MARITZA MONTGOMERY

The Biography of a Marriage Scribner

The Churchills' youngest daughter recounts her mother's early life and her fifty-seven-year marriage to Winston Churchill, drawing on their letters to chronicle their private and public lives, in an updated biography. Winner of the Wolfson Prize. Reprint.

Winston S. Churchill: Youth, 1874–1900 Oxford University Press, USA

The fourth volume in the official biography—“The most scholarly study of Churchill in war and peace ever written.” (Herbert Mitgang, *The New York Times*) Covering the years 1917 to 1922, Martin Gilbert’s fascinating account carefully traces Churchill’s wide-ranging activities and shows how, by his persuasive oratory, administrative skill, and masterful contributions to Cabinet discussions, Churchill regained, only a few years after the disaster of the Dardanelles, a leading position in British political life. There are many dramatic and controversial episodes: the German breakthrough on the Western Front in March 1918, the anti-Bolshevik intervention in 1919, negotiating the Irish Treaty, consolidating the Jewish National Home in Palestine, and the Chanak crisis with Turkey. In all these, and many other events, Churchill’s leading role is explained and illuminated in Martin Gilbert’s precise, masterful style. In a moving final chapter, covering a period when Churchill was without a seat in Parliament for the first time since 1900, Martin Gilbert brilliantly draws together the many strands of a time in Churchill’s life when his political triumphs were overshadowed by personal sorrows, by his increasingly somber reflections on the backward march of nations and society, and by his stark forecasts of dangers to come. “A milestone, a monument, a magisterial achievement . . . Rightly regarded as the most comprehensive life ever written of any age.” —Andrew Roberts, historian and author of *The Storm of War*

Churchill University of Chicago Press

When Winston Spencer Churchill was born in 1874. No one could have predicted the path that lay ahead. But, as it turned out, from Winston's undistinguished academic career to his front-line experiences as a soldier and journalist whether in India, Sudan or Cuba, and during the Boer War or in the trenches of World War I; through his unparalleled political career with all its ups and downs; to his 'finest hour' leading Britain during World War II, he was never to be far from the world's attention. Now the boy, the soldier, the writer, the orator, the politician, the statesman and the family man are all brought to life in this absorbing illustrated book. Featuring both letters to 'Mama' from the homesick - but rebellious - schoolboy and telegrams to Stalin, it highlights some of the most gripping communications from the Churchill Archives. Facsimiles of hand-annotated speech notes are paired with fascinating memorabilia, such as the poster for the reward for his capture during the Boer War, a specimen of one of his infamous cigars, a favourite gramophone record and his Parliamentary despatch box. This book also showcases pictures from his family photograph collection, providing a more intimate portrait of Churchill the husband, the family man and even Churchill the animal lover. Exhaustively researched, *Churchill: The Life* includes previously unpublished images - such as Winston as a cadet at Harrow and his casket's final journey into Bladon cemetery - as well as rare images of him as a baby and specially shot artefacts from family archives. Together with his unique selection of images, acclaimed historian Max Arthur's evocative and insightful narrative text gets to the core of Winston's character, using his own words and those of some of those closest to him, to provide a comprehensive study of the man and his life. This is a stunning tribute to a remarkable man.

Marlborough Rosetta Books

During the Second World War, Winston Churchill won two resounding victories. The first was a victory over Nazi Germany, the second a victory over the legion of sceptics who had derided his judgement, denied his claims to greatness, and excluded him from high office on the grounds that

he was sure to be a danger to King and Country. In this incisive new biography, Paul Addison examines both the life of the most iconic figure in twentieth-century British history, and also the battle over his reputation, which continues to this day.

A Roving Commission National Trust

'Masterful research, impeccable detail, with a beautifully flowing narrative of which Churchill himself would have been proud.' - Professor Peter Caddick-Adams From his earliest days Winston Churchill was an extreme risk taker and he carried this into adulthood. Today he is widely hailed as Britain's greatest wartime leader and politician. Deep down though, he was foremost a warlord. Just like his ally Stalin, and his arch enemies Hitler and Mussolini, Churchill could not help himself and insisted on personally directing the strategic conduct of World War II. For better or worse he insisted on being political master and military commander. Again like his wartime contemporaries, he had a habit of not heeding the advice of his generals. The results of this were disasters in Norway, North Africa, Greece and Crete during 1940–41. His fruitless Dodecanese campaign in 1943 also ended in defeat. Churchill's pig-headedness over supporting the Italian campaign in defiance of the Riviera landings culminated in him threatening to resign and bring down the British Government. Yet on occasions he got it just right, his refusal to surrender in 1940, the British miracle at Dunkirk and victory in the Battle of Britain, showed that he was a much-needed decisive leader. Nor did he shy away from difficult decisions, such as the destruction of the French Fleet to prevent it falling into German hands and his subsequent war against Vichy France. In this fascinating new book, acclaimed historian Anthony Tucker-Jones explores the record of Winston Churchill as a military commander, assessing how the military experiences of his formative years shaped him for the difficult military decisions he took in office. This book assesses his choices in the some of the most controversial and high-profile campaigns of World War II, and how in high office his decision making was both right and wrong.

