The Hidden Children
Vintage

The majority of children who survived the Holocaust, whether in hiding or in labour and concentration camps, remained silent about their wartime

experiences. Those who wanted to talk, were often silenced by well-meaning adults who advised them to forget the past and get on with their lives. The memories and traumas simmered for nearly forty years, each child growing into adulthood thinking they alone struggled with the problems of traumatic memory, identity confusion and other

consequences. In the 1980's, there was a stirring of awareness amongst some child survivors about issues to be addressed. Small groups formed in the U.S.A. and Canada and gave birth to the child survivor movement, culminating in a large international gathering of "Hidden Children" in New York in 1991. This book

comprises a compilation of talks offered to child Holocaust survivors, over a 25 year period - from the birth of self-awareness to present day awareness of the need to inform the next generations of their parent's experiences. Dasberg, Krell and Wiesel are themselves child survivors. Moskovitz founded the Los Angeles Child Survivor group following her pioneering study of child survivors. Gilbert has written and lectured extensively about children in the

Holocaust. This book offers the child survivor an opportunity to reflect not only on survival but its effects. For the spouses and children it clarifies some of the dynamics unique to their families and for Mental Health professionals it provides insights into the effects of trauma as well as the remarkable resilience of traumatized children. *Invisible Jews* Farrar, Straus and Giroux (Byr) An expanded edition of the powerful memoir about two sisters' determination to survive

during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly

escaping the ever-present threats that loomed at every turn, the compelling events in Rena's Promise remind us that humanity and hope can survive inordinate brutality.

Gatehouse to Hell

Syracuse University Press
Are you ready to meet the Polish Anne Frank who survived? Rachel Rosenberg is a Holocaust survivor of 4 Nazi concentration camps. Learn about her remarkable experience during the Holocaust and its long-term aftereffects. Some of Rachel's

struggles within the Nazi SS final solution were similar to the tragic experience of Anne Frank. Both found poignant but fleeting young love. Each had an attic experience and both were chronicler-victims of World War 2. While Anne Frank survives in her diary, Rachel survived and is telling her story. Rachel endured 6 long years in Hitler's death camps. Rachel's remarkable saga didn't end with her liberation at the end of World War 2. Rachel had lost her idyllic community, her strong

Jewish spiritual roots, her adolescence and most of her immediate family. So thorough and diabolical was the Nazi Holocaust that Rachel even lost her birthday! Rachel tells us about those terrible personal moments in the camps when Life and Love struggled against Death personified. On one of these struggles with Death, Rachel's Love experienced that scream. That powerful Holocaust Scream is her biggest hurt. You can find out about that scream for yourself. Prepare to cry.

Rachel was clever and resourceful. She was able to hide in the camps. How could she do that? You will find out. When the camp gates were finally thrust open, Rachel had to reconnect to all those things that we take for granted. It wasn't easy. Rachel had to take charge in order to get through the post-war turmoil. Rachel became a beacon of help to many in need. Rachel and her husband Carl were interviewed by movie director Steven Spielberg. Some of her concentration camp and

ghetto experiences served as background for the movie, "Schindler's List." Learn about Rachel's encounters with Nazis in the United States. Rachel is witty and charming. Her attitude toward her Holocaust experience is truly remarkable. Find out how Rachel feels about the German people. Rachel is an example of the "leading lady" persona. What does it mean to be a "leading lady?" Rachel's story unfolds like a kaleidoscope of images. There is a rhythm to her

story, one that defies organization. The rhythm creates a remarkable connection with the reader. You will sense the rhythm as you resonate with it. Get ready. The story includes several dialogues with Rachel. In the dialogues, Rachel tells her story in her own words as much as possible. These dialogues reveal Rachel's keen memory, insight, honesty and vulnerability. Rachel has some advice for those who may be in terrible circumstances. You can meet this remarkable

women and follow the gripping tale of her life's struggles. It's time for you to meet Rachel. Come on in.

