The Essential Soup Maker Recipe Book Fast and Delicious Meals for Every Day ♦ incl. 28 Days Meal Plan ♦ There is nothing better than a bowl of nutritious, hot soup on a cold winters day and it can be hugely rewarding creating your own soup particularly as you can control exactly what goes into it. Whilst you can make soup in a pot on your stove, there are so many pluses for using a soup maker. The Essential Soup Maker Recipe Book is packed with delicious recipes plus a 28-day meal planner to help you put your soup maker to good use. Soup is one of the best ways to lose weight as it can be created using an abundance of healthy ingredients making a meal that is low in both fat and calories. This book will show you how versatile a soup maker can be and how you can use it to create light lunches to substantial means that are nourishing and comforting. Soups can be created in as little as 30 minutes and will provide you with new ideas to make your food more inspirational, whilst needing minimal preparation. Soup makers are

economical in so much that not only do they use a small amount of electricity but they will help you to reduce the amount of food that you waste as well as giving you more time on your hands to do something for you. Another great benefit is that you will not have to spend time with your hands in the sink doing all the washing up. The amount that people spend on fresh soup has doubled over the past decade and there is also a rising trend where you can use your soup maker to create quick nutritious juices for breakfast. Whether you are looking for new recipes, trying to cut back on your food budget or the amount of food you are wasting using a soup maker is definitely the best way forward!

The ultimate in slow-cooker books--with 500 recipes, each adapted for three sizes of appliance. From breakfast to soups, mains to grains, vegetables to desserts, this guide is the only book you'll ever need to master your slow cooker or crockpot. Millions of people are turning to slow cookers for their weeknight meals yet often can't find recipes that match their exact machine. Adapting recipes meant for a different-size cooker doesn't work--getting the right level of spice in your Vietnamese soup or keeping pulled pork tender requires having ingredients in the right proportion. But now, Bruce Weinstein and Mark Scarbrough have decoded slow cookers, and each of their recipes includes ingredient proportions for 2-3 quart, 4-5 quart, and 6-8 quart machines, guaranteeing a perfect fit no matter what machine you own. Each recipe is labeled for its level of difficulty and nutritional value, and they cover every kind of dish imaginable: delicious breakfast oatmeals,

slow-braised meats, succulent vegetables, sweet jams and savory sauces, decadent desserts. This is the slow cooker book to end them all.
