FUN FACT: "Becoming
Zara" is a standalone
novella, but if you're

following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway,

so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in

believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

Esref, my best friend and hero, was ordered by a magistrate to live in an Istanbul children's home. His angry mother and deviant step-father are trying to stop him from changing the world.

Will he remain a lonely and troubled little boy?

Will Istanbul devour him or nurture him?

Another small question that's been nagging me for the past fifty or so years... was my best friend a serial

murderer? Come with me on a magical flying carpet ride over, in and under Istanbul as I try

to discover Esref's fate. You believe in fate, don't you? Come with me and explore your deeper and darker self. Can you taste the vanilla in the air? Can you feel cinnamon? Esref, Tarsin and I promise you a magical adventure for the good of the rest of your life. You do believe in magic, don't you? And serial murder?

Inside the FBI's Elite Serial Crime Unit

HarperCollins

OBSESSION examines the many violent interpersonal crimes committed against women and the elderly, providing extraordinary insight into what motivates the perpetrators who commit them. With profiles of many well-known cases and criminals, as well as an invaluable chapter on

how you can protect yourself and your loved ones from violence, John Douglas has written a groundbreaking book. *The Miracle* Stratton Press

With the price of admission, you are guaranteed a one-way ticket to hell. There's no deal on Earth like it. Do you want to spend eternity in the Kingdom of darkness but don't want to have to commit any real sins like murder or sodomy? Never before has this kind of deal been offered. All you have to do is pay the fee to purchase this book and your afterlife will be secured no matter how many orphans you feed or puppies you pet. Claim your ticket to Hell with proof of purchase over at www.RottingHorse.com

A parody of parables for the new ages. Join Jesus Christ on an adventure throughout the centuries as he joins forces with an unlikely immortal ally to expose the true faces of evil who call themselves, The Craftsmen. Enjoy this timeless tale of revenge and denial as Jesus delivers his own brand of holy justice. This exclusive early edit is available now for those who want to experience the artistic process. There are typos and other issues in this novel but none that we find too critical to stop us from letting you take a look behind the curtain. The final product may be very different (i.e. changing the the book from present tense to past tense is a strong consideration) from

The Anatomy of Motive
HarperCollins

A former FBI investigator examines some of his most complex cases and demonstrates how criminal profiling works.

Understanding the Dark and Twisted Mind of a Serial Killer
Arrow

The legendary FBI criminal profiler, number-one New York Times bestselling author, and inspiration for the hit Netflix show *Mindhunter* delves deep into the lives and crimes of four of the most disturbing and complex predatory killers, offering never-before-revealed details

about his profiling process, and divulging the strategies used to crack some of America's most challenging cases. The FBI's pioneer of criminal profiling, former special agent John Douglas, has studied and interviewed many of America's most notorious killers—including Charles Manson, "Son of Sam Killer" David Berkowitz and "BTK Strangler" Dennis Rader—trained FBI agents and investigators around and the world, and helped educate the country about these deadly predators and how they operate, and has become a legend in popular culture, fictionalized in *The Silence of the Lambs* and the hit television

shows *Criminal Minds* and *Mindhunter*. Twenty years after his famous memoir, the man who literally wrote the book on FBI criminal profiling opens his case files once again. In this riveting work of true crime, he spotlights four of the most diabolical criminals he's confronted, interviewed and learned from. Going deep into each man's life and crimes, he outlines the factors that led them to murder and how he used his interrogation skills to expose their means, motives, and true evil. Like the hit Netflix show, *The Killer Across the Table* is centered around Douglas' unique interrogation and profiling process. With his longtime

collaborator Mark Olshaker, Douglas recounts the chilling encounters with these four killers as he experienced them—revealing for the first time his profile methods in detail. Going step by step through his interviews, Douglas explains how he connects each killer's crimes to the specific conversation, and contrasts these encounters with those of other deadly criminals to show what he learns from each one. In the process, he returns to other famous cases, killers and interviews that have shaped his career, describing how the knowledge he gained from those exchanges helped prepare him for these. A glimpse into the mind of a man who has

pierced the heart of human darkness, *The Killer Across the Table* unlocks the ultimate mystery of depravity and the techniques and approaches that have countered evil in the name of justice.

Book One: Sojourn of Souls Createspace Independent Publishing Platform

The second book in *The Outlaw Preacher* series finds James, aka Nine Ball facing intense spiritual and physical warfare from page one! There is no grace period from Outlaw to Evangelist and the enemy is a sore loser. The preacher is the target and the collateral damage begins immediately. This is hard core evangelism and it's not for the closet Christian or mamby pamby wishy washy, it's for

contemporary warriors who recognize that we've been called to fight evil in our world. *The Outlaw Preacher* is a rough character who lives and loves at high speed. You will either love or hate this guy, but you cannot deny his love for the Lord or his woman, nor his devotion to his club.

Thirty Years of Battling Hot Viruses Around the World Simon and Schuster

In the #1 New York Times bestseller *Mindhunter*, John Douglas, who headed the FBI's elite Investigative Support Unit, told the story of his brilliant and terrifying career tracking down some of the most heinous criminals in history. Now, in *Journey into Darkness*, Douglas profiles vicious serial

killers, rapists, and child molesters. He is straightforward, blunt, often irreverent, and outspoken, but takes pains not to glorify any of these murderers. Some of the unique cases Douglas discusses include: -The Clairemont killer -The schoolgirl murders - Richmond's First Serial Murderer -The brutal and sadistic murder of Suzanne Marie Collins - Polly Klaas' abduction and murder by Richard Allen Davis, -The tragedy that led to the creation of Megan's Law With Journey into Darkness, Douglas provides more than a glimpse into the minds of serial killers; he demonstrates what a powerful weapon behavioral science has become. Profiling criminals helps not only to capture them,

but also helps society understand how these predators work and what can be done to prevent them from striking again. Douglas focuses especially on pedophiles and child abductors, fully explaining what drives them, and how to keep children away from them. As he points out, "The best way to protect your children is to know your enemy." He includes eight rules for safety, a list of steps parents can take to prevent child abduction and exploitation, tips on how to detect sexual exploitation, basic rules of safety for children, and a chart, based on age, which details the safety skills children should have to protect themselves. In his review for Mindhunter in The New

