Undaunted—both the book and movie—chronicles the riveting true story of a young farm boy named Josh who carried unspeakable memories of an alcoholic father and a farmhand's abuse, causing him to defy God's existence. Yet God redeemed a horrible situation with his unbelievable grace. Today Josh McDowell is one of the most popular evangelists in the world who defends the reality of Jesus Christ to millions through his presentations and classic book *More Than a Carpenter*. Undaunted unfolds the dramatic spiritual transformation in Josh's life when he faces his past head-on and puts everything entirely in God's hands. The result is an undaunted faith, a gift freely offered to everyone who seeks it.

[The Prayer of Agur](#) W. W. Norton & Company

The Book of Martyrs by John Foxe written in the 16th century has long been the go-to source for

studying the lives and martyrdom of the apostles. Whilst other scholars have written individual treatments on the more prominent apostles such as Peter, Paul, John, and James, there is little published information on the other apostles. In *The Fate of the Apostles*, Sean McDowell offers a comprehensive, reasoned, historical analysis of the fate of the twelve disciples of Jesus along with the apostles Paul, and James. McDowell assesses the evidence for each apostle's martyrdom as well as determining its significance to the reliability of their testimony. The question of the fate of the apostles also gets to the heart of the reliability of the kerygma: did the apostles really believe Jesus appeared to them after his death, or did they fabricate the entire story? How reliable are the resurrection accounts? The willingness of the apostles to die for their faith is a popular argument in resurrection studies and McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies, Church History, and apologetics.

That first lie Satan told in Eden--the one that said God was actually a selfish liar--has spawned a multitude of untruths about who God is and what His feelings toward us really are. The human perception of God has been askew ever since, and we've struggled to relate to this God we don't really (want to) know. Naturally, since our view of God is distorted, our attitudes and behavior are rebellious--perceptions change our thoughts, thoughts influence our feelings, and feelings determine attitudes and behavior. Herb Montgomery goes straight to the root of the problem and sweeps aside the misperceptions of God and His character that cause us to spurn the only one who truly loves us. Some of Christianity's long-held, though biblically unfounded, views are confronted--God's true attitude toward pain and suffering, where guilt comes from, and what His forgiveness accomplishes. And the question that plagues every human heart is irrevocably resolved: If God really loves us, why does He allow horrible things to happen?

The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest

House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians—and millions of older believers—is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"—for example, "A personal Creator God exists." explain why each statement is trustworthy, how it applies to real life, and—using examples, stories, and experiences—what its relevance is. A spiritual gold mine for parents, youth workers, pastors—anyone wanting to reveal Christianity's relevance to today's life and culture.

In the '60s and '70s, America's music scene was marked by raucous excess, reflected in the tragic overdoses of young superstars such as Jimi Hendrix and Janis Joplin. At the same time, the uplifting harmonies and sunny lyrics that propelled Karen Carpenter and her brother, Richard, to international fame belied a different sort of tragedy—the underconsumption that led to Karen's death at age thirty-two from the effects of an eating disorder. In *Why Karen Carpenter Matters*, Karen Tongson (whose Filipino musician parents named her after the pop icon) interweaves the story of the singer's rise to fame with her own trans-Pacific journey between the Philippines—where imitations of American pop styles flourished—and Karen Carpenter's home ground of Southern California. Tongson reveals why the Carpenters' chart-topping, seemingly whitewashed musical fantasies of "normal love" can now have profound significance for her—as well as for other people of color, LGBT+ communities, and anyone outside the mainstream culture usually associated with Karen Carpenter's legacy. This hybrid of memoir and biography excavates the destructive perfectionism at the root of the Carpenters' sound, while finding the beauty in the singer's all too brief life.

