The verdant and beautiful Kerala, well known for its flora and fauna and for its rich tradition of temples, has today become one of the must see destinations in the world. Temples have always been an integral part of the culture and tradition of Kerala. This small state has become famous for its efforts to preserve the ancient culture of the big temples as well as the small family shrines, keeping their rich variety and tradition intact. These temples play an important role in spreading the greatness of Kerala in countries all over the world. Temples of Kerala have never been mere places of worship; they have played a pivotal role in the social, financial, cultural and educational fields of the state. For the rehabilitation of the poor and the deprived many schemes have been implemented by the temples like providing food and shelter to the needy. Today, if there is a great progress in the field of tourism, the temples have certainly contributed much to it. A large number of foreigners come to the state to study and understand Kerala's traditional temple arts like Kathakali, Chakiarkoothu, Ottamthullal etc. On the happy occasion of bringing out this book, we have endeavored to include details of the prominent Ayyappan temples outside Kerala, along with those of the great temples within the state. The intention is to make this a comprehensive reference book for all well-known temples in India. May all our readers be blessed by the Almighty with peace, prosperity and good health.

This major interdisciplinary collection captures the vitality and increasingly global significance of the Faust figure in literature, theatre and music. Bringing together scholars from around the world, *International Faust Studies* examines questions of adaptation, reception and translation centering on Faust discourse in a diversity of cultural contexts, including the Chinese, Japanese, Indian, African, Brazilian and Canadian, as well as the European, British and American. It broadens the field by including studies of lesser known or neglected Faust discourse, including the translation of Goethe's Faust recently attributed to Coleridge, in addition to the canonical.

Postcolonial Environments examines the relationship between contemporary environmental crises and culture by offering a series of provocative readings of key Indian novels in English, making an original and important contribution to the emerging theories of 'green postcolonialism'.

Encounters with Emotions PartridgeIndia

The author, M K K Nayar's impressionable childhood, schooling and university years began in early 1920s - the most turbulent period of India's independence struggle. After graduating in 1940 and spending two years in Travancore Civil Service, M K K Nayar joined the Ordnance Department of British India in Hyderabad.

During this phase of his career, he risked his life more than once to bring nefarious going-ons in the princely state of Hyderabad to the attention of national leaders like Sardar Vallabhai Patel and defuse conspiracies that were jeopardizing India's national interests. In 1948, M K K Nayar joined the IAS and was involved prominently in India's national development - notably in building the Bhilai Steel Plant and fertilizer plants that also seeded several other industries in the Cochin Industrial Belt, and by propagating modern agriculture throughout South India. His friendship and intimacy with national leaders like Pandit Jawaharlal Nehru, illustrious civil servants like V P Menon, industrialists like J R D Tata and innumerable opinion-leaders all over India gave him a ringside view of and insider information on some of the most important and interesting episodes of Indian history until mid 1970s. !Destiny took him to Kerala in 1959 to head India's pioneer fertilizer company, The Fertilisers And Chemicals Travancore Ltd (FACT) which he developed into a multifaceted organization that grew over twenty-fold during the decade of his tenure in it. This period that ended in 1971 also found him raising Kathakali, one of the most stylized forms of mime dance-drama from a destitute existence on the fringes of Kerala's social milieu to the forefront of international recognition. Success in everything he did even outside of his vocation, from resolving political imbroglios to promoting art and literature, took him to the forefront of life in Kerala and the national capital. Jealousies it aroused resulted in court cases being instituted against him on frivolous charges and they took 12 years for him to be fully exonerated. In that time, India lost the services of one of its ablest go-getters during what should have been his peak years. !Between June 1986 until his premature passing away in September 1987, he penned a series of articles about his life and times. It was serialized under the title of *Aarodum Paribhavamillathe, Oru Kalaghattathinte Katha* in the popular Malayalam weekly, *Kala Kaumudi*. It was later published as a book which became a big hit with Malayali readers and is printed and published even now. !M K K Nayar emphasizes that this was not an autobiography but an attempt to share without bitterness or ill-will some of his experiences and the joy, pain and terrible sadness they brought him. The renowned historian, author and academician, M G S Narayan says that M K K Nayar's

'memoirs did not get the due recognition it deserved' and acknowledges it as a 'historical chronicle of pre and post independent India'. The book has been translated into English by Gopakumar M Nair, who was an executive of FACT during a part of M K K Nayar's tenure there. Though Gopakumar is a popular amateur writer from his college days in IIT Madras, this translation named *The Story of an Era, Told Without Ill-will* is his first book.