Churchill Macmillan

A WALL STREET JOURNAL SUMMER PICK A WASHINGTON POST BESTSELLER Warrior and writer, genius and crank, rider in the British cavalry's last great charge and inventor of the tank, Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. With penetrating insight and vivid anecdotes, Gretchen Rubin makes Churchill accessible and meaningful to twenty-first-century readers by analyzing the many contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. Like no other portrait of its famous subject, *Forty Ways to Look at Winston Churchill* is a dazzling display of facts more improbable than fiction. It brings to full realization the depiction of a man too fabulous for any novelist to construct, too complex for even the longest narrative to describe, and too significant ever to be forgotten.

Clementine Alpha Edition

Winston Churchill's youngest daughter explains how her life drastically changed after Great Britain's entry into World War II. 20,000 first printing.

Churchill A&C Black

WINSTON CHURCHILL Winston Churchill was a powerful and inspiring man, who actively pursued challenges and strove to serve his country well. From fighting in World War I, to serving as the Prime Minister during World War II in the fight against Nazi Germany, he did whatever was necessary to achieve victory and keep his people safe. In addition to detailing the time he spent fighting for his country, in this book we also take a deeper look into the other areas of Churchill's life, such as his childhood, his family life, and his political impact and views. This book will take you on a journey back in time and give you a better idea of who exactly Winston Churchill was, what he stood for, and why we still talk about him today.

How One Man Made History Rosetta Books

Winston Churchill The man that the world knows as Winston Churchill looms large on the stage of world history. Like some sort of colossus from antiquity, Churchill strides between two major epochs in the world, one foot planted in the glory days of the British Empire when the sun never set on history's largest known conglomeration of imperial holdings and the other planted firmly in the aftermath of World War Two, and a post-war order that saw that empire collapse, with Britain barely hanging on to its own sovereignty in the wake. Inside you will read about... ✓ Love and War ✓ Courting the Americans ✓ The Allies Show their Teeth ✓ Preparing for the Post-war World ✓ Wrestling the Reins of Power ✓ Churchill's Hiatus ✓ The End of an Empire And much more!With the Iron Curtain descending over Europe, Churchill was the first to raise the alarm bell that signaled the start of the Cold War. Churchill was a master at the helm, navigating his country and to a much larger extent the world through some of its darkest hours, even while he battled some of his own personal demons of depression and doubt. Follow along as Churchill guides us through uncharted and uncertain waters through the sheer power of his own pugnacious pizzazz.

[A Biography of Winston Churchill](#) Leo Cooper Books

Provides a glimpse into the extraordinary life of Britain's greatest prime minister, recreating his

many accomplishments, trials, and tribulations throughout his life that contributed to his success.

Churchill Penguin

Winston Churchill towers over every other figure in twentieth-century British history. By the time of his death at the age of 90 in 1965, many thought him to be the greatest man in the world. There have been over a thousand previous biographies of Churchill. Andrew Roberts now draws on over forty new sources, including the private diaries of King George VI, used in no previous Churchill biography to depict him more intimately and persuasively than any of its predecessors. The book in no way conceals Churchill's faults and it allows the reader to appreciate his virtues and character in full- his titanic capacity for work (and drink), his ability see the big picture, his willingness to take risks and insistence on being where the action was, his good humour even in the most desperate circumstances, the breadth and strength of his friendships and his extraordinary propensity to burst into tears at unexpected moments. Above all, it shows us the wellsprings of his personality - his lifelong desire to please his father (even long after his father's death) but aristocratic disdain for the opinions of almost everyone else, his love of the British Empire, his sense of history and its connection to the present.

The Unexpected Hero Bantam

Who was Winston Churchill? Even fifty years after his death, he is one of the most iconic figures in British history. As a young man he was a maverick journalist; his many positions in politics before 1940 marked him as a courageous but foolhardy man. Yet it is Churchill's record in war, which has recently been questioned, that confirms his genius as a military commander and national leader—someone who understood the dangers of Nazi Germany before 1939 and someone uniquely capable to lead the empire through the turmoil of the Second World War. Christopher Catherwood argues that it was Churchill's stand in 1940-41 that saved Britain and that only he was able to bring together the allies that eventually defeated Hitler in 1945. Catherwood has produced a challenging yet lively reassessment of the life and career of Winston Churchill, lion of British history and flawed hero.

[Churchill](#) Penguin

"A richly textured and deeply moving portrait of greatness" (Los Angeles Times). In this masterful book, prize-winning historian and authorized Churchill biographer Martin Gilbert weaves together the research from his eight-volume biography of the elder statesman into one single volume, and includes new information unavailable at the time of the original work's publication. Spanning Churchill's youth, education, and early military career, his journalistic work, and the arc of his political leadership, Churchill: A Life details the great man's indelible contribution to Britain's foreign policy and internal social reform. With eyewitness accounts and interviews with Churchill's contemporaries, including friends, family members, and career adversaries, it provides a revealing picture of the personal life, character, ambition, and drive of one of the world's most remarkable leaders. "A full and rounded examination of Churchill's life, both in its personal and political aspects. . . Gilbert describes the painful decade of Churchill's political exile (1929-1939) and shows how it strengthened him and prepared him for his role in the 'hour of supreme crisis' as Britain's wartime leader. A lucid, comprehensive and authoritative life of the man considered by many to have been the outstanding public figure of the 20th century." —Publishers Weekly "Mr. Gilbert's job was to bring alive before his readers a man of extraordinary genius and scarcely less extraordinary destiny. He has done so triumphantly." —The New York Times Book Review
