This book presents original, empirical data from quantitative and qualitative research studies in the field of language learning aptitude, ability, and individual differences. It does so from the perspectives of Second Language Acquisition, psychology, neuroscience and sociolinguistics. All studies included in the book use a similar and uniform layout and methodology. Each chapter contains a study examining factors such as memory, personality, self-concept, bilingualism and multilingualism, education, musicality or gender. The chapters investigate the influence of these concepts on language learning aptitude and ability. Several of these chapters analyse hypotheses which have never been tested before and therefore provide novel research results. The book contributes to the field both by verifying and contesting existent findings and by exploring novel approaches to devising research in the subject area.

As per this circular, the C.B.S.E. will undertake Aptitude Test twice, once at the end of Class IX and then at the end of Class X. The Aptitude Tests along with other school records and CCE would help teachers, students and parents in deciding the choice of subjects in Class XI. The present series of books, 'Know Your Aptitude' for Classes IX and X covers all aspects of aptitude testing required at these levels. Each of these books has been divided into two units, namely General Aptitude Test and Scholastic Aptitude Test. General Aptitude Test comprises the following topics : 1. Visual Reasoning 2. Numerical Reasoning 3. Verbal Analysis 4. Sequential Reasoning 5. Spatial Recognition 6. Three-D 7. Systems 8. Vocabulary 9. Aptitude Profiling and Selection of Subjects 10. Aptitude Tests Scholastic Aptitude Test comprises four Scholastic Aptitude Tests in each of the following subjects : 1. Mathematics 2. Science 3. Social Science 4. English By going through these books, the learner will be able to (i) know what to study (ii) identify his/her weaknesses and overcome them (iii) actually improve his/her mental ability (iv) develop speed and (v) gain confidence. By working through these tests, the learner can build an Aptitude Profile. Using this Aptitude profile the learner can select the right subject for further course of study. In other words, these books are of great use in selecting the right subject for further study. These books provide one of the most scientifically designed tests to know the aptitude of the learner and his/her abilities to study a particular subject. Suggestions for the improvement of the books are most welcome. — The Publishers
