Berton Coffin, "creator of The Singer's Repertoire," considers this volume to be Volume VIII of the set and explains that "Mr. Shoep has concentrated on the Italian opera repertoire, and Mr. Harris has concentrated on the Italian song repertoire."--Preface, p. viii.

*26 Italian songs and arias* Alfred Music

Arias sung and loved by the greatest singers of the world are here in fresh, new versions. This edition: draws on original manuscripts and historical first editions, along with recent research of prominent musicologists, to meet a high standard of accuracy and authenticity; enhances your enjoyment of the arias with fascinating background information about their original appearance in

cantatas and operas, and about their composers; corrects hundreds of errors -- even incorrect words, notes and composers' names -- which have accumulated as past publishers copied from each others' editions; removes Romantic era misinterpretations and 19th-century piano accompaniments, restoring the clear, bright sound of Baroque music. It will be easier than ever to learn the arias because the use of the International Phonetic Alphabet symbols removes doubts about correct pronunciation. It will be easier to sing the arias with meaning because the original Italian texts are translated into English in three ways: 1. a singable rhymed translation 2. a readable prose translation and 3. a literal translation of each single Italian word for those who are learning the language. - Back cover.

"Most voice teachers and singers still prefer the pianistic, wonderfully gratifying editions made by Alessandro Parisotti (1853-1913) of early Italian arias. This newly researched edition, with updated composer attributions, features new, clean music engravings. The collection includes the original contents of 24 Italian Songs and Arias of the Seventeenth and Eighteenth Centuries, plus four additional Parisotti editions: Sento nel core (A. Scarlatti), O leggiadri occhi belli (anonymous), Intorno all'idol mio (Cesti), Delizie contente (Cavalli). Also includes: International Phonetic Alphabet for each song text, word for word translations for study, historical introduction for each aria, preface on Parisotti and his approach to this music. The online companion recordings include: recorded recitation of each text by an Italian diction coach, a slow, deliberate, line by line recorded diction lesson, [and] piano accompaniments recorded by an experienced pianist"--Back cover.

*Italian Arias of the Baroque and Classical Eras* Mel Bay Publications

(Vocal Collection). For well over a century, the G. Schirmer edition of 24 Italian Songs & Arias of the 17th and 18th Centuries has introduced millions of beginning singers to serious Italian vocal literature. Offered in two accessible keys suitable for all singers, it is likely to be the first publication a voice teacher will ask a first-time student to purchase. The classic Parisotti realizations result in rich, satisfying accompaniments which allow singers pure musical enjoyment. For ease of practice, carefully prepared accompaniments are also available that were recorded by John Keene, a New York-based concert accompanist and vocal coach who has performed throughout the United States for radio and television. Educated at the University of Southern California, Keene has taught accompanying at the university level and collaborated with Gian Carlo Menotti and Thea Musgrave on productions of their operas.

**Twenty-four Italian Songs and Arias, 17th-18th Cent** Alfred Music Publishing

Anyone who wishes to sing really well should begin by learning how to sing in Italian, not only because the Italian school of vocalisation is acknowledged to be superior to all others, but also on account of the language itself, where the pure and sonorous tone of its many vowel sounds will assist the singer in acquiring a fine voice-production and a clear and distinct enunciation in any language he may have to sing, no matter what may be his nationality.