Hidden in Berlin Simon and Schuster

This work tells the story of seven hidden Jews in Hitler's Berlin. Rather than risking so-called resettlement they found themselves living in a shadowy underworld where they had to survive without identity cards and ration books.

Rena's Promise Wayne State University Press
Between 1941 and 1945,

thousands of German Jews, in fear for their lives, made the choice to flee their impending deportations and live submerged in the shadows of the Nazi capital. Drawing on a wealth of archival evidence and interviews with survivors, this book reconstructs the daily lives of Jews who stayed in Berlin during the war years. Contrary to the received wisdom that "hidden" Jews stayed in attics and cellars and had minimal contact with the outside world, the author

reveals a cohort of remarkable individuals who were constantly on the move and actively fought to ensure their own survival.

Invisible Years Beacon Press

Paris, 1937. Andras Lévi, a Hungarian-Jewish architecture student, arrives from Budapest with a scholarship, a single suitcase, and a mysterious letter he promised to deliver. But when he falls into a complicated relationship with the letter's recipient, he becomes privy to a

secret that will alter the course of his—and his family's—history. From the small Hungarian town of Konyár to the grand opera houses of Budapest and Paris, from the despair of Carpathian winter to an unimaginable life in labor camps, *The Invisible Bridge* tells the story of a family shattered and remade in history's darkest hour.

First One In, Last One Out
Simon and Schuster
For the Schwartz family, survival was the only option. Their will to live, and a bit a luck, kept the

family safe during the Holocaust, bringing them across Eastern Europe all the way to Israel. In 1937, the Shwartz family lived a calm life in their small village in Poland. Fifteen-year-old Rachel liked to sing and go out dancing at a local night club, while her older brother David was busy running a farm and raising a family with his wife Hinda. But all that changed when the war reached Butla. First, the Russians came and kicked them out of their house. Then, the Nazis came to cart them off. But the

Shwartz family resisted. David decided that no matter what, his family would not be taken captive. Instead, he snuck his family out of their village, through a large forest, and into Hungary, a place that was supposed to be safe. But that didn't last long. Again the Shwartz family found themselves on the run, escaping prison, Nazis, and bombings. *My Family's Survival* is the incredible true story of how the Shwartz family survived the Holocaust. It is a powerful tale of one

family's triumph during history's darkest moments. Fans of *The Tattooist of Auschwitz* and *We Were the Lucky Ones* will enjoy this riveting saga where hope prevails. [The Holocaust in Greece](#)

Delta

The incredible autobiography of an exiled child during WWII.

I Escaped from

Auschwitz Lume Books
This wonderfully charming memoir, written when the author was 93, vibrantly brings to life an all-but-forgotten time and place. It is a moving tale of

working-class life, and of the boundaries that can be overcome by love. "There are places that I have never forgotten. A little cobbled street in a smoky mill town in the North of England has haunted me for the greater part of my life. It was inevitable that I should write about it and the people who lived on both sides of its 'Invisible Wall.' " The narrow street where Harry Bernstein grew up, in a small English mill town, was seemingly unremarkable. It was identical to

countless other streets in countless other working-class neighborhoods of the early 1900s, except for the "invisible wall" that ran down its center, dividing Jewish families on one side from Christian families on the other. Only a few feet of cobblestones separated Jews from Gentiles, but socially, it they were miles apart. On the eve of World War I, Harry's family struggles to make ends meet. His father earns little money at the Jewish tailoring shop and brings home even less, preferring to

spend his wages drinking and gambling. Harry's mother, devoted to her children and fiercely resilient, survives on her dreams: new shoes that might secure Harry's admission to a fancy school; that her daughter might marry the local rabbi; that the entire family might one day be whisked off to the paradise of America. Then Harry's older sister, Lily, does the unthinkable: She falls in love with Arthur, a Christian boy from across the street. When Harry unwittingly discovers their

secret affair, he must choose between the morals he's been taught all his life, his loyalty to his selfless mother, and what he knows to be true in his own heart.

