Presupposition is frequently employed in order to enhance function of advertising language implicitly because of its own special properties and characteristics. Pragmatic Functions of Presupposition in Advertising English presupposition is meant to achieve certain functions like economy, persuasion, and

euphemism. Thus, pragmatic presupposition shows the relationship between language and the world. 3. Pragmatic Functions of Presupposition in Arabic This paper gives a brief introduction of pragmatic presupposition and analyzes its functions in advertising. The emphasis of this paper is placed on presupposition and its pragmatic functions of advertising language from three angles: presupposition and advertisement information,

presupposition psychology and market strategies of advertisements. Analysis of Presupposition and its Function in Advertisement further distinction: pragmatic presuppositions are purely speaker actions, whereas semantic presuppositions trace to conventional aspects of the meanings of specific words and constructions.
