The Guernsey Novels- Book 2 Simon and Schuster

London, 1937. The profoundly moving story of a Quaker family and a Jewish family in love and at war during WWII. At a rally in the Royal Albert Hall, two Quaker brothers, Paul and Charlie Lamb, sign a pledge of peace that only one of them will honour. Meanwhile, in a draughty Victorian mansion in Hampstead, Mr. Morningstar wonders why his wife, a crystallographer from dynasty of diamond cutters, turns into a cursing somnambulist at night, while their daughter, Miriam, comes home from her shifts at the munitions factory with her stockings inside out. As the streets throng with khaki, the Lambs and the Morningstars must decide how to do good in a world transformed by evil. Should a scientist use her skills to maximise civilian casualties? Should a Quaker stand by as millions are murdered? And is it possible to love someone if you hate their convictions? When the two families are torn apart by war, Paul is forced to choose between his conscience and the woman he loves. *Of Love and Other Wars* is a profoundly moving tale of faith, longing, and decisions made in the split second of silence between bullets, whose repercussions last a lifetime. With distinctive flair and dazzling creative energy, Sophie Hardach pulls us into lives upended by betrayal, violence and passion. 'Tender and absorbing. An intriguing glimpse into the pacifist's world' Esther Freud 'Poignant without ever being sentimental, morally complex and deftly woven - this is a book that gets better and better with every chapter' Gavin Extence, author of *The Universe versus Alex Woods*

'As thrilling as a detective novel.' The Times 'Powerful, moving

and often captivating.' Financial Times 'A compelling read for anyone who cares about fairness, justice and humanity.'
 Observer The Sunday Times bestseller ___ Sarah Langford is a barrister. Her job is to stand in court representing the mad and the bad, the vulnerable, the heartbroken and the hopeful. She must become their voice. Sarah weaves their story around the black and white of the law and tell it to the courtroom. These stories may not make headlines but they will change the lives of ordinary people in extraordinary ways. They are stories which, but for a twist of luck, might have been yours. With remarkable candour, Sarah describes eleven cases which reveal what goes on in our criminal and family courts: these are tales of domestic fall out, everyday burglary, sexual indiscretion, and children caught up in the law. They are sometimes shocking and they are often heart-stopping. She examines how she feels as she defends the person standing in the dock. She also shows us how our attitudes and actions can shape not only the outcome of a case, but the legal system itself. ___ What readers are saying: *****
 'Absolutely fascinating . . . thought provoking, powerful and a compelling read.' *****
 'This book broke my heart at times but also contained humour and such poignant insights into the criminal justice system.' *****
 'Sarah writes incredibly well - she's informative while maintaining suspense and tension, and conveys so much emotion in her writing

Of Love and Other Wars Chronicle Books

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX FILM • A remarkable tale of the island of Guernsey during the German Occupation, and of a society as extraordinary as its name. "Treat yourself to this book, please—I can't recommend it highly enough."—Elizabeth Gilbert, author of *Eat, Pray, Love* "I wonder how the book got to Guernsey? Perhaps there is some sort of secret homing instinct in books that brings them to their perfect readers." January 1946: London is emerging from the shadow of the Second World War, and writer Juliet Ashton is looking for her next book subject. Who could imagine that she would find it in a letter from a man she's never met, a native of the island of Guernsey, who has come across her name written inside a book by Charles Lamb. . . . As Juliet and her new correspondent exchange letters, Juliet is drawn into the world of this man and his friends—and what a wonderfully eccentric world it is. The Guernsey Literary and Potato Peel Pie Society—born as a spur-of-the-moment alibi when its members were discovered breaking curfew by the Germans occupying their island—boasts a

charming, funny, deeply human cast of characters, from pig farmers to phrenologists, literature lovers all. Juliet begins a remarkable correspondence with the society's members, learning about their island, their taste in books, and the impact the recent German occupation has had on their lives. Captivated by their stories, she sets sail for Guernsey, and what she finds will change her forever. Written with warmth and humor as a series of letters, this novel is a celebration of the written word in all its guises and of finding connection in the most surprising ways. Praise for The Guernsey Literary and Potato Peel Society "A jewel . . . Poignant and keenly observed, Guernsey is a small masterpiece about love, war, and the immeasurable sustenance to be found in good books and good friends."—People "A book-lover's delight, an implicit and sometimes explicit paean to all things literary."—Chicago Sun-Times "A sparkling epistolary novel radiating wit, lightly worn erudition and written with great assurance and aplomb."—The Sunday Times (London) "Cooked perfectly à point: subtle and elegant in flavour, yet emotionally satisfying to the finish."—The Times (London)

