MIDDLETON HUDSON

A One-Year Guide to Reading and Understanding the Entire Bible David C Cook

How we see Christ and how we read the Bible are directly related. And while many people are encouraged to know that the Bible is about Christ, they end up discouraged when they can't explain how the Bible's various parts relate to him. Some attempt to force the pieces of the Bible together, making superficial jumps to Jesus. Others give up trying to understand the Bible altogether, losing confidence in God's Word. So, how can we read the Bible in such way as to grow in the knowledge of Jesus Christ on every page of Scripture? We need a full reading of Scripture, one that reads the Bible according to its nature, its structure, and its own agenda. You'll learn how to: read the Bible according to according to

three biblical contexts: the immediate context, the unfolding context, and the final context recognize how different parts of the Bible interlock with other parts of the Bible, fitting together like a puzzle embrace the story of the Bible as our own, to live this story out, and to share this story with our neighbors and the nations Along the way, Wellum and Hunter explore the connecting thread of covenant and how it ties several key biblical figures together. They also unpack some of the trickier questions Bible readers face today including how the Old Testament law applies today as well as several apologetic challenges to the Old Testament. For the first time, you will be able to see the Bible's multi-layered story and how it is held together by one plan of God to glorify himself in salvation. You'll come away with a clearer and more profound vision of our own need as sinners, of God in all of his grace, and of Jesus in all of his glory. X

The Gospel According to John Zondervan

Spanish Steps to Peace With God are printed in full color and come in packages of 25 tracts. A classic from the Billy Graham Evangelistic Association; many people put the Steps to Peace With God booklet in every Christmas card they send to their non-Christian friends and loved ones. Others carry copies year-round to give away or leave in public places. This powerful Gospel presentationa proven soul winneris a clear and compelling way to share the lifesaving message of God's grace.

The Queen James Bible Zondervan

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In Reading the Bible Supernaturally, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical

text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God. *Steps To Peace With God 25 Pack: Spanish Cross = Steps to Peace with God* Canongate U.S.

Is Reading the Bible the Fastest Way to Lose Your Faith? For centuries, the Bible was called "the Good Book," a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. Whether you are a Christian, a doubter, or someone exploring the Bible for the first time, bestselling author Dan Kimball guides you step-by-step in how to make sense of these difficult and disturbing Bible passages. Filled with stories, visual illustrations, and memes

reflecting popular cultural objections, *How (Not) to Read the Bible* is a lifeline for individuals who are confused or discouraged with questions about the Bible. It also works great as a small-group study or sermon series.

An inspiring look at Ephesians and the believer's association with Christ, the world, and Satan. Written by the saintly Chinese pastor, Watchman Nee.

[Finding Yourself in God's Story](#) Simon and Schuster
A Guided Tour from Genesis through Revelation
Reading the Bible need not be a haphazard journey through strange and bewildering territory. Like an experienced tour guide, *How to Read the Bible Book by Book* takes you by the hand and walks you through the Scriptures. For each book of the Bible, the authors start with a quick snapshot, then expand the view to help you better understand its key elements and how it fits into the grand narrative of the Bible. Written by two top evangelical scholars, this survey is designed to get you actually reading

the Bible knowledgeably and understanding it accurately. In an engaging, conversational style, Gordon Fee and Douglas Stuart take you through a given book of the Bible using their unique, progressive approach:

- **Orienting Data**—Concise info bytes that form a thumbnail of the book
- **Overview**—A brief panorama that introduces key concepts and themes and important landmarks in the book
- **Specific Advice for Reading**—Pointers for accurately understanding the details and message of the book in context with the circumstances surrounding its writing
- **A Walk Through**—The actual section-by-section tour that helps you see both the larger landscape of the book and how its various parts work together to form the whole. Here you are taken by the hand and told, "Look at this!"

How to Read the Bible Book by Book can be used as a companion to *How to Read the Bible for All Its Worth*. It also stands on its own as a reliable guide to reading and understanding the Bible for yourself.

Authorized King James Version Harper Collins
Brettler focuses on

reading the Hebrew Bible using a 'historical-critical method', explaining the literary conventions, ideological assumptions, and historical conditions that inform the Hebrew Bible and shows how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature.

