A Practical Guide to Working with the Messengers of Heaven to Empower and Enrich Your Life Open Road Media

In THE SEAT OF THE SOUL, Gary Zukav brilliantly set forth his concepts, explaining how the expansion of human perception beyond the five senses leads to a new understanding of 'authentic power'. Then, in SOUL STORIES, he revealed how such concepts as intuition, harmony, sharing and forgiveness actually express themselves in other people's lives. And now, in THE HEART OF THE SOUL, Zukav, together with his coauthor and spiritual partner, Linda Francis, takes the next important step in showing us how to actually apply these crucial concepts in our daily lives. Zukav reveals how true emotional awareness can transform the human experience. Although it is challenging and difficult, because it means becoming aware of suppressed pain, it is also enormously rewarding. But first the determination to explore every aspect of consciousness, and to cultivate those that contribute the most to life, must replace the desire to bury painful emotions. Ultimately emotional awareness can free us from the compulsions, fixations, obsessions and addictions that block our spiritual development - among them anger, workaholism, perfectionism, obsessive eating, alcohol, drugs, sex - and allow us to live a fulfilling and meaningful life. THE HEART OF THE SOUL will be a revelation for readers - a soul tool with which we can forge a greater emotional awareness to enable us to use our emotions in the creation of authentic power. It is a book to read not once, but several times, for it is a life-changing work that can transform our lives for the better.

In this amazingly timely story about what the wealthy do when Wall Street lays an egg, the author of *Gilding Lily* once again delivers a witty and insightful treatment of today's woman, as she explores the sacrifices they make, the bargains they strike, the rules they follow, and what happens when it all starts to fall apart. Who could have guessed that Wall Street would go south just as Marcy Emerson and her husband moved east? Down to earth Marcy relocated from Chicago to New York when her husband was offered a big time job as a hedge fund manager. She gives up her own job—after all, hedge fund wives don't work! And while at first it's fun to shop all day and party all night, Marcy quickly learns that life among the rich can be anything but easy and that behind every smile can be a stab in the back. Still, it's not until her husband leaves her for his thinner, blonder mistress—a woman who is higher up the social ladder than the original Mrs. Emerson will ever be—that Marcy decides to stand on her own two feet once again, and fight for the things that are far more important than money.

To find the manuscript, you will journey high into the Andes mountains and into the deepest places of the self. When the last of the nine Insights is revealed to you, you will have an exciting new image of human life, and a positive vision of how we will save this planet, its creatures and its beauty. But one Insight will still be missing...

Celestine Insights - Limited Edition of Celestine Prophecy and Tenth Insight Simon and Schuster

In the remote snow-covered mountains near Tibet lies a community long thought to be a mere myth called Shambhala, or Shangri-La. Here, in this place, is knowledge that has been kept hidden for centuries, and an insight that can have a profound impact on the way each of us lives our lives. Your search for Shambhala begins with the words of a child and the vision of an old friend. Those slender clues and a powerful synchronicity will lead to Kathmandu, Nepal, and then to Lhasa, Tibet. Amid blowing snows and perilous mountains, you will meet the members of the secret Tibetan sect that guards mysterious legends - the verbal instructions handed down for centuries that describe the inner changes one must undergo before entering Shambhala. Finally, with Chinese Agents in pursuit, you will pass through regions where anger and compassion struggle for ascendancy, and arrive at a place where the stunning reality about human prayer-energy - our underdeveloped ability to increase the synchronicity in our lives and influence what will happen to us in the future - is revealed. Like James Redfield's other books, *The Secret of Shambhala* has a parable effect. Open yourself to this amazing adventure and the experience will stretch your world view. It will also leave you determined to channel your thoughts and wishes into a dynamic force that can help you to liberate your life, enhance the lives of others and actively change the world.

The Celestine Vision Wellspring/Ballantine

In this step-by-step guide James Redfield begins his exploration of the emerging interest in spirituality around the globe. Beginning with a survey of the most common synchronistic experiences, he shows how those interested in broadening their spiritual perception can actually experience for themselves the shifts in consciousness that are changing the human world. Described as the most direct explanation of the new world vision presented in the phenomenally successful *Celestine* fiction series, this fascinating and illuminating book reveals the author's inside view of how we are discovering the transcendent in our everyday existence and interpreting our individual synchronicity to find our destined purpose in life. Based on James Redfield's own experiences and those reported to him from every corner of the world since the writing of *The Celestine Prophecy* and *The Tenth Insight*, this book describes the first-hand growth techniques *Celestine* fans everywhere are looking for - perfectly setting the stage for the next remarkable book in the *Celestine* series, *The Eleventh Insight*.

Heart Of The Soul Harper Collins

The poet and author's "beautiful . . . wise and warm" journal of time spent in her New Hampshire home alone with her garden, her books, the

seasons, and herself (Eugenia Thornton, Cleveland Plain Dealer). “Loneliness is the poverty of self; solitude is richness of self.” —May Sarton May Sarton’s parrot chatters away as Sarton looks out the window at the rain and contemplates returning to her “real” life—not friends, not even love, but writing. In her bravest and most revealing memoir, Sarton casts her keenly observant eye on both the interior and exterior worlds. She shares insights about everyday life in the quiet New Hampshire village of Nelson, the desire for friends, and need for solitude—both an exhilarating and terrifying

state. She likens writing to “cracking open the inner world again,” which sometimes plunges her into depression. She confesses her fears, her disappointments, her unresolved angers. Sarton’s garden is her great, abiding joy, sustaining her through seasons of psychic and emotional pain. *Journal of a Solitude* is a moving and profound meditation on creativity, oneness with nature, and the courage it takes to be alone. Both uplifting and cathartic, it sweeps us along on Sarton’s pilgrimage inward. This ebook features an extended biography of May Sarton.