Kathakali; an Introduction to the Dance-drama of Kerala

In (toward) a phenomenology of acting, Phillip Zarrilli considers acting as a 'question' to be explored in the studio and then reflected upon. This book is a vital response to Jerzy Grotowski's essential question: "How does the actor 'touch that which is untouchable?'" Phenomenology invites us to listen to "the things themselves", to be attentive to how we sensorially, kinesthetically, and affectively engage with acting as a phenomenon and process. Using detailed first-person accounts of acting across a variety of dramaturgies and performances from Beckett to newly co-created performances to realism, it provides an account of how we 'do' or practice phenomenology when training, performing, directing, or teaching. Zarrilli brings a wealth of international and intercultural experience as a director, performer, and teacher to this major new contribution both to the practices of acting and to how we can reflect in depth on those practices. An advanced study for actors, directors, and teachers of acting that is ideal for both the training/rehearsal studio and research, (toward) a phenomenology of acting is an exciting move forward in the philosophical understanding of acting as an embodied practice.

Spanning Europe, Asia and the Pacific, *Encounters with Emotions* investigates experiences of face-to-face transcultural encounters from the seventeenth century to the present and the emotional dynamics that helped to shape them. Each of the case studies collected here investigates fascinating historiographical questions that arise from the study of emotion, from the strategies people have used to interpret and understand each other's emotions to the roles that emotions have played in obstructing communication across cultural divides. Together, they explore the

cultural aspects of nature as well as the bodily dimensions of nurture and trace the historical trajectories that shape our understandings of current cultural boundaries and effects of globalization.

Indian Theatre expands the boundaries of what is usually regarded as theatre in order to explore the multiple dimensions of theatrical performance in India. From rural festivals to contemporary urban theatre, from dramatic rituals and devotional performances to dance-dramas and classical Sanskrit plays, this volume is a vivid introduction to the colourful and often surprising world of Indian performance. Besides mapping the vast range of performance traditions, the volume provides in-depth treatment

of representative genres, including well-known forms such as Kathakali and ram lila and little-known performances such as tamasha. Each of these chapters explains the historical background of the theatre form under consideration and interprets its dramatic literature, probes its ritual or religious significance, and, where relevant, explores its social and political implications. Moreover, each chapter, except for those on the origins of Indian theatre, concludes with performance notes describing the actual experience of seeing a live performance in its original context. Based on extensive fieldwork, *Indian Theatre* is the first comprehensive account of the subject to be written by Western specialists and addressed to the needs of readers in the West. It will be a valuable resource for all students of Indian culture and a standard work in the history of theatre and performance for years to come.

This book is written for all lovers of the performing arts, especially those who love Kathakali, the dance drama of Kerala, the southern state in India. While other texts have been written about the history of the dance drama in English, this book uniquely brings in Shakespearean plays and characters, comparing them to the stories and characters in Kathakali to give it a completely new perspective.

It's halftime America! Ay Yi Yai Yi! We are in the middle of The New World Order! Empires rise, decline, and fall. History has witnessed this cycle with the Romans, the Ottomans, and the British. They have all toppled, and if we are not careful, the US will be the next. Many of today's enterprises are a gaggle of debt-addicted extreme financial engineering frogs floundering in tepid snake oil. Unfortunately, many will find their demise in the clutches of IP vultures. If we don't play our trump cards right, the next voracious Empire - the Middle Kingdom of China - will consume us; sending their errand boys to collect bills from the US and over a hundred other countries that it has economically and digitally colonized since the Economic Tsunami of 2008, through "Belt and Road Initiative" (BRI) to its "Digital Silk Road" (DSR). "Make Enterprise Great Again" digs into the foundations of capitalism and traces the ideals, triumphs and zeitgeist of the Roosevelt years in order to "Build Back Better" - and to save us from the impending Fourth Reich. Yeah! It's halftime, America!

