 A beautiful, new edition of the beloved fantasy hailed as "the stuff of epic tale telling" (Booklist), perfect for fans of Beauty and the Beast from New York Times best-selling author Edith Pattou. Rose has always longed for adventure, so when an enormous white bear appears one evening and makes her a mysterious offer, she accepts. In exchange for health and prosperity for her ailing family, she must live with the white bear in a distant castle. But Rose soon realizes that all isn't as it seems. As she tries to settle into her new life, she makes a devastating mistake. Now she must choose: return to her safe and loving family or go on a dangerous quest to fix what she has broken--and perhaps lose her heart along the way. A sweeping romantic epic as timeless as any fairy tale and thrilling as only the best fantasy novels can be.

**Brave New World Revisited** Tyndale House Publishers, Inc.  
 In this "fascinating and dangerous" Scottish noir, a detective scours Glasgow's gritty streets for two missing teens in the wake of a rock star's death (The Times, Book of the Month, UK). July 1973. The Glasgow drug trade is booming and Bobby March, the city's own rock star hero, has just overdosed in a central hotel. But even that tragedy competes for headlines with the story of a thirteen-year-old girl who's gone missing. As Det. Harry McCoy knows only too well, every hour that goes by makes the Alice Kelly case more of a lost cause. Meanwhile, the niece of McCoy's boss has fallen in with a bad crowd and when she goes missing,

McCoy is asked—off the books—to find her. McCoy has a hunch that there's a connection between these events. But time to prove it is running out, the papers are out for blood, and the department wants results fast. Justice must be served. The third novel in the acclaimed Harry McCoy series combines a "breathless and tense retro crime caper" with a pitch-perfect depiction of 1970s Glasgow—its music, hard men, political infighting, class divisions, and the moral questions at its heart (The Sun, UK).

Including more than 60 elegantly photographed recipes, Pierre Hermé Macaron is the definitive guide to macarons. The uncontested leader of French pastry chefs, Pierre Hermé has made the macaron one of the most coveted, sought-after desserts from Tokyo to Paris to New York. In this comprehensive look at the beloved pastry, the classics such as vanilla and chocolate are explored alongside Hermé's masterful inventions. His entirely original and inspired flavor combinations--such as cucumber and tangerine, wasabi cream and straw-berry, and hazelnut and asparagus--make it clear why Hermé's macarons are famous the world over. The genius pâtissier's best macarons, including many of his newest recipes, are revealed for the first time in a gorgeous volume that almost rivals the beauty of the exquisite creations featured within. Hardcover includes a removable step-by-step guide to techniques used throughout the book.

"Born in Zurich and educated in Paris, jewelry designer Suzanne Syz moved to New York City in the 1980s where she encountered legendary artists Andy Warhol, Jean-Michel Basquiat, Julian Schnabel, Francesco Clemente, and Jeff Koons. Her relationships with these creative spirits greatly influenced her impressive contemporary art collection, and acted as a catalyst for her unique jewelry designs. Frustrated that she couldn't find the jewelry she wanted, Syz began crafting her own pieces in the mid-1990s. Today, the Geneva-based designer boasts a client list including the likes of Elizabeth Taylor, Princess Giora von Thurn und Taxis, the Archduchess Francesca von Habsburg-Thyssen, and Michelle Yeoh. Inspired by nature, childhood fairy tales, art, and her extensive travels, her one-of-a-kind creations are infused with an unparalleled sense of whimsy, joy, and magic"--

*The Rosary*: A rope that connects those who are in anguish with Heaven. A rope that strangles the head of the snake. Every Hail Mary is consolation for the distressed; terror for Satan and joy for Mary. Every Hail Mary hastens the glorious coming of the King." Father Daniel-Ange This book takes us on a journey through the mysteries of the rosary where we contemplate the lives of Jesus and Mary. Everything becomes real. We take Our Lady's hand and enter the stable of Bethlehem and the Temple of Jerusalem. We walk with her on the roads of Galilee, we suffer with her in the howling crowd before Pilate, we rejoice with Mary of Magdala adoring Jesus, who is victorious over death. As we travel with her, we soak up the graces within each mystery, like children fascinated by what they are watching, and we are transformed by these rays of light that flow from the Gospel. Not only does this book delve deeper than ever into the Joyful, Luminous, Sorrowful and Glorious mysteries, but there are meditations on 10 never seen before mysteries of Compassion and Mercy! These mysteries expound and bring to life God's infinite love and mercy for each one of us. Don't just read this book; live it!

Six hundred years into the future, humans are bred by cloning, and "mother" and "father" are forbidden words. Originally published in 1932, Huxley's terrifying vision of a controlled and emotionless future "Utopian" society is truly startling in its prediction of modern scientific and cultural phenomena, including test-tube babies and rampant drug abuse.

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the

crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

"Huxley uses his erudite knowledge of human relations to compare our actual world with his prophetic fantasy of 1931. It is a frightening experience, indeed, to discover how much of his satirical prediction of a distant future became reality in so short a time." — New York Times Book Review When Aldous Huxley wrote his famous novel *Brave New World*, he did so with the belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written more than twenty-five years later, *Brave New World Revisited* is a re-evaluation of his predictions based on the changes he witnessed over that time. In this twelve-part work of nonfiction,

one of the most important and fascinating books of his career, Huxley uses his tremendous knowledge of human relations to compare the modern-day world with his prophetic fantasy. He scrutinizes threats to humanity, such as overpopulation, propaganda, and chemical persuasion, and explains why we have found it virtually impossible to avoid them. *Brave New World Revisited* is a trenchant plea that humankind should educate itself for freedom before it is too late.