Hidden Like Anne Frank: 14 True Stories of Survival Scholastic Inc.

Interviews with eighteen Jewish "hidden children" of France and Belgium, telling the story of their survival during World War II. The history of France's "hidden children" and of the French citizens who saved six out of seven

Jewish children and three-fourths of the Jewish adult population from deportation during the Nazi occupation is little known to American readers. In *The Hidden Children of France, 1940-1945*, Danielle Bailly (a hidden child herself whose family travelled all over rural France before sending her to live with strangers who could protect her) reveals the stories behind the statistics of those who were saved by the extraordinary acts of ordinary people. Eighteen

former "hidden children" describe their lives before, during, and after the war, recounting their incredible journeys and expressing their deepest gratitude to those who put themselves at risk to save others. "I make[s] a contribution to our knowledge of the Holocaust." "AJL Reviews" "In interviews, the survivors revealed the social and psychological struggles they have had to cope with over the years. Most have pursued productive careers and raised families. Told in

interview or narrative form, both ways are illuminating and made more so by Betty Becker-Theye's unusually fluent translation." "Sacramento Book Review" "The Hidden Children of France documents the stolen childhoods of eighteen Holocaust survivors who are among the last witnesses of the Nazi era. During this time The New School's University in Exile brought to safety over 180 great scholars whose very lives, just like these children, were threatened by

National Socialism and the evil of Hitler. It is through the stories of survivors that we preserve the truth and history of the past and educate our future generations to ensure compassion and justice for all." "Bob Kerrey, President, The New School" "Meticulous translation. Unlike some testimony literature where the voice recording prevails, in this collection each testimony retains an individual voice." "Marilyn Gaddis Rose, translator of Charles-Augustin Sainte-

Beuve's Volupté: The Sensual Man
Survivors: True Stories of Children in the Holocaust

Scholastic Inc.

In the terrifying summer of 1942 in Belgium, when the Nazis began the brutal roundup of Jewish families, parents searched desperately for safe haven for their children.

As Suzanne Vromen reveals in *Hidden Children of the Holocaust*, these children found sanctuary with other families and schools-but especially in Roman Catholic convents and orphanages. Vromen

has interviewed not only those who were hidden as children, but also the Christian women who rescued them, and the nuns who gave the children shelter, all of whose voices are heard in this powerfully moving book. Indeed, here are numerous first-hand memoirs of life in a wartime convent-the secrecy, the humor, the admiration, the anger, the deprivation, the cruelty, and the kindness-all with the backdrop of the terror of the Nazi occupation. We read the stories of the

women of the Resistance who risked their lives in placing Jewish children in the care of the Church, and of the Mothers Superior and nuns who sheltered these children and hid their identity from the authorities. Perhaps most riveting are the stories told by the children themselves- abruptly separated from distraught parents and given new names, the children were brought to the convents with a sense of urgency, sometimes under the cover of darkness. They were

plunged into a new life, different from anything they had ever known, and expected to adapt seamlessly. *Vromen* shows that some adapted so well that they converted to Catholicism, at times to fit in amid the daily prayers and rituals, but often because the Church appealed to them. *Vromen* also examines their lives after the war, how they faced the devastating loss of parents to the Holocaust, struggled to regain their identities and sought to memorialize those who

saved them.

Child Holocaust Survivors

Jewish Heritage Project Incorporated

A professor of German history begins a long journey back into a past she has pushed aside, returning to Germany to reopen the wounds of her own life--as well as that of her mother--as a child living in Nazi Germany. 20,000 first printing.

