GRIMES MARCO

Cambridge IGCSE Sociology Coursebook Hachette UK

Jargon-free and easy to read, Defeat Dyslexia! is the practical guide for busy parents and carers. Find out with what dyslexia really means for your child's reading, spelling, maths, and other areas of learning, including music, languages, and sport. Then discover straightforward, positive ways to help your dyslexic child to excel, in school and in life. Using Defeat Dyslexia!, you'll gather facts, advice, and inspiration from a dyslexia expert who is also proudly dyslexic. With this book, you can: Spot Dyslexia Identify signs of possible dyslexia, including hidden clues. Find out about overlapping conditions, like dyscalculia, dyspraxia, ADHD, and autism. Understand Dyslexia Get to grips with the strengths and weaknesses of dyslexia. Make the diagnosis process stress-free. Defeat Dyslexia! Learn the quick and easy 'first steps' for supporting your child. Create a long-term plan of action for learning success. It's time to defeat the demons of dyslexia - and embrace the best of what it means to be dyslexic.

Cambridge IGCSE® Biology Coursebook with CD-ROM Cambridge University Press

This edition of our successful series to support the Cambridge IGCSE Chemistry syllabus (0620) is fully updated for the revised syllabus from first examination from 2016. Written by a team with teaching and examining experience, Cambridge IGCSE Chemistry Coursebook with CD-ROM gives comprehensive and accessible coverage of the syllabus. Suggestions for practical activities are included, designed to help develop the required experimental skills. Exam-style questions at the end of each chapter and a host of revision and practice material on the CD-ROM are designed to help students maximise their chances in their examinations. Answers to the exam-style questions in the Coursebook are provided on the CD-ROM.

Cambridge IGCSE® Biology Practical Workbook Oxford University Press, USA

The Cambridge IGCSE Chemistry Revision Guide supports students through their course, containing specifically designed features to help students apply their knowledge as they prepare for assessment.

Cambridge International AS and A Level Biology Revision Guide Cambridge University Press This revised set of resources for Cambridge IGCSE Business Studies syllabus 0450 (and Cambridge O Level Business Studies syllabus 7115) is thoroughly updated for the latest syllabus for first examinations from 2015. Written by experienced teachers, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; case studies contextualise the content making it relevant to the international learner. It provides thorough examination support for both papers with questions at the end of each chapter and an extensive case study at the end of each unit. The CD-ROM contains revision aids, further questions and activities. A Teachers CD-ROM is also available.

GCSE Geography Edexcel B Cambridge University Press

Support students learning with extra practice questions and activities, tailored to topics in the IGCSE ICT Student's Book.

Cambridge IGCSE Geography Study and Revision Guide Cambridge University Press

Fully updated and matched to the Cambridge syllabus, this stretching Student Book is trusted by teachers around the world to support advanced understanding and achievement at IGCSE. The popular, stretching approach will help students to reach their full potential. Written by an experienced author, Stephen Pople, this updated edition is full of engaging content with up-to-date examples to cover all aspects of the Cambridge syllabus. The step-by-step approach will lead students through the course in a logical learning order building knowledge and practical skills with

regular questions and practical activities. Extension material will stretch the highest ability students and prepare them to take the next step in their learning. Practice exam questions will consolidate student understanding and prepare them for exam success. Each book is accompanied by free online access to a wealth of extra support for students including practice exam questions, revision checklists and advice on how to prepare for an examination.

Cambridge O Level Commerce Coursebook HarperCollins UK

Study tips throughout the text, exam-style questions at the end of each chapter and a host of revision and practice material on the CD-ROM are designed to help students prepare for their examinations. Answers to the exam-style questions in the Coursebook are provided on the CD-ROM. Cambridge Igcse Ict Theory Workbook Cambridge University Press

Providing guidance that helps students practice and troubleshoot their exam technique, these books send them into their exam with the confidence to aim for the best grades. - Enables students to avoid common misconceptions and mistakes by highlighting them throughout - Builds students' skills constructing and writing answers as they progress through a range of practice questions - Allows students to mark their own responses and easily identify areas for improvement using the answers in the back of the book - Helps students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensures that students maximise their time in the exam by including examiner's tips and suggestions on how to approach the questions - Contextualise knowledge with case studies This title has not been through the Cambridge International Examinations endorsement process.

IGCSE Information and Communication Technology Hodder Education

Firmly focused on developing core skills and assessment capabilities, this revised edition comprehensively matches the latest syllabus and saves you time in course preparation. The second edition has been restructured to focus even more on skills development with a particular emphasis on progressing those tricky - and essential - synthesis and evaluation skills, as well as research and reflection. Clearly differentiated for students at different ability levels, with clear language and instruction for EAL learners. This new edition of Global Perspectives will be available as a print book, an online book, or a print and online package, so you can choose the format that is right for you.

Cambridge IGCSE® Chemistry Practical Workbook Cambridge University Press

An investigative approach to Cambridge IGCSE Geography, written in partnership with the Geographical Association. Encourage students to make links between case studies and their own local contexts as well as exploring the core themes and skills of the 0460 syllabus in the context of global case studies and processes. Prepare for exam success with full coverage of the core themes of Paper 1 (Population and Settlement, The Natural Environment, Economic Development and the Use of Resources) as well as the geographical and fieldwork skills elements of Papers 2, 3 and 4.

Help students focus on achieving the best grades with excellent exam support for each Paper, with exam-style questions, answers at different levels and accompanying comments. Be confident in the content and approach - this resource is written by highly experienced Geography teachers, consulted edited by a CIE Principal Examiner, and produced in partnership with the UK Geographical Association - the home of best practice in Geography teaching.
