Speaking of Faith Vintage

Robert Langdon, while at the U.S. Capital Building, finds an object encoded with five symbols, which is an ancient invitation to usher its recipient into a long-lost world of esoteric wisdom. When Langdon's beloved mentor, Peter Solomon, is kidnapped, he realizes his only hope of saving Peter is to accept this mystical invitation and follow wherever it leads him. Langdon is instantly plunged into a clandestine world of Masonic secrets, hidden history, and never-before-seen locations - all of which seem to be dragging him toward a single, inconceivable truth.

20pt Edition North Atlantic Books

The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy, from the New York Times bestselling author of *Many Lives, Many Masters*. Brian Weiss made headlines with his groundbreaking research on past life therapy in *Many Lives, Many Masters*. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near death and out of body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional

hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, *Through Time Into Healing* shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.

Discover the Healing Power of Future Lives Through Progression Therapy B de Bolsillo In 2005, Brandon Sanderson debuted with *Elantris*, an epic fantasy unlike any other then on the market. To celebrate its tenth anniversary, Tor is reissuing *Elantris* in a special edition, a fresh chance to introduce it to the myriad readers who have since become Sanderson fans. This new edition begins with a preface by author Dan Wells, the first person to read the completed novel, and a new afterword by Sanderson explaining how he came to write the book

and its place in the Cosmere, the unified universe of all his Tor novels. Also included is an expanded version of the "Ars Arcanum" appendix, with more of the technical details of the book's magic that fans can never get enough of. Elantris was truly a milestone both for Sanderson and for the genre of epic fantasy. It deserves this special treatment, something Tor has done only once before, with Orson Scott Card's Ender's Game. Sanderson fans old and new will be excited to discover it.

Meditation is a technique that can be used to experience peace, tranquility and an inner beauty, leading us to rethink everything around us, even ourselves. It prompts us to trust in the ability we have to use and direct our energies to purify our bodies and minds... so that we can discover and develop our spirituality. Dr Brian Weiss, author of the million copy bestseller *Many Lives, Many Masters*, has written a very special book to help with the practice of meditation (an audio download is also included to help guide you through the process). *Meditation: Achieving Inner Peace and Tranquility in Your Life* includes the techniques Dr Weiss uses on his patients for past life regression, many of whom have conquered insomnia, anxiety, phobias, weight issues and disease. Meditation can also lower blood pressure, strengthen the immune system and reduce stress. As Dr Weiss says, 'It all starts by closing our eyes, relaxing our muscles, and slowing down our breathing. Little by little, we ask our minds to block out the clamouring voices that usually bombard it... this means living this moment intensely, letting go and surrendering.' This book is the first step on a more peaceful, relaxing journey through life.

Eliminating Stress, Finding Inner Peace

Hay House, Inc

Eliminating Stress, Finding Inner Peace is an important step on the healing journey. Stress kills—there's no doubt. It eats away at you, affecting your level of happiness, as well as your stomach lining. It raises your blood pressure and directly harms your cardiovascular system. It depresses your immune system and allows chronic illnesses to overwhelm you—causing pain, disability, and even death. Basically, stress prevents you from experiencing life's many pleasures. Stress is a mental state that can cause severe negative emotional and physical consequences. It can be entirely eliminated, or at least greatly lessened, by adjusting our understanding and attitudes, and by learning simple, yet very effective, relaxation techniques. This book, with its accompanying stress-

reduction audio download, will help you deeply relax. It will enable you to release the acute and chronic tension you constantly carry in your body and mind. It can also help you remove the blocks and obstacles to your inner peace and contentment, and prevent stress-related illness and disease. To heal yourself in this manner is an act of self-love, because you're taking the time and expending the energy to work on yourself physically and emotionally, thereby bringing more joy into your life. You'll find that regular practice with the audio will produce profound, long-lasting results.

WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHEID AND RUMI

BHAVNAGRI'S WORLD WAS SHATTERED.

ONE MONTH LATER, A NEW ONE OPENED.

Khorshed and Rumi Bhavnagri lost their sons, Vispi and Rato, in a tragic car crash. With both their sons gone, the couple felt they would not survive for long. They had lost all faith in God until a miraculous message from the Spirit World gave them hope and sent them on an incredible journey.

Regression to Times and Places Llewellyn Worldwide

Regression to Times and Places is the first CD in Brian's new meditation series. This series helps you to discover and learn meditation and regression techniques. This CD uses several visualizations to access the mind-body connection for healing; for releasing negative thoughts, feelings, and emotions; and for replacing them with positive energy, peace, wisdom, love, and joy. Dr. Brian L. Weiss uses a technique of recounting different historical time periods and suggesting the visualization of geographical places to trigger past-life memories. The regressions provide different techniques for retrieval of memories from this lifetime and prior lifetimes, as well as methods to access spiritual states and inner wisdom.

