer is offered a graduation present she can't refuse as a reward for her loyalty: the keys to a supersonic warplane. The leadership of the United States vows to stop Texas from seceding. And war ravages the nation.

Walking Since

Daybreak Seven Stories Press
This riveting book chronicles the lives of a group of fishermen from Ghana who took the long and dangerous journey to Southern Italy in search of work in a cutthroat underground economy. A story that illuminates the nature of high-risk migration around the world,

Darkness before Daybreak reveals the challenges and experiences of these international migrants who, like countless others, are often in the news but are rarely understood. Hans Lucht tells how these men live on the fringes of society in Naples, what the often deadly journey across the Sahara Desert and Mediterranean Sea involved, and what their lives in the fishing village of Senya Beraku—where there are no more fish—were like. Asking how these men find meaning in their experiences, Lucht addresses broader existential questions surrounding the lives of economic refugees and their death-defying struggle for a life worth living. He also considers the

ramifications of the many deaths that occur in the desert and the sea for those who are left behind.

Daybreak Houghton Mifflin Harcourt
 Journey to Daybreak is a spiritual guide for those who are experiencing a season of darkness on their path to a new day of light. In this wonderful little book, Martha Toney has explored the hidden shadows of everyday life and found not only many pathways to the light but also hidden blessings to be treasured in the darkness. With poignant personal anecdotes and a rich banquet of Christian wisdom from the past, she gives the reader a road map to daybreak and the encouragement to

follow it (Dr. John W. Howe, Episcopal bishop of Central Florida, retired). Dr. Toney's journey is an outstanding and insightful guide for those traveling through a dark season on their way to daybreak (Pat Williams, Orlando Magic senior vice president, author of *Woodens Forgotten Teams*). From the front steps of her childhood home to international operatic stages then onward to more than a decade at hospital bedsides, Dr. Martha Toney shares her remarkable spiritual journey in service to all who, in times of grief or fear, may be questioning the direction of our lives or our very existence. Her compassionate and compelling meditations guide us to draw

counsel and courage from the depths of our shadow experiences and rekindle the light of our lives purpose (Katherine Ciesinski, internationally renowned American mezzo-soprano, professor of voice, Eastman School of Music).

In this close-knit Amish family, nothing is as perfect as it seems . . . When Viola Keim starts working at a nearby Mennonite retirement home, she strikes up an unlikely friendship with resident Atle, whose only living relative, son Edward, is living as a missionary in Nicaragua. Viola understands the importance of mission work, but she can't imagine leaving her

father in the hands of strangers. Even though her family is New Order Amish, it's not the Amish way, and though she doesn't know Ed, she judges him for abandoning his father. But when Ed surprises his father with a visit, Viola and Ed both discover an attraction they never expected. Despite her feelings, choosing Ed would mean moving to a far-off country and leaving her family behind. She can't do that. Her twin sister, Elsie, is going blind and will need someone to care for her all her life. Her family is reeling with the recent discovery that her grandmother hid her past as an Englischer. Her father seems forgetful and distracted—and to be harboring some secrets of his own. Does Viola

dare leave them all behind and forge her own life? Or will family ties mean her one chance at love slips away?

Until the Daybreak

WestBow Press

A headspinning thriller from crime writer Deon Meyer: the story of an ex-cop who has seven days to solve a seemingly unsolvable crime -- the answer to which lies in his own dark past. When Johannes Jacobus Smit, an antiques dealer, is found burned with a blowtorch and killed execution-style with a single shot to the back of the head, former cop Zatopek "Zed" van Heerden is called in to investigate the unusual circumstances of the murder. Zed is still obsessed with the betrayals of his own past but must fill in the

blanks of this victim's life. Who tortured and killed Smit, and who was Smit in the first place? Not the man whose papers he carries, that much is certain. Zed can never be sure of the loyalties of the people with whom he is dealing -- his own past reputation ensures that -- and he soon finds himself uncovering secrets that the security services of many countries would like left alone. "Exciting....A terrific ride on almost every level."-Chicago Tribune

The Daybreak Boys

Daybreak

After Daybreak brings J. A. London's romantic dystopian Darkness Before Dawn series to a thrilling conclusion. Dawn grew up behind a wall, terrified of the vampires outside who

controlled the lives of humans and demanded their blood. But when she became a delegate for her city and met Victor, she realized that not all vampires were the same, that maybe one could be trusted. Now Day Walker Sin is infecting his followers with a disease that turns them into mindless killers. Dawn and Victor will have to convince humans and vampires to band together to stop him, because alone they will all die. After Daybreak is perfect for fans of the Morganville Vampires or Vampire Diaries series.

Forty Days from Darkness to Light

University of California Press

Midlan has awoken. Soldiers pour from between the gates and monsters descend upon the Kingdom. When Midlan turns its eye to Copperdock, Kael quickly discovers that no realm is safe from the wrath of the King. But while he fights to keep Crevan's soldiers away from his friends, other powers rise up behind him — including an army so terrible that it threatens to devour everything. All paths lead to Midlan, every fate hinges upon a final battle, and the bloodshed will bring about a reckoning a thousand years in the making — a plan woven by Fate, herself. There's only one soul

she can't cast for: a boy from the mountains who might undo everything, if he isn't stopped. When Kael's journey carries him to the battle's end, he doesn't know that the fate of the Kingdom rests upon his shoulders. The choice he makes will forever change his world ... and bring him to the story's end.

An award-winning Argentine/Mexican poet takes ideas that are often seen as opposites and presents them in poems that show the continuum of life.

Daybreak SIU Press
What sort of girl loves sin like I do? What sort of person thrives in it? I'm the princess to a dirty throne of motorcycles and

madness, daughter of the president of the Death by Daybreak Motorcycle Club. My father's four closest officers--men dressed in blood and death and sin--they're my honor guard, cloaked in leather vests and tattoos. Only, there's nothing honorable about them at all. They're all wrong for me. Every motorcycle club has its old ladies. These guys ... they share one. They share me. ***I WAS BORN RUINED is a 90,000 word new adult, reverse harem, motorcycle club romance with one daring, bada** leading lady, her four sexy outlaws, and a romantic suspense plot. Contains cursing, violence, and sexual situations.

In these critical essays Gregory Stephenson takes the reader on a journey through the literature of the Beat Generation: a journey encompassing that common ethos of Beat literature—the passage from darkness to light, from fragmented being toward wholeness, from Beat to Beatific. He travels through Jack Kerouac's *Duluoz Legend*, following Kerouac's quests for identity, community, and spiritual knowledge. He examines Allen Ginsberg's use of transcendence in "Howl," discovers the Gnostic vision in William S. Burroughs's fiction, and studies the

mythic, visionary power of Lawrence Ferlinghetti's poetry. Stephenson also provides detailed examinations of the writing of lesser-known Beat authors: John Clellon Holmes, Gregory Corso, Richard Fariña, and Michael McClure. He explores the myth and the mystery of the literary legend of Neal Cassady. The book concludes with a look at the common traits of the Beat writers—their use of primitivism, shamanism, myth and magic, spontaneity, and improvisation, all of which led them to a new idiom of consciousness and to the expansion of the parameters of American literature. *Thoughts on the Prejudices of Morality* Dell Publishing