How to Read the Bible Well Zondervan

How to Read the Bible Every Day helps Catholics read through the entire Bible. It includes an easy-to-use plan for beginners as well as plans for those already reading Scripture regularly. It even includes a supplemental reading plan keyed to the Church year. The three-year plan involves only 5-7 minutes a day of reading the Bible. Two-year and one-year reading plans give the more ambitious reader the opportunity to read Scripture 10-15 or 20-30 minutes a day. The two-year plan follows the daily readings of the liturgy. Its compact size means you can easily slip it inside your study Bible. Here is an invaluable guide for Catholics who want to grow in their understanding of God's Word.

How to Read the Bible

Baker Books

A welcome supplement to the bestselling *How to Read the OT* and *How to Read the NT*, indicating more recent developments in biblical studies especially in the area of narrative criticism.

The Real Heaven Billy Graham Evangelistic Association

The acclaimed Bible scholar and author of *The Historical Jesus and God & Empire*—"the greatest New Testament scholar of our generation" (John Shelby Spong) —grapples with Scripture's two conflicting visions of Jesus and God, one of a loving God, and one of a vengeful God, and explains how Christians can better understand these passages in a way that enriches their faith. Many portions of the New Testament, introduce a compassionate Jesus who turns the other cheek, loves his enemies, and shows grace to all. But the Jesus we find in Revelation and some portions of the Gospels bent on earthly destruction. Which is the true revelation of the Messiah—and how can both be in the same Bible? *How to Read the Bible and Still be a Christian* explores this

question and offers guidance for the faithful conflicted over which version of the Lord to worship. John Dominic Crossan reconciles these contrasting views, revealing how different writers of the books of the Bible not only possessed different visions of God but also different purposes for writing. Often these books are explicitly competing against another, opposing vision of God from the Bible itself. Crossan explains how to navigate this debate and offers what he believes is the best central thread to what the Bible is all about. He challenges Christians to fully participate in this dialogue, thereby shaping their faith by reading deeply, reflectively, and in community with others who share their uncertainty. Only then, he advises, will Christians be able to read and understand the Bible without losing their faith. *Revelation* Harvest House Publishers
McKenzie argues that to comprehend the Bible we must grasp the intentions of the biblical authors themselves--what sort of texts they thought they were writing and how they would have been understood by their

intended audience. In short, we must recognize the genres to which these texts belong. McKenzie examines several genres that are typically misunderstood, offering careful readings of specific texts to show how the confusion arises, and how knowing the genre produces a correct reading. The book of Jonah, for example, offers many clues that it is meant as a humorous satire, not a straight-faced historical account of a man who was swallowed by a fish. Likewise, McKenzie explains that the very names "Adam" and "Eve" tell us that these are not historical characters, but figures who symbolize human origins ("Adam" means man, "Eve" is related to the word for life). Similarly, the authors of apocalyptic texts--including the Book of Revelation--were writing allegories of events that were happening in their own time. Not for a moment could they imagine that centuries afterwards, readers would be poring over their works for clues to the date of the Second Coming of Christ, or when and how the world would end. For anyone who takes reading the Bible seriously and

who wants to get it right, this book will be both heartening and enlightening. How (Not) to Read the Bible Servant Publications This latest volume in the Reformation Commentary on Scripture (RCS) series offers biblical commentary from numerous Reformation-era theologians, pastors, and preachers from a variety of theological traditions—Lutheran, Reformed, Anglican, Radical, and Roman Catholic—on six Old Testament books: 1-2 Samuel, 1-2 Kings, and 1-2 Chronicles. New Leaf Publishing Group "Hilarious. . . . It's Cliff Notes for Scripture—screenplay by Plotz, story by God. . . . In the end, though, the book is made by the spirit of the writer." — The New York Times Book Review "Like the Bible itself, Good Book contains multitudes—it is by turns thought-provoking, funny, enlightening and moving." — A. J. Jacobs, author of *The Year of Living Biblically* "Plotz is a genius writer." — Franklin Foer, author of *How Soccer Explains the World* A whip-smart, laugh-out-loud tour through the most important book in

the world, a book most people have never read: the Bible. How to Read the Bible as Literature Crossway Many find it difficult to take words that were written thousands of years ago and apply them to twenty-first-century life in the Western world. How do we read God's unchanging Word in a world that is increasingly defined by change? How to Read the Bible in Changing Times shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture. Rather than seeing the Bible as a magic answer book, a list of commands to obey, or a series of promises to claim, this insightful book allows the Bible to retain its identity as a complex, inspired document while showing that the truth it contains is relevant and life-changing. It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God, his will, and his purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God's will on the many modern issues that the

Bible does not directly address.