Maybe You Will Survive

Rosetta Books

"Invisible Years tells the story of an extended Jewish family in the Nazi-

occupied Netherlands, who, when faced with imminent deportation and death, split up and went underground. With intimate firsthand accounts, photographs, artifacts, and historical references, award-winning book designer Daphne Geismar weaves together her family's multi-generational experience during World War II." -- *Hiding in Plain Sight* Createspace Independent Pub
For readers of *The Boy Who Dared* and *Prisoner B-3087*, a collection of

unforgettable true stories of children hidden away during World War II. Jaap Sitters was only eight years old when his mother cut the yellow stars off his clothes and sent him, alone, on a fifteen-mile walk to hide with relatives. It was a terrifying night, one he would never forget. Before the end of the war, he would hide in secret rooms and behind walls. He would suffer from hunger, sickness, and the looming threat of Nazi raids. But he would live. This is just one of the

true stories told in *Hidden*. Like Anne Frank, a collection of eye-opening first-person accounts that share the experience of going into hiding to escape the Holocaust. Some were just toddlers when they were hidden; some were teenagers. Some hid with neighbors or family, while many were with complete strangers. But all know the pain of losing their homes, their families, even their own names. They describe the secret network that kept them safe. And they share the

coincidences and close calls that made all the difference.

Ghost Citizens Berghahn Books

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed

descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of

Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers

reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances. **Children of Dust and Heaven** Createspace Independent Pub Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the

true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the

face of hatred will move you, captivate you, and, ultimately, inspire you.

The Invisible Bridge

Invisible Jews

The incredible true story of a young girl who navigated dangerous forests, outwitted Nazi soldiers, and survived against all odds with the companionship of a stray cat. Growing up in the Polish village of Tarnograd on the fringes of a deep pine forest, Mala Szorer had the happiest childhood she could have hoped for. But at the age of twelve, as the German

invasion begins, her beloved village becomes a ghetto and her family and friends reduced to starvation. She takes matters into her own hands and bravely removes her yellow star, risking sneaking out to the surrounding villages to barter for food. It is on her way back that she sees her loved ones rounded up for deportation, and receives a smuggled letter from her sister warning her to stay away. In order to survive, she walks away from everything she holds

dear to live by herself in the forest, hiding not just from the Nazis but hostile villagers. She is followed by a stray cat who stays with her—and seems to come to her rescue time and time again. "Malach" the cat becomes her family and her only respite from painful loneliness, a guide, and a reminder to stay hopeful even when faced with unfathomable darkness. Filled with remarkable spiritual strength that allows readers to see the war through the innocence of a child's

eyes, Mala's Cat is a powerful and unique addition to the Holocaust canon.

After Long Silence

Perfection Learning

A summary of Polish-Jewish relations up to and during the Holocaust outlines how the Polish people were involved in the Holocaust as witnesses, the subsequent denial of involvement after the war, and the communist manipulation of Holocaust memory in the struggle between the Solidarity movement and the Polish government.

Survival in the Shadows

iUniverse

The remarkable true story of two German Jewish families that survived against all odds while hiding in the heart of the Nazi capital In January 1943, unable to flee Germany, the four members of the Arndt family went underground to avoid deportation to Auschwitz. Ellen Lewinsky and her mother, Charlotte, joined them; a year later, Bruno Gumpel arrived. Hiding in a small factory near Hitler's bunker, without

identification cards or food-ration stamps, they were dependent on German strangers for survival. When Russian soldiers finally rescued the group in April 1945, the families were near death from starvation. But their will to live triumphed and two months later, four of the survivors--Erich Arndt and Ellen Lewinsky, and Ruth Arndt and Bruno

Gumpel--reunited in a double wedding ceremony. Survival in the Shadows chronicles the previously untold story of the largest group of German Jews to have survived hiding in Berlin through the final and most deadly years of the Holocaust. Relayed to Barbara Lovenheim by three survivors from the

group, the riveting story is a touching portrayal of the bravery of these seven Jews, and a heartfelt acknowledgment of the fortitude and humanity of the compassionate Germans who kept them alive.
