*Parasite* Yen Press LLC

From New York Times bestselling author Mira Grant comes a vision of a decade in the future, where humanity thrives in the absence of sickness and disease. We owe our good health to a humble parasite — a genetically engineered tapeworm developed by the pioneering SymboGen Corporation. When implanted, the Intestinal Bodyguard worm protects us from illness, boosts our immune system — even secretes designer drugs. It's been successful beyond the scientists' wildest dreams. Now, years on, almost every human being has a SymboGen tapeworm living within them. But these parasites are getting restless. They want their own lives . . . and will do anything to get them. "A riveting near-future medical thriller that reads like the genetically-engineered love child of Robin Cook and Michael Crichton." —John Joseph Adams More from Mira Grant: Parasitology Parasite Symbiont Chimera Newsflesh Feed Deadline Blackout Feedback Rise

Starting from the early modern presumption of the incorporation of role with authority, Jean Lambert explores male teachers as representing and engaging with types of authority in English plays and dramatic entertainments by Shakespeare and his contemporaries from the late sixteenth to the

early seventeenth century. This book examines these theatricalized portraits in terms of how they inflect aspects of humanist educational culture and analyzes those ideas and practices of humanist pedagogy that carry implications for the traditional foundations of authority. *Teachers in Early Modern English Drama* is a fascinating study through two centuries of teaching Shakespeare and his contemporaries and will be a valuable resource for undergraduates, postgraduates, and scholars interested in sixteenth- and seventeenth-century drama, writing, and culture.

**Steins;Gate: the Complete Manga** Del Rey

The sci-fi horror manga classic returns, in a fully-colorized, premium-quality hardcover for the first time! If you've never read the story of Shinichi and the polite and murderous alien infesting his right arm--or even if you already own the series--there's never been a better way to collect it. Presented in eight volumes containing about 300 pages of manga each. They arrive in silence, out of dark skies. They infest human hosts and consume them. And they are everywhere. They are Parasites: alien creatures who must invade and take control of human hosts to survive. Once they have infected their victims, they can twist their hosts's bodies into any abominable shapes they choose: craniums splitting to reveal mouths of sharp teeth, batlike wings erupting from backs, blades tearing through soft hands. But most have chosen to conceal their lethal purposes behind ordinary human faces. No one knows their secret, except an ordinary high school student. Shinichi managed to stop the infestation of his body by an alien parasite, but can he find a way to warn humanity of the horrors to come? For more than 30 years, new generations of readers have been riveted to this unlikely buddy story that unfolds amid a world of monstrosities that never stay hidden for long. Since its first release, in 1988, *Parasyte* has inspired live-action films,

spinoffs, and, in 2015, a global hit anime series. The Full Color Collection presents Hitoshi Iwaaki's original manga in hardcover for the first time, with each page carefully colorized and a revised translation for 2022. There's never been a better time to stay up late and get your hand on Parasyte!

**Parasyte** Dark Horse Comics

The paratexts in early modern English playbooks – the materials to be found primarily in their preliminary pages and end matter – provide a rich source of information for scholars interested in Shakespeare, Renaissance drama and the history of the book. In addition, these materials offer valuable insights into the rise of dramatic authorship in print, early modern attitudes towards theatre, notorious literary wrangles and the production of drama both on the stage and in the printing house. This unique two-volume reference is the first to include all paratextual materials in early modern English playbooks, from the emergence of print drama to the closure of the theatres in 1642. The texts have been transcribed from their original versions and presented in old-spelling. With an introduction, user's guide, multiple indices and a finding list, the editors provide a comprehensive overview of seminal texts which have never before been fully transcribed, annotated and cross-referenced.

*From the New World, Volume 3* Createspace Independent Publishing Platform

A terrifying thriller that will crawl beneath your skin . . . and leave fresh blood on every page. “Fraught with tension . . . Invasion of the Body Snatchers meets The Hot Zone.”—Rocky Mountain News Across America a mysterious disease is turning ordinary people into raving, paranoid murderers who inflict brutal horrors on strangers, themselves, and even their own families. Working under the government’s shroud of secrecy, CIA operative Dew Phillips crisscrosses the country trying in vain to capture a live victim. With only decomposing corpses for clues, CDC epidemiologist Margaret Montoya races to analyze the science behind this deadly contagion. She discovers that these killers all have one thing in common—they’ve been contaminated by a bioengineered parasite, shaped by a complexity far beyond the limits of known science. Meanwhile Perry Dawsey—a hulking former football star now resigned to life as a cubicle-bound desk jockey—awakens one morning to find several mysterious welts growing on his body. Soon Perry finds himself acting and thinking strangely, hearing voices . . . he is infected. The fate of the human race may well depend on the bloody war Perry must wage with his own body, because the parasites want something from him, something that goes beyond mere murder.