Hope Carpenter opens up about her personal struggles that nearly destroyed her family, her church, and her ministry, but then God did something miraculous—out of her brokenness, He made something beautiful. As co-pastor of one of the nation's largest megachurches, Hope Carpenter had perfected the roles of supportive wife, good mother, devoted worship leader, and dutiful homemaker. But inside, she was secretly ashamed, sad, and afraid. She didn't know who she was, and she didn't know how to ask for help without bringing down the whole façade. A series of bad choices led to multiple affairs; her husband kicked her out and announced from the pulpit of their church that their marriage was over. Hope was sure her life was done. But in her lowest moments, something beautiful happened. God met her there, and, with a lot of hard work, time, and mountains of therapy, she started to understand the pain that had caused her to act out. She and her family faced their brokenness together, and in powerful acts of forgiveness only God could have arranged, they all found real breakthrough and healing. Ron and Hope rebuilt their marriage and their family, and their ministry thrives today. In *The Most Beautiful Disaster*, Hope helps readers understand the lasting impact of childhood trauma and gives readers practical steps to uncovering the root of pain in their own lives. She shows how small decisions can lead to big changes, and helps readers find healing and wholeness in Scripture and prayer. Ultimately, readers will be led to hope, reconciliation, and true freedom.

The powerful, dramatic story of how a successful Hollywood set designer whose identity was deeply rooted in his homosexuality came to be suddenly and utterly transformed by the power of the gospel. When Becket Cook moved from Dallas to Los Angeles after college, he discovered a

socially progressive, liberal town that embraced not only his creative side but also his homosexuality. He devoted his time to growing his career as a successful set designer and to finding "the one" man who would fill his heart. As a gay man in the entertainment industry, Cook centered his life around celebrity-filled Hollywood parties and traveled to society hot-spots around the world—until a chance encounter with a pastor at an LA coffee shop one morning changed everything. In *A Change of Affection*, Becket Cook shares his testimony as someone who was transformed by the power of the gospel. Cook's dramatic conversion to Christianity and subsequent seminary training inform his views on homosexuality—personally, biblically, theologically, and culturally—and in his new book he educates Christians on how to better understand this complex and controversial issue while revealing how to lovingly engage with those who disagree. *A Change of Affection* is a timely and indispensable resource for anyone who desires to understand more fully one of the most common and difficult stumbling blocks to faithfully following Christ today.

He thought Christianity was a sham. Then it changed his life. Skeptic Josh McDowell thought Christians were out of their minds. He ridiculed and insulted them, then decided to combat them with his own thorough research to disprove the claims of Jesus Christ. To his surprise, he discovered that the evidence suggested exactly the opposite—that Jesus, instead of being simply a first-century Hebrew carpenter, truly was the God he claimed to be. Josh went on to write the inspirational work on Christian apologetics, *More Than a Carpenter*, which has sold over 15 million copies. In this revised and updated edition, with over 15 million copies in print since its original publication, *More Than a Carpenter* has changed countless lives. Now, in this revised and updated edition, Josh is joined by his son, Sean, as they tackle the questions that today's generation continues to ask: "Can I be spiritual without believing in God?" "How can I make sure that my life counts for something?" "Is it really possible to know anything for sure about God or Jesus?" This edition is an accessible read for seekers and a great evangelism tool.

It's never too late to be a better father Jim Daly, president and CEO of Focus on the Family, is an expert in fatherhood—in part because his own "fathers" failed him so badly. His biological dad was an alcoholic. His stepfather deserted him. His foster father accused Jim of trying to kill him. All were out of Jim's life by the time he turned 13. Isn't it odd—and reminiscent of the hand of

God—that the director of the leading organization on family turned out to be a guy whose own background as a kid and son were pretty messed up? Or could it be that successful parenting is discovered not in the perfect, peaceful household but in the midst of battles and messy situations, where God must constantly be called to the scene? That is the mystery unraveled in this book. Using his own expertise, humor, and inexhaustible wealth of stories, Jim will show you that God can make you a good dad, a great dad, in spite of the way you've grown up and in spite of the mistakes you've made. Maybe even because of them. It's not about becoming a perfect father. It's about trying to become a better father, each and every day. It's about building relationships with your children through love, grace, patience, and fun—and helping them grow into the men and women they're meant to be.

"This is a series of stories of what it looks like to walk with God, over the course of about a year." So begins a remarkable narrative of one man's journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can't I overcome those "habits" that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.