"Prepare to be swept away by a heart-warming tale of family relationships and love." Reader This romantic drama is the second of The Guernsey Novels, a series of stand-alone books by the award-winning author Anne Allen. It will appeal to fans of the best-selling novel The Guernsey Literary and Potato Peel Pie Society. Three women. Three generations. Sacrifices for love... Who is she really? Nicole is about to find out as she searches for her real mother; the woman who gave her away at birth. With her marriage in tatters, she sets out from England: travelling to

Spain, Jersey and Guernsey before the extraordinary story of her real family is finally revealed. Nicole becomes an unwitting catalyst for change in that family. Two women are forced to reveal long-buried secrets. One going back as far as the Second World War. Lives are transformed as choices have to be made and the past laid to rest... Book reviews "A sensitive, heartfelt novel about family relationships, identity, adoption, second chances at love... With romance, weddings, boat trips, lovely gardens and more, Finding Mother is a dazzle of a book, a perfect holiday read." Lindsay Townsend, author of The Snow Bride. "I first encountered Anne Allen when I read Dangerous Waters: Mystery, Loss and Love on the Island of Guernsey and if you've read that book you'll notice a glancing reference to Jeanne, the heroine, in Finding Mother. I felt nicely grounded! In much the same way that Allen wormed Jeanne into my heart, I really found that I cared for Nicole and willing her on to make the right decisions and a success of her life. Allen has a real talent for her female characters. The men don't come off the page quite as well, but that's a minor quibble. Tracing a birth parent when you've been adopted is a sensitive subject and Allen handles it well, recognising the insecurities of the adopting parents who wonder if they're going to be supplanted and the worries of the mother who gave up the child soon after her birth. Will she be judged for her relationship with the child's father and for the fact that she made no attempt to bring the child up herself? There's an added complication here in that Nicole will also find out about her birth father - giving her more parents than any girl should decently want! It's neatly, elegantly done and the story is a real page-turner." The Bookbag **** The Guernsey Novels will appeal

to lovers of the works of Joanna Trollope, Maeve Binchy, and the best-selling book *The Guernsey Literary and Potato Peel Pie Society*.

The Guernsey Literary and Potato Peel Pie Society by Mary Ann Shaffer | Summary & Study Guide Allen & Unwin

An accomplished novel from a talented writer, *Letters to the Lost* is a stunning, emotional love story. Iona Grey's prose is warm, evocative, and immediately engaging; her characters become so real you can't bear to let them go. I promised to love you forever, in a time when I didn't know if I'd live to see the start of another week. Now it looks like forever is finally running out. I never stopped loving you. I tried, for the sake of my own sanity, but I never even got close, and I never stopped hoping either. Late on a frozen February evening, a young woman is running through the streets of London. Having fled from her abusive boyfriend and with nowhere to go, Jess stumbles onto a forgotten lane where a small, clearly unloved-in-old-house offers her best chance of shelter for the night. The next morning, a mysterious letter arrives and when she can't help but open it, she finds herself drawn inexorably into the story of two lovers from another time. In London 1942, Stella meets Dan, a US airman, quite by accident, but there is no denying the impossible, unstoppable attraction that draws them together. Dan is a B-17 pilot flying his bomber into Europe from a British airbase; his odds of survival are one in five. In the midst of such uncertainty, the one thing they hold onto is the letters they write to each other. Fate is unkind and they are separated by decades and continents. In the present, Jess becomes determined to find out what happened to them. Her hope—inspired by a love so powerful it spans a

lifetime—will lead her to find a startling redemption in her own life in this powerfully moving novel.

A Study Guide for Mary Ann Shaffer's "The Guernsey Literary and Potato Peel Society" Allen & Unwin

Jane Austen has become our patron saint of romance, our goddess of happy endings. Her name is synonymous with romantic sighs, period costumes, and the ideal of what love should be. But if she could give us advice about life and love, what would she tell us? What would she make of Match.com, of our *Real Housewives*, or of our obsession with finding The One? Austen's stories give us relationship advice that still works today, but her life offers us so much more wisdom than just that pertaining to love. In our fame-obsessed culture, it's refreshing to think that Austen preferred to remain anonymous. Ironically, Jane Austen—master of love stories—never married and can teach us something about being single. She also endured many painful circumstances and managed them with grace and humor. In this light biography and guide, author Lori Smith surmises about Austen's sensible advice for twenty-first-century women—on everything from living our dreams, being a woman of substance, finding a good man, managing money, and much more. As such an astute student of human nature, Austen can teach us an awful lot about ourselves and about what it means to live well.