**Parasite Rex** Grand Central Publishing

MONSTER Shinichi was just an ordinary high school student, until his body was invaded by a parasite, a horrifying alien being. Now Shinichi is a monster with a human face...and a human conscience. He is unlike anything else in the world—part man, part alien, and caught in a desperate struggle to save his own soul.

*Peeps* Dark Horse Comics

The 6th book in the "Poems" series. An intended farewell to friends and a tribute to David Bowie. An experience of hurt, healing, and love. A self-discovering autobiography and dream-filled escape! Enjoy and thank you.

*Parasite Eve* Cambridge University Press

Yotsuba met a robot at Ena's house! Betcha haven't met one ever! It was THIIIIIS big - but not bigger than Jumbo or anything - and it ate money! Yotsuba's never met anyone who ate money before! Maybe it gets more powers with more money!?! Yotsuba should try giving it more money next time! Huh...what happens when money-eating robots get full? Do they have to go to the little robots' room? Hmmm...

*Parasyte Full Color Collection 1* National Geographic Books

MONSTER TWIST Shinichi vows to destroy Goto, one of the deadliest of the alien parasites that have invaded Earth–and people’s bodies. But at the moment of truth, Shinichi discovers something unexpected in his heart: sympathy for the monster. Soon Shinichi, who harbors his own alien parasite, will come to a stunning realization about the dark side of human nature–and his own soul. This is the final volume of Parasyte. Includes special extras after the story!

*Dimension W, Vol. 3* Kodansha Comics

Ken’s search for his lost brother Toki has led him to the gates of the notorious prison known as Cassandra, the City of Wailing Demons. Finding Toki means plunging into the depths of the horror-filled prison, but before he can do that, Ken must take on its formidable warden Uyghur. Butt even if Toki can be found and freed, he is not the last of the martial artist brothers whose ultimate fate is intertwined with Ken’s! -- VIZ Media

**A New English Dictionary on Historical Principles** Crown

ALIEN NATION Aliens parasites have invaded Earth and taken over the minds of ordinary people. Shin has been infected with a parasite, but he still can think and act for himself. Now he’s been approached by two mysterious victims of the invasion: Tamiya, a beautiful schoolteacher, and Shimada, another student. What do the aliens want with humanity... and with Shin?

*The Spectator* University of Hawaii Press

A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying

effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . . Bursting with the sharp intelligence and sly humor that are fast becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror.

**The Host** Udon Entertainment

What do you get when you cross a microwave with a cell phone? Apparently, atime machine! Self-proclaimed mad scientist Kyoma Hououin and the Future GadgetLab members now have the ability to send text messages into the past. Will theyuse this newfound power for personal gain? To change the world? Or for somethingmuch more sinister... Find out in Steins;Gate! Collects the complete3-book Steins;Gate manga series in one omnibus volume!

*Hellsing Deluxe Volume 1* National Geographic Books

The award-winning modern classic about a girl who can't hear and her bully, which inspired the acclaimed anime film from Kyoto Animation, returns in a beautiful, two-volume collector's edition. Each extra-large, deluxe hardcover contains over 700 pages of manga on crisp, premium paper, and more than fifty pages of new content. Voices Come in Many Forms In elementary school, Shoya Ishida led his peers in tormenting a classmate who couldn't hear, Shoko Nishimiya. When Shoko transfers schools, Shoya finds he has gone from bully to bullied, and he's left completely alone. Six years later, Shoya struggles to redeem himself in Shoko's eyes and to face the classmates who turned on him. This deluxe, large-sized hardcover includes the first half of this award-winning manga as well as over fifty pages of content never published in English before. Enjoy color art and concept sketch galleries, early drafts of the story, and interviews with creator Yoshitoki Oima and others, packed with behind-the-scenes details! YALSA Great Graphic Novels for Teens Top Ten Selection; Eisner Award Nominee “A tender portrayal of adolescence and the longing to be accepted.” -The New York Times “A Silent Voice isn't just a potential conversation starter about bullying, it also teaches empathy and has the potential to change behavior.” -School Library Journal “A very rare chance to see characters with disabilities represented on the page and a harsh light shed on the way that Japanese culture handles this difficult topic.” -Comics Bulletin “A very powerful story about being different and the consequences of childhood bullying... Read it.” -Anime News Network “The word heartwarming was made for manga like this.” -Manga Bookshelf “A story of transformation...A Silent Voice [depicts] a truly egalitarian view of love, something we can all obtain by our own capacity to love, rather than something limited to a perfect relationship.” -Polygon

*Promos and Cassandra* University of Toronto Press

Famous novelist Shijuurou Sakaki dies mysteriously at Hotel Yasogami, an isolated hotel in the middle of a lake. The cause of his death? Drowning--despite the author being safely inside his own room. To make matters more puzzling, the video logs of the housekeeper robot that was with Sakaki at the time of his death appear to be corrupted...Did the malfunctioning robot commit murder? Or was it the curse of the ghosts that haunt the depths of Lake Yasogami?! Kyouma and Mira, surrounded by suspicious fellow guests, must uncover the shocking story of a tragic accident from the past, which will bring them that much closer to the truth behind the Coils!