This book will entertain you; make you laugh; inform you; and, sometimes, make you squirm. It is a book that can be dipped into when you have a few spare moments and take you on amazing adventures to the ends of the earth. The inspiration for this book is Dermot and Mary Douglas' itchy feet, which have brought them to places both close and remote - from Achill, to the Amazon rainforests, to the Galapagos Islands. It is a book of self-contained stories, written with humour, affection and insight. Wherever they travel, Dermot and Mary consider themselves outsiders, or foreigners, permitting them the curiosity to look beyond the superficial to experience the depth and richness that lies beneath. These stories relate experiences with fascinating and complex cultures; encounters with rare and increasingly vulnerable animals and plants; consequences of nutritional adventures - both exquisite and disgusting; and reflections on fascinating aspects of the historical development, or physical achievements, of ancient peoples.

SILENTCULTURE

The Kathakali Explorer is about the work and life of two ethnologists who traveled extensively in the colonial India and documented various aspects of the Indian arts, languages and the South-Indian literature, and the people's way of life. They authored the first monograph ever written on the Kathakali dance theater of Kerala following a whole-night performance they attended in Kottayam (Kerala) on January 14, 1916. This document is translated in the book with an introduction and annotations, followed by a travelogue kept by the two researchers about their life and work in India, the people they befriended on their tireless journey all the way from South India to Kashmir. About the publication of the monograph by A. Merwart in 1926 it (the monograph) reveals the outstanding fact that ethno-choreography came into being even before 1933, the publication date of Curt Sachs' 'Weltgeschichte des Tanzes.' The author (Merwart) describes the Kathakali dance drama in detail... He relates the drama to the culture in an authoritative manner.

The Multivalence of an Epic: Retelling the Ramayana in South India and Southeast Asia University of Michigan Press

This book brings together nearly 40 academics and theatre practitioners to chronicle and celebrate the courage, determination and achievements of women on stage across the ages and around the globe. The collection stretches from ancient Greece to present-day Australasia via the United States, Soviet Russia, Europe, India, South Africa and Japan, offering a series of analytical snapshots of women performers, their work and the conditions in which they produced it. Individual chapters provide in-depth consideration of specific moments in time and geography while the volume as a whole and its juxtapositions stimulate consideration of the bigger picture, underlining the challenges women have faced across cultures in establishing themselves as performers and the range of ways in which they gained access to the stage. Organised chronologically, the volume looks not just to the past but the future: it challenges the very notions of 'history', 'stage' and even the definition of 'women' itself.

Backpacking through the country, young chef Saransh Goila sets off on a culinary trail through India, wherein he discovers the various nuances of local cuisine. From rural villages to barren deserts to freezing mountains, he unfolds the flavour of his destination by meeting local villagers or erstwhile royalty and picking up a tip or two to use in his kitchen. Wherever he goes, he makes sure to visit the famous eateries of that place. Through him, the reader can vividly smell the spices and taste the dishes that are described. The recipes given also present ways on using locally found ingredients. From having steaming Murthal ke paranthes to savouring tasty street food in hometown Delhi, from cooking on a boat in Varanasi to cooking dishes using a bamboo hollow in Assam, Goila does it all and presents his adventures in a lucid, flowing narrative peppered with humorous anecdotes.

About Saransh Goila Saransh Goila, 28 year old, Saransh Goila is an Indian chef, a TV show host, author, and a food consultant. He is also popular for his online food and travel show, The Spice Traveller, and Health Challenge, where he makes favourite Indian dishes healthier. Saransh became a food enthusiast quite early, making his first jalebi for his family at the age of 12. This interest in food made him pursue his Bachelor's in Culinary Arts from the Institute of Hotel Management, Aurangabad. His first taste of television success was when he won the FoodFood Maha Challenge in the year 2011, hosted by celebrity chef, Sanjeev Kapoor, and film actress, Madhuri Dixit. He set a record in the Limca Book of Records, 2014, for 'the longest road journey by a chef,' when he hosted India's biggest food travelogue show, Roti, Rasta aur India. He's a passionate traveller and has dedicated himself to promote regional Indian food across
