In a time of war and
doubt, Gull is an
oracle. Daughter of a
slave taken from fallen
Troy, chosen at the
age of seven to be the
voice of the Lady of the*

Dead, she is destined to counsel kings. When nine black ships appear, captained by an exiled Trojan prince, Gull must decide between the life she was born for and a most perilous adventure - to join the remnant of her mother's people in their desperate flight. From the doomed bastions of the City of Pirates to the temples of Byblos, from the intrigues of the Egyptian court to the haunted caves beneath Mount Vesuvius, only Gull can guide Prince Aeneas on his quest, and only she can dare the gate of the Underworld to lead him to his destiny. In the last shadowed days of the Age of Bronze, one woman dreams of the world beginning anew. This is her story. Just

as Marion Zimmer Bradley's *The Mists of Avalon* breathed new life into Arthurian legend, *BLACK SHIPS* evokes the world of ancient Greece with beautiful, haunting prose, extraordinary imagination, and a profoundly moving story.

Death by Silver Paolini

What all of mankind have learned in the past about creation is the way that existence

isn't -- a paradox!
Awaken and realize
that all of mankind will
create their "body for
Ascension," whether
they accomplish this
now or later, and that
this is not the exclusive
domain of Christ or
Buddha or many others
who have ascended --
this is your birthright.
You are not relegated
to worshipping those
who have already done
this very basic
initiation called
Ascension. Christ and
Buddha would be the
first to acknowledge
that they are just
beginners on their
eternal journey. When
mankind lifts the veils
of their unworthiness
and recognize that they
are the Sons of God,
that there is divine
equality and no one is
greater than another,
then you will have
begun our journey in

the way that it was
intended. In your near
future your Planetary
Hierarchy will release
the world from
theology,
ecclesiasticism and the
wrathful Jehovah and
return humanity to its
rightful journey into
spiritualizing matter,
not worshipping it! The
Mahatma is for those
who are motivated to
search for the answers
that can respond to
their mental and
spiritual bodies. In the
past, mankind's
choices of beliefs and
religions have
supported only the
emotional body and
the darker, material
side of life. And truly, if
one is going to remain
on Earth, very drastic
shifts of consciousness
will be required to have
mankind remain in
Earth's new fourth-
dimensional reality. No

matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension, and it also explains your eternal journey in a way that was never before available to mankind.

Henry Enrix in his book: Hawai'i The Last Stargate on Earth, The Ancient Mythology of

Hawai'i, teaches on the science of teleportation, and uses the example of the Hawai'ian culture on how, when, and why, and with what purpose, they crossed the oceans through a stargate to end up in the Hawai'ian archipelago in the middle of the Pacific Ocean. All your false beliefs, and knowledge, acquired throughout your life in higher education schools, and higher learning, that you have about the physical universe, shall be shaken to their core when you take the time to actually study, search, and research this compact material. You shall have a totally different perspective about time, space, and matter, and get a glimpse of these incredible occurrences

such as: Time travel, Time lapse, Time stop, Space travel, Suspended animation, Enix shall entice your mind to discover the secret ancient civilizations of the world that the Hawai'ian Mythology talks about, and take a closer look at their technologies, such as vimanas, laser rays, nuclear fission boring machines, holographic projection, suspended animation, instant fossilization, and nuclear weapons of mass destruction that they apported to the modern world. If you are able to understand this short cultural work: You shall know, and wonder about the colossal Nephilim tunnels which lay just beneath your feet. You shall discover the real purpose of all the

observatories around the world. You shall realize that there's is another world much bigger than the world that we know beyond the colossal ice walls. You shall acquire knowledge of the immense firmament foundations founded beyond the outer circle of the earth. You shall gain understanding of the very advanced underground cities created by the Nephilim, hidden right under the belly of the earth. You shall learn if it is possible, or not with our modern technology to travel through time, space, and matter. You shall know incredible real stories of suspended time, time lapse, time acceleration, and time manipulation. You shall acquire immense knowledge of ancient

weapons (Instant freezing, and fossilization of matter) only talked about in movies, cartoons, and caricatures. You shall create in your mind a totally different world before the Great Flood. You shall learn a glimpse of the Hawai'ian culture since its inception right after the Great Flood. Henry Enrix touches on the pantheon of the Hawai'ian culture, and how the very same demons (gods) they worship today, destroy their current generations, and their modern descendants. You shall also understand that everything that we are living on earth at this very moment, it has been lived in past cultures, and civilizations; that the very high technologies

of today, were the high technologies of yesterday, such as: Holographic projectionAvatar technologyInvisibility weaponsSubterranean city technologyVimana technologyStargate technology Nuclear bombs, and guided missilesConstant rain missile weaponsInstant freezing weaponsInstant fossilization weaponsNuclear weapons of mass destructionEnrix also goes deep in the insights of the spiritual world, on how to break the chains, and bonds, and shackles called ancestral curses, and how to follow the right path into the eternal realms of heaven, or hell. Henry Enrix dares you to go beyond your comfort zone, and listen with an open

mind to what The All-Mighty God of the Universe has to tell you personally, intimately, and pay attention to Him, obey Him, and follow Him. Don't hesitate to gain the knowledge, wisdom, and understanding that your brain is starving for, and God is willing to provide. King Solomon, the wisest, richest, and most blessed king of the world of all ages, once said: "Above all riches in the world, better than gold, and silver, and precious stones, seek FIRST intelligence, wisdom, and understanding."

STARGATE ATLANTIS Unascended (Legacy Book 7) Go! Media Entertainment Llc His practice newly established, metaphysician Ned Mathey can't afford to

turn away any clients. But the latest Londoner to seek Ned's magical aid gives him pause: Mr Edgar Nevett, an arrogant banker, is the father of the bully who made Ned's life hell at boarding school. Nevertheless, Ned accepts the commission to ensure the Nevett family silver bears no ancient or modern curses, and then prepares to banish the Nevett family to unpleasant memory again. Until Edgar Nevett is killed by an enchanted silver candlestick-one of the pieces Ned declared magically harmless. Calling on his old school friend Julian Lynes-private detective and another victim of the younger Nevett-Ned races to solve the murder, clear the stain on his professional

reputation, and lay to rest the ghosts of his past. Assisted by Ned's able secretary Miss Frost, who has unexpected metaphysical skills of her own, Ned and Julian explore London's criminal underworld and sodomitical demimonde, uncover secrets and scandals, confront the unexpected murderer and the mysteries of their own relationship. In *Death by Silver* veteran authors Melissa Scott and Amy Griswold introduce a Victorian London where magic works, influencing every aspect of civilized life, and two very appealing detectives. *Homecoming St. Martin's Paperbacks* It seems innocent enough. A disgraced British colonel

bequeaths a mysterious letter to his only son. But the moment Adam Scott opens the yellowing envelope, he sets into motion a deadly chain of events that threatens to shake the very foundations of the free world. Within days, Adam's lover is brutally murdered and he's running for his life through the great cities of Europe, pursued not only by the KGB, but by the CIA and his own countrymen as well. Their common intent is to kill him before the truth comes out. While powerful men in smoke-filled rooms plot ever more ingenious means of destroying him, Adam finds himself betrayed and abandoned even by those he holds most dear. When at last he comes to understand

what he is in possession of, he's even more determined to protect it, for it's more than a matter of life and death-it's a matter of honor.