**Mob Psycho 100 Volume 5** Orbit

Often viewed as theologically conservative, many theatrical works of late medieval and early Tudor England nevertheless exploited the performative nature of drama to flirt with unsanctioned expressions of desire, allowing queer identities and themes to emerge. Early plays faced vexing challenges in depicting sexuality, but modes of queerness, including queer scopophilia, queer dialogue, queer characters, and queer performances, fractured prevailing restraints. Many of these plays were produced within male homosocial environments, and thus homosociality served as a narrative precondition of their storylines. Building from these foundations, On the Queerness of Early English Drama investigates occluded depictions of sexuality in late medieval and early Tudor dramas. Tison Pugh explores a range of topics, including the unstable genders of the York Corpus Christi Plays, the morally instructive humour of excremental allegory in Mankind, the confused relationship of sodomy and chastity in John Bale’s historical interludes, and the camp artifice and queer carnival of Sir David Lyndsay’s Ane Satyre of the Thrie Estaitis. Pugh concludes with Terrence McNally’s Corpus Christi, pondering the afterlife of medieval drama and its continued utility in probing cultural constructions of gender and sexuality

**Infected** VIZ Media LLC

Since the first translations of Lewis Carroll's Alice books appeared in Japan in 1899, Alice has found her way into nearly every facet of Japanese life and popular culture. The books have been translated into Japanese more than 500 times, resulting in more editions of these works in Japanese than any other language except English. Generations of Japanese children learned English from textbooks containing Alice excerpts. Japan's internationally famous fashion vogue, Lolita, merges Alice with French Rococo style. In Japan Alice is everywhere--in manga, literature, fine art, live-action film and television shows, anime, video games, clothing, restaurants, and household goods consumed by people of all ages and genders. In Alice in Japanese Wonderlands, Amanda Kennell traverses the breadth of Alice's Japanese media environment, starting in 1899 and continuing through 60s psychedelia and 70s intellectual fads to the present, showing how a set of nineteenth-century British children's books became a vital element in Japanese popular culture. Using Japan's myriad adaptations to investigate how this modern media landscape developed, Kennell reveals how Alice connects different fields of cultural production and builds cohesion out of otherwise disparate media, artists, and consumers. The first sustained examination of Japanese Alice adaptations, her work probes the meaning of Alice in Wonderland as it was adapted by a cast of characters that includes the "father of the Japanese short story," Ryūnosuke Akutagawa; the renowned pop artist Yayoi Kusama; and the best-selling manga collective CLAMP. While some may deride adaptive activities as mere copying, the form Alice takes in Japan today clearly reflects domestic considerations and creativity, not the desire to imitate. By engaging with studies of adaptation, literature, film, media, and popular culture, Kennell uses Japan's proliferation of Alices to explore both Alice and the Japanese media environment.

*Neo Parasyte f* Kodansha Comics

Based on the classic horror manga Parasyte by Hitoshi Iwaaki! Includes new tales of parasitic horror by: · Moto Hagio (Heart of Thomas, They Were Eleven) · Akira Hiramoto (Prison School) · Hiro Mashima (Fairy Tail) · PEACH-PIT (Shugo Chara!, Rozen Maiden) · Ryouji Minagawa (Spriggan, ARMS) ·

Riichi Ueshiba (Mysterious Girlfriend X) · Hiroki Endo (Eden: It's an Endless World!) · Takayuki Takeya (character & mecha designer) · Yasushi Nirasawa (designer, Kamen Rider) · Moare Ohta (Teppu) OF PARASITES AND MEN They look like us. They feed on us. They're parasites – alien creatures with one directive: take human form via a host and destroy the human race from within. First seen in Hiroshi Iwaaki's classic science fiction

horror manga Parasyte, these terrifying creatures are revisited and reinvented in 12 brand-new stories drawn by some of today's greatest shonen and seinen manga artists. But no matter who they choose as their hosts – from militia men to the seemingly sweet elderly – one thing is for certain: no one is safe from the parasites...