A Practical and Entertaining Exploration of the World's Most Famous Book

Harper Collins
Many who would be willing to search for truth in the Bible are intimidated by its size, the length of time it spans, the different languages and cultures within, or questions about the historical reliability and contemporary relevance of Scripture. The Holman Illustrated Bible Handbook is designed with an awareness of the obstacles people have to understanding the Bible. It begins with an essay on "How to Read and Study the Bible" before proceeding to chapters that provide a thorough overview of each of the Bible's 66 books, summarizing each one's content, author, evidences of authenticity, and historical context. In addition to the full-color maps, photographs, reconstructions, and charts that equip readers throughout the volume, a smartphone-accessible QR code is included for each chapter that leads to related online teaching from noted Bible scholar Gene Getz. There's also an article by Jeremy

Howard (general editor of the award-winning HCSB Study Bible) explaining how each book of the Old and New Testaments was accepted into the Bible.

Core Christianity
HarperOne

The Bible is interpreted in a variety of ways and through a myriad of lenses. But how we interpret Scripture depends first of all on how we read it. This handbook focuses on the process of reading itself, taking a cognitive-stylistic approach grounded in recent research on language and the mind. Through accessible explanations of twelve key stylistic elements, *How We Read the Bible* provides all who study Scripture with the tools to understand what happens when we read and draw meaning from biblical texts. Rather than problematizing the divide between authors from the ancient world and a modern-day audience, Karolien Vermeulen and Elizabeth Hayes bridge the gap by exploring the interaction between the cues of the text and the context of the reader. With numerous examples from the Old and New Testaments and helpful suggestions for further study, *How We Read the*

Bible can be used within any framework of biblical study--historical, theological, literary, and others--as a pathway to meeting Scripture on its own terms.

A Guide to Scripture's Style and Meaning
FaithWords

Many people admire and even revere the Bible, but they simply do not understand what they read, much less how to study Scripture. Yet they wish they could. In this insightful and alternately amusing guide, Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't

just satisfy our curiosity, but changes our life. To do this, the reader will step into the seminary classroom and observe the practical principles—the tricks of the trade—for becoming a more effective student of the Bible. But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay-level Bible study. Real life is whacky and in-your-face. Studying Scripture should be too.

How to Read Bible

Stories Zondervan
As soon as it appeared, *How to Read the Bible* was recognized as a masterwork, “awesome, thrilling” (The New York Times), “wonderfully interesting, extremely well presented” (The Washington Post), and “a tour de force...a stunning

narrative” (Publishers Weekly). Now in its tenth year of publication, the book remains the clearest, most inviting and readable guide to the Hebrew Bible around—and a profound meditation on the effect that modern biblical scholarship has had on traditional belief. Moving chapter by chapter, Harvard professor James Kugel covers the Bible’s most significant stories—the Creation of the world, Adam and Eve, Cain and Abel, Noah and the flood, Abraham and Sarah, Jacob and his wives, Moses and the exodus, David’s mighty kingdom, plus the writings of Isaiah, Jeremiah, and the other prophets, and on to the Babylonian conquest and the eventual return to Zion. Throughout, Kugel contrasts the way modern scholars understand these events with the way

Christians and Jews have traditionally understood them. The latter is not, Kugel shows, a naïve reading; rather, it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period. These highly ideological readers sought to put their own spin on texts that had been around for centuries, utterly transforming them in the process. Their interpretations became what the Bible meant for centuries and centuries—until modern scholarship came along. The question that this book ultimately asks is: What now? As one reviewer wrote, Kugel’s answer provides “a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition.”