Finding Mother Bloomsbury Publishing

An evocative, beautifully written story of a young Jewish woman trapped on the occupied island of Jersey during World War II. SUMMER 1940: Hedy Bercu watches the skies over Jersey for German planes, convinced that an invasion is imminent. When it finally comes, there is no counterattack from Allied forces and

most islanders and occupying forces settle into an uneasy coexistence. But for Hedy, the situation is perilously different. For Hedy is Jewish. With no means of escape, Hedy hides in plain sight, working as a translator for the Germans while silently working against them. But as the war intensifies, Hedy knows she is in greater danger each day. Soon, her survival will depend not just on her own courage, but on the community she has come to cherish and a man who should be her enemy. Vividly re-creating little-known events, this is an unforgettable tale of resilience and bravery, and of the extraordinary power found in quiet acts of heroism and love.

The Words in My Hands HarperCollins Australia

From the bestselling authors of *The Good Widow* comes a chilling novel of psychological suspense that will make you think twice about what your best friend may be hiding... For estranged friends Ashley, Natalie, and Lauren, it's time to heal the old wounds between them. Where better to repair those severed ties than on a girls' getaway to the beautiful paradise of Tulum, Mexico? But even after they're reunited, no one is being completely honest about the past or the secrets they're hiding. When Ashley disappears on their girls' night out, Natalie and Lauren have to try to piece together their hazy memories to figure out what could have happened to her, while also reconciling their feelings of guilt over their last moments together. Was Ashley with the man she'd met only days before? Did she pack up and leave? Was she kidnapped? Or worse--could Natalie or Lauren have snapped under the weight of her own lies? As the clock ticks, hour by hour, Natalie and Lauren's search rushes headlong into growing suspicion and dread. Maybe their

secrets run deeper and more dangerous than one of them is willing--or too afraid--to admit.

The Magic Half Penguin

In this #1 international bestseller, a young woman leaves everything behind to work as a librarian in a remote French village, where she finds her outlook on life and love challenged in every way. Prudencia Prim is a young woman of intelligence and achievement, with a deep knowledge of literature and several letters after her name. But when she accepts the post of private librarian in the village of San Ireneo de Arnois, she is unprepared for what she encounters there. Her employer, a book-loving intellectual, is dashing yet contrarian, always ready with a critique of her cherished Jane Austen and Louisa May Alcott. The neighbors, too, are capable of charm and eccentricity in equal measure, determined as they are to preserve their singular little community from the modern world outside. Prudencia hoped for friendship in San Ireneo but she didn't suspect that she might find love—nor that the course of her new life would run quite so rocky or would offer challenge and heartache as well as joy, discovery, and fireside debate. Set against a backdrop of steaming cups of tea, freshly baked cakes, and lovely company, *The Awakening of Miss Prim* is a distinctive and delightfully entertaining tale of literature, philosophy, and the search for happiness.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our

turbulent times.

Spirited Henrietta wishes she was the kind of doctor's wife who knew exactly how to deal with the daily upheavals of war. But then, everyone in her close-knit Devonshire village seems to find different ways to cope: there's the indomitable Lady B, who writes to Hitler every night to tell him precisely what she thinks of him; the terrifyingly efficient Mrs Savernack, who relishes the opportunity to sit on umpteen committees and boss everyone around; flighty, flirtatious Faith who is utterly preoccupied with the latest hats and flashing her shapely legs; and then there's Charles, Henrietta's hard-working husband who manages to sleep through a bomb landing in their neighbour's garden. With life turned upside down under the shadow of war, Henrietta chronicles the dramas, squabbles and loyal friendships that unfold in her affectionate letters to her 'dear childhood friend' Robert. Warm, witty and perfectly observed, *Henrietta's War* brings to life a sparkling community of determined troupers who pull together to fight the good fight with patriotic fervour and good humour. *Henrietta's War* is part of The Bloomsbury Group, a new library of books from the early twentieth-century chosen by readers for readers.

The bestselling "offbeat, down-to- earth love story"(The Observer, London)- now available in the United States An international sensation, this addictively readable tale asks the question: Why is it so impossible to get a relationship between two middle-aged misfits to work? The answer lies in the story of Shrimp, a young widowed librarian with a sharp intellect and a home so tidy that her jam jars are in alphabetical order; Benny, a gentle, overworked milk farmer who fears becoming the village's Old Bachelor; and an unlikely love that should not be as complicated as it seems. Reminiscent of the works of Carol Shields, this quirky, humorous, beautifully told novel breathes new life into the age-old conundrum that is love.