Many Lives, Many Masters Harper Collins

Learn the latest details and most recent groundbreaking discoveries that reveal, for the first time, the mystery of life in the spirit world after death on Earth?proof that our consciousness survives?in *Journey of Souls* by Michael Newton, Ph.D. Using a special hypnosis technique to reach the hidden memories of subjects, Dr. Newton discovered some amazing insights into what happens to us between lives. *Journey of Souls* is the record of 29 people who recalled their experiences between physical deaths. Through their extraordinary stories, you will learn specifics about: ·How it feels to die ·What

you see and feel right after death ·The truth about "spiritual guides" ·What happens to "disturbed" souls ·Why you are assigned to certain soul groups in the spirit world and what you do there ·How you choose another body to return to Earth ·The different levels of souls: beginning, intermediate, and advanced ·When and where you first learn to recognize soulmates on Earth ·The purpose of life Journey of Souls is a graphic record or "travel log" by these people of what happens between lives on Earth. They give specific details as they movingly describe their astounding experiences. After reading *Journey of Souls*, you will gain a better understanding of the immortality of the human soul. You will meet day-to-day challenges with a greater sense of purpose. You will begin to understand the reasons behind events in your own life. *Journey of Souls* is a life-changing book. This is a highly readable personal journal of how destiny mystically designs circumstances, from planting a seed of Near Death Experience, Reincarnation and such to nurturing these ideas with the conviction of personal experience and finally integrating it all under the expert guidance of Dr. Brian Weiss. Below are few words from an eminent author and publisher introducing this book:-The book starts in a very dramatic way and from the very first sentence draws you immediately to the series of events those are going to unfold. As you read along the book, the kindness of an American African touches your heart. Dr. Brian Weiss comes in front of you alive. You yourself really start hearing Dr. Weiss speak. There is a touch of humour also in the narrative to enliven you and lot of wisdom pours in. You will surely love this book. Well, here is the book itself in your hand. Go ahead and experience it for yourself. I always felt within my heart, the mystical side of Venu's personality. He is one of the rare individuals, who love to read great books and absorb the noble ideas and ideals contained in them. He is truthful, sincere to the core in his quest for God and has passed through amazing range of experiences in his life which makes him a very good channel of goodness and compassion through past life therapy. I have not found many persons with such pure, altruistic motives that Mr. Venu Murthy carries in his heart. The book has been dedicated at the holy feet of the all pervading eternal master of the universe. I

bow down to that Guru and offer my salutations to that eternal master along with Venu Murthy. This narrative is written with noblest of the motives. It is highly readable and as you read along, you won't feel you are reading a book, you will be travelling and experiencing everything that happens along with the author!!!! And it will be a harbinger of a change in many people's lives. May the blessings of God be showered on all those who read it and on all those who come in contact with Venu Murthy is my earnest prayer to God and Guru Deva. - Divakar

***Strange that things which are mystical happen even, in the lives of Software Engineers! While the former is for the highly developed right brain, the latter demands an exploding amount of left brain activity! Venu Murthy wonders on how mystical his journey has been-from being a techie who bangs his head on computers, to being a Past Life Regression Therapist, systematically trained by the master on this subject Dr. Brian Weiss M.D, the ever compassionate Masters and his year old cute little daughter!

Muchos Cuerpos, Una Misma Alma / Same Soul, Many Bodies Harper Collins

Kitty Dukakis has battled debilitating depression for more than twenty years. Coupled with drug and alcohol addictions that both hid and fueled her suffering, Kitty's despair was overwhelming. She tried every medication and treatment available; none worked for long. It wasn't until she tried electroconvulsive therapy, or ECT, that she could reclaim her life. Kitty's dramatic first-person account of how ECT keeps her illness at bay is half the story of *Shock*. The other half, by award winning medical reporter Larry Tye, is an engrossing look at the science behind ECT and its dramatic yet subterranean comeback. This book presents a full picture of ECT, analyzing the treatment's risks along with its benefits. ECT, it turns out, is neither a panacea nor a scourge but a serious option for treating life threatening and disabling mental diseases, like depression, bipolar disorder, and others. Through Kitty

Dukakis's moving narrative, and interviews with more than one hundred other ECT patients, *Shock: The Healing Power of Electroconvulsive Therapy* separates scare from promise, real complications from lurid headlines. In the process *Shock* offers practical guidance to prospective patients and their families, boldly addressing the controversy surrounding ECT and awakening millions to its capacity to heal.