York Times Book Review, Dean Koontz said, "Because of his insights and the power of the material, he leaves us shaken, gripped by a quiet grief for the innocent victims and anguished by the human condition." Journey into Darkness continues this perilous trip into the psyche of the serial killer, but also offers a glimmer of hope that profiling may enable law enforcement to see the indicators of a serial killer's mind and intervene before he kills, or kills again.

Now I See Pocket Books

Now a Netflix original series Discover the classic, behind-the-scenes chronicle of John E. Douglas' twenty-five-year career in the FBI Investigative Support Unit, where he

used psychological profiling to delve into the minds of the country's most notorious serial killers and criminals. In chilling detail, the legendary Mindhunter takes us behind the scenes of some of his most gruesome, fascinating, and challenging cases—and into the darkest recesses of our worst nightmares. During his twenty-five year career with the Investigative Support Unit, Special Agent John Douglas became a legendary figure in law enforcement, pursuing some of the most notorious and sadistic serial killers of our time: the man who hunted prostitutes for sport in the woods of Alaska, the Atlanta child murderer, and Seattle's Green River

killer, the case that nearly cost Douglas his life. As the model for Jack Crawford in *The Silence of the Lambs*, Douglas has confronted, interviewed, and studied scores of serial killers and assassins, including Charles Manson, Ted Bundy, and Ed Gein, who dressed himself in his victims' peeled skin. Using his uncanny ability to become both predator and prey, Douglas examines each crime scene, reliving both the killer's and the victim's actions in his mind, creating their profiles, describing their habits, and predicting their next moves.

Journey Into Darkness Journey Into Darkness

This is the story of a young woman living in

the Midwest, attempting to have a peaceful, normal life just like anyone else. Coworkers and neighbors know very little about her, assuming her to be reclusive and odd. They are unaware of the gruesome secrets she hides from every day. There are a few, however, who do know her secrets, but they are missing one important detail... where she is currently hiding. For many years she has eluded capture, but her history is about to catch up with her in more ways than one. Not only is the darkness of her past about to ascend, her past will also become her savior. Loving Lily witnesses one woman's struggle to overcome a terrible past and internal

demons in order to be free to love and to live.

Mindhunter

Createspace

Life is the Darkness is a book of short stories, and a few pieces of poetry. I break the fourth wall, and all but a few are macabre, some are humorous and all are pieces of realism/surrealism. Some content can be confronting. It ranges from the innocuous, through to the inevitability of a barren earth, should humans continue to abuse her. There are so many things available to us, other than the manufacturing materials we currently use, to save our planet, while we still maintain a continued enjoyment, doing the things, we have

become accustomed to. I'd like to leave my grandchildren a better world than the one we're leaving for our children today.

Law & Disorder

Simon and Schuster
When his former boss, the director of the FBI, turns up dead, former profiler John Chase comes out of retirement to investigate and finds himself facing off against a ruthless and clever opponent.

Digital Influencer

Simon and Schuster
The author of this book played a major part in the FBI's development of psychological profiles for serial killers, he even invented the term serial killer. Whilst Thomas Harris made Ressler's work famous in fiction, Ressler did it for real.

Obsession Simon and Schuster
Includes material on "the Trailside Killer in San Francisco, the Atlanta child murderer, the Tylenol poisoner, the man who hunted prostitutes for sport in the woods of Alaska, and Seattle's Green River killer ..."

Becoming Zara

Createspace
Independent Publishing Platform
LEARN THE TRUE STORY OF ONE OF THE FBI PROFILERS WHO COINED THE PHRASE "SERIAL KILLER" Face-to-face with some of America's most terrifying killers, FBI veteran Robert K. Ressler learned how to identify the unknown monsters who walk among us -- and put them behind bars. In *Whoever Fights Monsters*, Ressler—the

inspiration for the character Agent Bill Tench in David Fincher's hit TV show *Mindhunter*—shows how he was able to track down some of the country's most brutal murderers. Ressler, the FBI Agent and ex-Army CID colonel who advised Thomas Harris on *The Silence of the Lambs*, used the evidence at a crime scene to put together a psychological profile of the killers. From the victims they choose to the way they kill to the often grotesque souvenirs they take with them—Ressler unlocks the identities of these vicious killers. And with his discovery that serial killers share certain violent behaviors, Ressler goes behind prison walls to hear bizarre first-hand stories from

countless convicted murderers, including Ted Bundy, John Wayne Gacy; Edmund Kemper; and Son of Sam. Getting inside the mind of a killer to understand how and why he kills is one of the FBI's most effective ways of helping police bring in killers who are still at large. Join Ressler as he takes you on the hunt for the world's most dangerous psychopaths in this terrifying journey you will not forget.

A Joyful Journey and a Tattered Faith Lulu

Press, Inc

An Internal Affairs detective pursues the vigilante cops who murdered his brother. Will he choose a love that cannot be consummated? Or will he choose guilt, vengeance and his own

brand of vigilante justice?

Broken Wings Anchor

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a

Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of

Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Obsession Kim Mark Lewis

An FBI criminal profiling expert discusses his theories of motive.

The Anatomy Of Motive

Simon and Schuster

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for.

Everything, but the

throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ...Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for

years, that wasn't such a bad thing.
