My Grandchildren love to read, and this time they got the opportunity to create their own Christian based book. What better way to teach kids about God but to ask children? This book asks the question, how do we talk to God? This book covers the exact conversation that me and my grandchildren had and some questions

that came up. This book is great for our early readers, and I hope you ENJOY!

One tiny, happy mouse's simple Thanksgiving dinner gets bigger and bigger. . . and bigger! Uh oh! This perfect Thanksgiving read-aloud gently reminds us to give thanks for the little things in life - and not to let our celebrations get too out of hand! After a family finishes Thanksgiving dinner, Mouse peeps out of his hidey-hole and spots a small green pea. It's the perfect feast for one mouse. But maybe he could add just one red cranberry, and then one shiny black olive, and then just one scoop of mashed potatoes? Soon his single pea has turned into a tall, wobbling feast. But how will Mouse ever get everything back home without spilling? With a building, rhythmic text and mouth-watering illustrations, *One is a Feast for Mouse* is a cheery holiday read where one more tiny thing might topple the whole adventure. For a smaller serving of this delicious tale, try the board book edition *Mouse's Thanksgiving*-- just right for the youngest readers. Perfect for fall story times, or to share as a gift with

loved ones and family both near and far. Don't miss the other Adventures of Mouse, including *Cinco de Mouse-o* and *Snow Day For Mouse*.

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

The perfect picture book for the holiday, this hilarious twist on the traditional Thanksgiving feast features Turkey as he hops from hiding place to hiding place to avoid ending up as the main course. With

Thanksgiving only one day away, can Turkey find a place to hide from the farmer who's looking for a plump bird for his family feast? Maybe he can hide with the pigs . . . or the ducks . . . or the horses . . . Uh-oh! Here comes the farmer! Run, Turkey, run!

**Little Jack Horner and Friends** Good HousekeepingThe Great Thanksgiving Escape

General John A. Wickham, commander of the famous 101st Airborne Division in the 1970s and subsequently Army Chief of Staff, once visited Antietam battlefield. Gazing at Bloody Lane where, in 1862, several Union assaults were brutally repulsed before they finally broke through, he marveled, "You couldn't get American soldiers today to make an attack like that." Why did those men risk certain death, over and over again, through countless bloody battles and four long, awful years? Why did the conventional wisdom -- that soldiers become increasingly cynical and disillusioned as war progresses -- not hold true in the Civil War? It is to this question-- why did they fight--that James McPherson, America's preeminent Civil War historian, now turns his attention. He shows that,

contrary to what many scholars believe, the soldiers of the Civil War remained powerfully convinced of the ideals for which they fought throughout the conflict. Motivated by duty and honor, and often by religious faith, these men wrote frequently of their firm belief in the cause for which they fought: the principles of liberty, freedom, justice, and patriotism. Soldiers on both sides harkened back to the Founding Fathers, and the ideals of the American Revolution. They fought to defend their country, either the Union-- "the best Government ever made"--or the Confederate states, where their very homes and families were under siege. And they fought to defend their honor and manhood. "I should not like to go home with the name of a coward," one Massachusetts private wrote, and another private from Ohio said, "My wife would sooner hear of my death than my disgrace." Even after three years of bloody battles, more than half of the Union soldiers reenlisted voluntarily. "While duty calls me here and my country demands my services I should be willing to make the sacrifice," one man wrote to his protesting parents. And another soldier

said simply, "I still love my country." McPherson draws on more than 25,000 letters and nearly 250 private diaries from men on both sides. Civil War soldiers were among the most literate soldiers in history, and most of them wrote home frequently, as it was the only way for them to keep in touch with homes that many of them had left for the first time in their lives. Significantly, their letters were also uncensored by military authorities, and are uniquely frank in their criticism and detailed in their reports of marches and battles, relations between officers and men, political debates, and morale. *For Cause and Comrades* lets these soldiers tell their own stories in their own words to create an account that is both deeply moving and far truer than most books on war. *Battle Cry of Freedom*, McPherson's Pulitzer Prize-winning account of the Civil War, was a national bestseller that Hugh Brogan, in *The New York Times*, called "history writing of the highest order." *For Cause and Comrades* deserves similar accolades, as McPherson's masterful prose and the soldiers' own words combine to create both an important book on an often-overlooked aspect of our bloody Civil

War, and a powerfully moving account of the men who fought it.

A hilarious, kid-friendly take on Thanksgiving — full of family, food, and lots of fun! Features an audio read-along! It's another Thanksgiving at Grandma's. Gavin expects a long day of boredom and being pestered by distantly related toddlers, but his cousin Rhonda has a different idea: make a break for it — out of the kids' room to the swing set in the backyard! Gavin isn't so sure, especially when they encounter vicious guard dogs (in homemade sweaters), a hallway full of overly affectionate aunts, and worse yet, the great wall of butts! Will they manage to avoid the obstacles and find some fun before turkey time? Or will they be captured before they've had a taste of freedom?
